

### **PROGRAM PLANNING**

Freshman students should plan their programs as early as possible beginning, when practical, with the selection of a major. Degree requirements in each major are listed under the appropriate department and in the section on degrees and credentials.

Students will be assisted in planning their programs by academic advisers, but the primary responsibility for meeting requirements is theirs. The *Schedule of Courses* must be followed when planning a particular semester's program.

The following are among the sections of this catalog students should study carefully:

### **TRANSFER STUDENTS**

Students intending to transfer to Fresno State College should plan their programs while attending other colleges to meet curriculum requirements of this college. The general degree regulations and the requirements in the department offering the major selected should be studied for courses and sequences necessary for the degree. See provisions for *General Education*.

After admission to Fresno State College, the student will usually receive a copy of his advanced standing evaluation indicating how previous college credits have been applied toward requirements at Fresno State College. Normally, applicants will receive the advanced standing evaluation before registration; otherwise applicants will be processed during the semester.

Each student should develop a personal folder in which he keeps his own copies of transcripts, grade cards, advanced standing evaluation, departmental check sheets, and other information pertaining to his progress toward meeting various requirements for his degree or credential. Advisers are available for assistance; it is the responsibility of the student, however, to be sure that he has met all requirements.

### **REGISTRATION**

Registration is open to new students who have been formally admitted and to former students in good standing. Former students returning after an absence of one semester or more must apply for admission, subject to college enrollment limitations and filing deadlines. Students who are returning after an absence of two semesters or more and those who have been absent one semester or more and have attended another institution in the interval will be required to pay the \$20 application fee when applying. The *Academic Calendar* lists dates of registration. Late registrants are assessed a fine of \$5 and a late filing fee of \$2 if materials are not filed within 48 hours. *Registration is complete only when all required forms are completed and filed and all fees are paid.* See *Academic Calendar* for all deadline dates.
