Hi, Sandra. Sure. It's good to see you. Congratulations on your victory. And in Texas, when you tell me about it.

00:16:28:04 - 00:16:48:27

Speaker 9

Well, thank you. Yes, it was it was so much fun. I had never been to Texas before and especially Corpus Christi over by the sea. The weather was not quite what I'm used to, but I got used to it after a while. It was really well organized. I have to say that much for it. The girls are great.

00:16:48:27 - 00:17:20:13

Speaker 9

I spent a lot more time with them than I did with the state competition. We went shopping, we went to a shopping mall. We recorded some songs at a audio place and that was fun. I think this crown meant a little bit more than the state when only because the girls, the other contestants really got to know me better and I got to know them better and no matter who would have won, we would have really been rooting for each other.

00:17:20:13 - 00:17:43:21

Speaker 9

And like I said before, that's what makes the Crown important is your friends and the support you get, not just the title. The reception was great at the airport. There was lots of people. I think I cried more at the reception than I did at the coronation. That was really nice and unexpected. At the airport. At the airport?

00:17:43:21 - 00:18:12:28

Speaker 9

Oh, people, my neighbors, friends from the J Forum, my sister and her kids. I was greeted with lots of warm hugs and flowers and my friend Dollar was there. Say hi, Dollar. Oh, that was really fun. We were on the airplane getting ready to get off, trying to get all prettied up so everybody would see me with the crown on what else can I tell you?

00:18:13:01 - 00:18:17:21

Speaker 9

But that was all. I had a great time.

00:18:17:24 - 00:18:32:03

Speaker 4

Well, Sandra, I want you to know that we were certainly all real proud of you. And we're looking forward to having you in our festivities here this year at the at the forum. And certainly we wish you luck in the future. Thank you very much. Okay.
