

**Student Placement**

Participation in this program is open to any enrolled student. Many students earn part of their college expenses. Entering freshmen, however, should be prepared to finance their first semester of college without working; all students should keep their outside employment to a minimum in order to avoid endangering either health or academic achievement.

Various types of employment are available including a number of hourly jobs in various work areas on campus for candidates with specific abilities. Other positions of a temporary nature are also available. Active immunization against tetanus (available through the Student Health Service) is required for any student employed on the College Farm. Off-campus positions range from short-term positions to those with scheduled hours for the full year. Students desiring work on or off campus should consult the Student Placement Center. Employed students are expected to reflect credit on the college. (See also *Work-Study Program* and *Graduate Assistantships*.)

**STUDENT LIFE**

College students are expected to assume the responsibilities for personal conduct appropriate to their age and maturity. Wide freedom is therefore granted by the college administration to the students as individuals and as organized groups. This responsibility has been accepted in an admirable way by the students of the college, and an unusual degree of self-government has been established. A student court has authority to deal with cases involving interpretation of student regulations or their violation. A committee on student life composed of faculty and students evaluates the student life program and makes recommendations on policy and procedure. Regulations as to satisfactory scholarship, disqualification for unsatisfactory work and related questions bearing upon college requirements are administered in accordance with college policies.

**THE COLLEGE UNION**

The College Union building was designed to serve the entire campus community. This new structure was planned by students and is financed by student funds through the Fresno State College Association. The College Union is the campus community center for students, faculty, staff, and guests. In addition it provides convenient and inexpensive social and recreational opportunities. The building includes conference and meeting rooms, lounge areas, a coffee shop, a barber shop, art display areas, student government and committee offices, auxiliary organization offices, bowling and recreation areas, and numerous service facilities.

**STUDENT LEADERSHIP**

Membership and active participation in a reasonable number of student organizations are strongly recommended by the college. Student groups of this type are an excellent means of obtaining experience in leadership, group action and social competence. Participation in student government is also encouraged. Many opportunities exist for participation in student affairs through election to student body and class offices, appointment to student committees, and attendance at meetings of the Student Senate. Students are also offered an opportunity to serve on many faculty committees and on the boards of the Fresno State College Association, Inc. These groups play an active part in recommending college policies and in conducting the affairs of the Association.

**STUDENT CONDUCT**

Students are expected to observe college regulations and are held responsible for their personal behavior. Disciplinary action involving expulsion, suspension, probation or lesser sanction will be assessed only after the student involved has been given a formal hearing before a disciplinary board. However, the President may
