Michelle A. Jordan
President, California State University, Fullerton

FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to the university's 2009 commencement celebration. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

For more than 50 years, Cal State Fullerton has turned students' dreams of earning a college degree into reality through of the excellence of our academic and student affairs programs. More than 191,000 graduates are now Titan alumni and they are making significant contributions in California, the nation and throughout the world. It is my hope that you will take from your experiences here, the spirit of Titan Pride that resides with the students, faculty, staff and administrators at California State University, Fullerton.

Today the university honors more than 11,000 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August of this year. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be life-long learners dedicated to the pursuit of excellence and the importance of life issues, and that you find opportunities in your life to continue to discover, innovate, achieve and contribute to the world at large in a positive manner.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 2009 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours and what you make of it!

A handwritten signature in dark ink, reading "Milton A. Gordon". The signature is fluid and cursive, with the first name "Milton" being the most prominent.

Milton A. Gordon

President, California State University, Fullerton

Congratulations graduates! As President of the California State University Fullerton Alumni Association and proud Titan from the Class of 1980, allow me to extend my sincere congratulations to the Titan Class of 2009 on the accomplishment of a spectacular achievement!

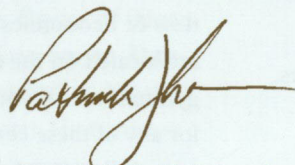

By virtue of your degree, you are now a member of the Titan community that comprises nearly 200,000 graduates from one of the finest universities in the country.

Commencement does not mark the end of your relationship with Cal State Fullerton. You are now an integral part of an elite group of people who contribute and play significant roles in our local, state and global communities. Among the ranks of Titan Alumni are astronauts, professional athletes, Pulitzer Prize-winning journalists, doctors, lawyers, nurses, teachers, legislators, scientists, award-winning actors and producers, business leaders, and successful members of our nation's military.

As you embark on new journeys and goals, I encourage each of you to stay connected to Cal State Fullerton by getting involved in *your* Alumni Association. The Cal State Fullerton Alumni Association provides you with opportunities to remain connected to your alma mater and, in the process, continue your professional growth. Membership in the association provides you access to a network of committed and involved Titans and students.

Consider all the people who mentored you, supported you, and encouraged you in the attainment of your degree - faculty, staff, family, friends, coaches and alumni. Now, it is your turn. The contribution of your time and talents are extremely important to those who aspire to follow in your footsteps. It'll make you feel good about yourself and provide you with rewarding experiences long after graduation.

Be proud to be a Titan; get involved; stay involved. Congratulations and best wishes for continued success and happiness in all your future endeavors.

Patrick J. "Paddy" Gough

Colonel USMC (Retired), B.A. History '80

President, Cal State Fullerton Alumni Association

ABOUT THE PROGRAM

LIST OF CANDIDATES: Students eligible to participate in the 2009 commencement ceremonies are January 2009, June 2009 and August 2009 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: cum laude, 3.5 to 3.74; magna cum laude, 3.75 to 3.89; summa cum laude, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote cum laude; orange ribbons denote magna cum laude; and blue ribbons denote summa cum laude. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 2008 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement ceremony has been honored as the Distinguished Faculty Member of that particular college. This distinction is bestowed by the president upon the nomination of fellow faculty members.

UNIVERSITY HONORS: Students graduating with University Honors have earned 24 units of Honors coursework, achieved a minimum grade point average of 3.5, and completed a Senior Honors Project. These students have been awarded medallions for their achievement. Program notations are based on the students' records at the end of the fall 2008 semester. Official award of University Honors (which is indicated on the diploma) is contingent upon the candidate having met all university requirements and related criteria.

PHI KAPPA PHI: Among those participating in commencement ceremonies are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY AND DVDS: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed, with no cost or obligation, to participants. The university will also offer for sale, videos of each of the university ceremonies and also of Saturday's, College of Health & Human Development ceremony for the Departments of Kinesiology, Human Services, Public Health and Health Science, and Sunday's Mihaylo College of Business & Economics ceremony. All of these ceremonies are located on the same venue on the lawn north of the gymnasium. If you are interested in purchasing a video for any of these ceremonies, please view the webpage: www.fullerton.edu/commencement.

CEREMONIAL REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves – or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

GRADUATION WITH TITAN PRIDE: Cal State Fullerton is proud of the graduating class of 2009. Out of respect for each graduate, we expect graduates and guests to remain in their seats until the conclusion of each ceremony. We also ask that cell phones be turned off during the commencement events. Smoking and alcoholic beverages are not allowed at any of the commencement events.

EMERGENCIES: First aid stations are located in the parking lot of the Student Health and Counseling Center on the east side of the Titan Gymnasium, and on West Campus Drive west of the Stadium. If you need assistance, call 278-3333 or inform an usher or anyone at an information table.

SATURDAY, MAY 23, 2009

Jack O'Connell, (Cal State Fullerton Alumnus, 1973) was elected to a second four-year term as State Superintendent of Public Instruction in June 2006. As chief of California's public school system and leader of the California Department of Education, Superintendent O'Connell has focused on closing the achievement gap and preparing students for a rapidly changing global economy by holding high standards for all students. He is a strong supporter and facilitator of partnerships between schools, businesses, communities, and

philanthropies in order to engage students with challenging, real-world education experiences.

He has worked to smooth the transitions between all segments of education, from preschool to college or the workplace. As a former high school teacher and author of the legislation creating the California High School Exit Exam, he has led a comprehensive effort to increase rigor and improve student achievement in California high schools. Superintendent O'Connell is a proven team builder with the ability to forge consensus on contentious issues, especially where challenges are strongest. He has worked to fortify California's world-class academic standards, strengthen California's school accountability and assessment systems and bolster state funding for public school classrooms. He also has been a leader among state school chiefs nationwide in an effort to increase flexibility and fairness in the federal No Child Left Behind school accountability system. He is a long-time advocate for smaller class sizes, improved teacher recruitment and retention, comprehensive testing, and up-to-date school facilities.

Throughout his career, Superintendent O'Connell has worked to improve public education in California. As the author of numerous landmark education bills in both the California Assembly and the State Senate, he made quality education his number one priority. This commitment to the children of California earned Superintendent O'Connell the praise and the respect of colleagues and educators statewide.

SUNDAY, MAY 24, 2009

Hilda Solis was confirmed as the 25th United States Secretary of Labor on February 24, 2009.

Born in Los Angeles to immigrant parents, Secretary Solis was instilled with the values of hard work and education by her family early in life. She attended local public schools before being accepted to California State Polytechnic University, Pomona as part of the Educational Opportunity Program. She was the first in her family to attend and graduate from college with a Bachelor of Arts in political

science. She later earned a Master of Public Administration degree from the University of Southern California.

From 2001 to 2009, Secretary Solis served in the U.S. House of Representatives. Her priorities included expanding access to affordable health care, protecting the environment, and improving the overall quality of life for working families. A leader on clean energy jobs, she authored the Green Jobs Act which provided funding for "green collar" job training for veterans, displaced workers, at-risk youth, and families in underserved communities.

Her California environmental justice legislation, enacted in 1999, was the first of its kind in the nation to become law and secured protections for disenfranchised minority workers. For her trailblazing work on environmental justice issues, Solis became the first woman to receive the John F. Kennedy Profile in Courage Award in 2000.

In 1994, she made history by becoming the first Latina elected to the California State Senate. As the chairwoman of the California Senate Industrial Relations Committee, she led the battle to increase the state's minimum wage from \$4.25 to \$5.75 an hour and authored seventeen state laws aimed at combating domestic violence.

Secretary Solis was nominated by President Barack Obama to her current position and upon confirmation became the first Hispanic Secretary of Labor. She is currently the highest ranking Latina Cabinet member.

OUTSTANDING PROFESSOR

Mohinder Grewal, professor of electrical engineering, joined the faculty in 1975. Dr. Grewal is known as an inspiring and dedicated teacher; effective mentor to both students and faculty colleagues; a highly respected engineering professional, distinguished in the national and international academic and industrial communities as an icon in his field; a world renown author; a sought-after speaker; and a dedicated faculty member in his department, college and university.

Dr. Grewal is recognized worldwide for his writings. He has authored more than 50 peer-reviewed journal articles and refereed conference papers that have significant relevance to the research community. He has also co-authored two books about Global Positioning Systems and Kalman Filtering that are widely used and well respected within the electrical engineering community. In Engineering, a patent is the hallmark of ultimate innovation. Dr. Grewal has developed unique algorithms that have been successfully used in a wide range of applications and he has three patents that illustrate the value of his scholarly work.

The recipient of more than 28 awards and honors, Dr. Grewal received the Distinguished Engineering Educator Award from the Orange County Engineering Council in February 2009. In May 2007, he was listed by *GPS World* as one of "50+ GPS Leaders to Watch." In 1995, Dr. Grewal was installed as a Fellow of the Institute for the Advancement of Engineering.

- ♦ PRESIDENT'S SCHOLAR
- ♦ UNIVERSITY HONORS

ACKNOWLEDGEMENTS

The university's commencement ceremonies require the combined resources of many campus departments as well as the talents and expertise of faculty, staff and administrators. Those contributing to this year's ceremonies are:

OFFICE OF THE PRESIDENT

Milton A. Gordon *president*
Patrick Carroll
Vennita Jackson
Norma Morris
Cassandra Newby
Sandy Quintero
Leticia Stotler
Aaron Thomas
Robert Tran

ACADEMIC AFFAIRS

Ephraim P. Smith *vice president*
Mary Jo Medyn *commencement coordinator*
Judi Anderson
Lissa Camacho
Lee Bentley- Gonsalves
Davida Hopkins-Parham
Mark Garrabrant
Lisa Kopecky
Vincent Hernandez
Deepali Mehta
Maria Mezhinski
Michael Reeder
Eraj Shadaram
John Tambio
Kristina Wallace

STUDENT AFFAIRS

Robert L. Palmer Jr. *vice president*
Howard Wang *associate vice president*
Kandy Mink Salas, *dean of students*

Ryan Alcantara
Jackie Blyleven
Carmen Curiel
Lea Jarnagin
David McKenzie
Paul Miller
Juanita Razo
Pam Skawin
Rochelle Woods

ADMINISTRATION & FINANCE

Willie J. Hagan *vice president/ chief financial officer*
Bill Barrett *associate vice president for administration*

A COMMITMENT TO CIVILITY AT CSUF: As members of the University community, we are committed to ensuring an environment where learning and the creation and dissemination of knowledge are foundational goals and where freedom of speech and expression is viewed as an essential characteristic of a community of scholars. To reach these goals it is imperative that we foster a climate where civility is valued, appreciated, and expected and where all members of the community are treated with dignity, respect, and care.

“Civility” comes from the Latin noun *civitas* which has several meanings - namely “citizenship,” “the body of citizens,” “the city-state,” “friendliness,” “affability,” and “geniality,” - and, thus, may be equaled with courtesy--a style and manner that elevates human interaction and discourse. Civility is apparent when we are aware of the impact that our communications, practices, and behaviors have on others and when we acknowledge each person’s worth, cultural perspective and unique contributions to the community.

Establishing a civil climate is a shared responsibility of all community members - students, faculty, staff, and administrators. Civility is the expression of respect for others and for the tasks we share. It is best modeled through a willingness to listen to alternative views, respecting diversity and encouraging ideas. It is our belief that differences of opinion should reside within a framework of respectful discourse and lead to mutual understanding.

Therefore, we believe that civility is a cornerstone of our university mission and values, and we reaffirm our commitment to civility on the campus--both inside and outside the classroom. We will both individually and collectively strive to treat each other with dignity, respect, and care in all of our interactions.

Approved Academic Senate, 4/6/06

When California State University, Fullerton was founded in 1957 by an act of the state legislature, orange groves outnumbered residents, yet the university's founders envisioned an outstanding state college that would serve the future needs of the surrounding region. Today, as a vibrant public university with a global outlook, Cal State Fullerton has provided over 50 years of teaching, research and public service to California, the nation and beyond.

From the vigilant guidance of our first president, Dr. William B. Langsdorf, to the visionary leadership of our current president, Dr. Milton A. Gordon, Cal State Fullerton has soared, earning a crown of achievements to commemorate its fifth decade.

With an enrollment of more than 36,000 students and a faculty of 2,100 members drawn from throughout the world, the university has found strength in its numbers. From an initial offering of 41 classes for 452 students, it now offers thousands of classes in eight colleges as part of 105 degrees programs – 55 undergraduate and 50 graduate degrees – including a doctorate in education, plus numerous credential and certificate programs. Many of our programs have achieved national prominence because of our outstanding faculty and the achievements of our alumni.

Cal State Fullerton is known for its distinguished faculty, many of whom have garnered international and national reputations in their respective fields and who are actively engaged in a balanced combination of teaching, research and service. Nine faculty members and administrators have received the California State University system's prestigious Wang Family Excellence Award.

In an institution where learning is preeminent, we are proud that U.S. News & World Report ranks Cal State Fullerton No. 10 among the nation's Top Public Universities—Master's Institutions in the West.

Yet ranking alone cannot tell the Fullerton story. The university's global outlook is evident in the international agreements we have established with universities throughout the world, including those in Australia, Cambodia, Chile, China, Ecuador, Finland, Germany, India, Japan, Lithuania, Mexico, Peru, Taiwan, Thailand, United Kingdom and Vietnam.

As the university mirrors the expansive growth of this region, it also reflects the face of California's diverse population. We are particularly pleased that Diverse Issues in Higher Education ranks Cal State Fullerton sixth in the nation in terms of baccalaureate degrees awarded to underrepresented students. In fact, the university is ranked No. 1 in

California and No. 5 in the nation by Hispanic Outlook in Higher Education in its listing of the top 100 colleges and universities awarding bachelor's degrees to Hispanics.

Our growing university greeted the new decade with the purchase of the College Park building, and the College of Communications moved its operations to this facility. The new Kinesiology and Health Science building was dedicated, and, a year later, the new Performing Arts Center opened. The campus continues to grow: Steven G. Mihaylo Hall, new home of the College of Business and Economics, opened in fall 2008. The Student Recreation Center opened in spring 2008.

Our Irvine branch campus, located on a portion of the former El Toro Marine Corps Air Station in Irvine, serves the residents of central and south Orange County. Currently the branch campus has an enrollment of about 3,000 students.

But our success has not been limited to the classroom. "Titan Pride" has been the rallying cry to more than a dozen national team championships in seven different sports, including four winning NCAA Division I national championships in baseball (1979, 1984, 1995 and 2004) and one in softball in 1986.

Our proud alumni number more than 191,000 and represent thousands of leaders in many varied fields—opera singers such as Deborah Voigt and Rodney Gilfry; actors/directors/producers such as Kevin Costner and Marc Cherry; successful newscasters such as, Vikki Vargas; and our astronaut, Tracy Caldwell, who recently returned from space aboard the space shuttle Endeavor.

We are represented at nearly all levels of government by alumni legislators and representatives such as U.S. Congressman Ed Royce, California State Senator Lou Correa, and Santa Ana Mayor Miguel Pulido. Our alumni also include authors such as Elizabeth George and many who work in the entertainment industry—such as screenwriter and bookwriter Linda Woolverton, who authored "Beauty and the Beast—The Musical" and Elton John and Tim Rice's "Aida." And visionary leaders such as Dan Black, Jerry Goodwin, Steven G. Mihaylo, and Jim Woods who have and continue to make their mark in business and industry.

It is with the greatest pride that we acknowledge our achievements and prepare for our role to create endless opportunities for future generations—to discover, innovate, and achieve.

ONCE A TITAN, ALWAYS A TITAN

You may be graduating from Cal State Fullerton,
but you're taking your Titan Pride with you.

Learning is preeminent at California State University, Fullerton. We aspire to combine the best qualities of teaching and research universities where actively engaged students, faculty and staff work in close collaboration to expand knowledge.

Our affordable undergraduate and graduate programs provide students the best of current practice, theory and research and integrate professional studies with preparation in the arts and sciences. Through experiences in and out of the classroom, students develop the habit of intellectual inquiry, prepare for challenging professions, strengthen relationships to their communities and contribute productively to society.

We are a comprehensive, regional university with a global outlook, located in Orange County, a technologically rich and culturally vibrant area of metropolitan Los Angeles. Our expertise and diversity serve as a distinctive resource and catalyst for partnerships with public and private organizations. We strive to be a center of activity essential to the intellectual, cultural and economic development of our region.
