

Feb. 24, '74

Dear Mrs. Talmack,

I am returning the list
of persons that have consented
for their names to be used in support.

I had hoped to have more
names available for you however,
most of the people I contacted
had already signed in your
behalf through another worker.

Do hope this will help become
in our opinion, you promote the
good government that is necessary
in Osnard.

Sincerely,
Margaret Latour
