

Second Session—Fresno Campus

July 29–August 30, 1974

REGISTRATION

Registration for the Fresno Second Session is held on the first day of scheduled classes. Students report to the cafeteria between classes to secure registration materials and to complete registration. Registration in any class after the first scheduled meeting is late registration, and the \$5 late registration fine is assessed. Registration Time Permits are neither required nor issued for the Second Session at Fresno or for short term workshops. All classes meet for the five-week period July 29–August 30, unless other dates are specified, and meet daily for the time indicated in the printed class schedule.

Students report directly to the room in which the class is assigned on the first day class is scheduled. (See class schedule in back of bulletin for room assignments.)

Registration for off-campus classes is generally held at the first class meeting at the location where the class is scheduled unless otherwise indicated. Classes held off-campus have various starting dates and are listed in the schedule of courses.

CREDIT

Second session students are permitted to register for a maximum of six units for credit during the five week session. However, students are cautioned if they expect to earn six units of credit they must use the full five weeks for classes.

REFUNDS

The amount of tuition fee refundable upon formal withdrawal from class varies with the individual class in the Second Session. See refund schedule for limitations on refunds. Class withdrawal forms and application for refund forms are obtained at the Student Records Office, Room 121, Administration Building, or in the Dean of Summer Sessions Office, Room 132, Thomas Administration Building. Students who withdraw may consult the Business Office, Room 183, Administration Building, in regard to the amount of fee refundable. Application for refund forms must be filled in the Business Office before any refund is made.

ADMINISTRATION

Henry F. Fricker, Director
