THE MASTER
PASSION
portrayed by a MASTER
WRITER! From the colorful
fabric of life he plucked an
thread which weaves ex-
tremity both of beauty
and romance—THE
HREAD OF
PASSION!

Is This All Women Are?

Women in the home working just as hard as men. There job and responsibility is there home and family.

Exercise is great for the body and health other than that it is too much work.

AGE!

My belief is that a woman is beautiful at any age! without makeup and sexy clothes when they are looking in the mirror. The flaws are what make a woman.
