Players Guild presents 'Laugh Out'

By Stan Reshes

Remember classic television's "Rowan & Martin's Laugh-In," which spawned the careers of Goldie Hawn, Lili Tomlin, Ruth Buzzi, Henry Gibson, Arte Johnson, JoAnne Worley and so many others? Well,

Players Guild Workshop is presenting its own version of comedy with "Laugh Out."

Conceived and directed by Miriam Hasen, this production will feature not only comedy, but singing, dancing and musi-

cal parodies. Add to that some outrageous fashions and you can be sure you'll have an evening of laugh-out-loud entertainment.

The theme is "Great Moments in History and The Way History Should Have Been Taught in

Schools."

Refreshments will, as usual, follow a surprise finale.

Thursday evening, September 20, 7:30 p.m. in the AR: Come laugh with us!

Thank you, Showtyme, for putting on a wonderful show, "The Fantastic Diamond." The people were literally dancing in the aisles. What a show!

Please read our Classic Films tribute to Sarah Jane Koster on Page 3.

The Camera Club had a fine showing at the Ventura County Fair. A number of their award-winning pictures appear in this issue.

There is an interesting article on Older People on Page 8.

The Annual Pumpkin and Chili Festival will be here next month. It is a wonderful event to see and participate in. See Page 1.

The Players Guild's USO Camp Show had a standing room audience. We expect the same for "Laugh Out." See Page 1.

Please check the informative information that appears in our Realtors Corner on Page 7.

Showtyme will present "The Diamonds" on November 11. Tickets go on sale next month. This is another great show!

Pumpkin carving, chili contest returns

By Jerry Spector

The Third Annual Pumpkin Carving/Decorating Chili Cookoff will be held on Monday, Oct. 29, in the AR. This event is being sponsored by the Farmers Club, and Jerry Spector is asking for people to participate in the fun of decorating a pumpkin, participating in the chili cookoff and pumpkin dish contest and the costume contest.

There will be free refreshments, nice prizes and a lot of fun.

There will be a meeting on Wednesday, Oct. 3, in the MPR with details and to offer suggestions, give anyone assistance and answer any questions. Entry forms will be available in the Rec. Center office.

Please call Jerry to save a spot and let him know so he can have enough tables set up. Watch Channel 25 for more information. Also, if you are interested in volunteering some time to assist in this fun event, please contact Jerry Spector at 384-9039.

Jim Rongue had the Best Carved pumpkin in 2006.

Donations of \$6.00 each are payable by check

to L.V. Yom Kippur Dance to reserve your tables for a maximum of 12 per table and seats.

Tickets will be sold from 9 to 11 a.m. on Tuesdays, Sept. 11 and 18, and on Thursday, Sept. 20, and then from 1 to 3 p.m. on Monday, Sept. 10, and Wednesdays, Sept. 12 and 19.

To morning dog walkers

To morning dog walkers:

Are you aware that our bedrooms face Leisure Village Drive?

Are you aware that voices carry to both sides of the street?

Are you aware that between 6 and 7:30 almost every morning, three or more ladies congregate to stand and talk?

Are you aware that the dogs are quiet but the ladies' voices are loud and clear?

Please be considerate of those who are retired and wish to sleep later in the mornings. It is wonderful that you meet and have found friends. Perhaps you could meet in each others' homes instead of on Leisure Village Drive!

LETTERS

We want to thank Showtyme for one of the greatest shows we have ever seen, the tribute to Neil Diamond. We have never seen the audience so animated. The people were literally dancing in the aisles. We are looking forward to their next show in November.

— Libby & Charles
Pierce, V. 44

I have had the pleasure of watching Showtyme join the many groups and clubs that help to make Leisure Village such a great place to live. It has brought star-quality professional entertainment to us at affordable prices. It has made it possible for many people to enjoy a fine show without having to travel to Los Angeles or Santa Barbara.

The latest presentation on July 29, both the comedian and the Neil Diamond

show, made for a very enjoyable afternoon. The officers and active members of Showtyme have done a fine job. I hope they will continue to get the support they so well deserve and we can all enjoy the great entertainment they bring us.

Well done, Showtyme!
— Milt Mankoff, V. 17

If you missed Showtyme's show on July 29, you really missed an exceptional show. Bravo to Showtyme and a great big thank you to David Harris, president of Showtyme, for bringing us such professional and thoroughly enjoyable entertainment.

— Dori & Jack Prosen,
V. 41

I attended Showtyme on July 29 and want to say it was absolutely wonderful! We are fortunate to have leaders who obtain these out-

standing programs and at such a reasonable price! Congratulations to them for their efforts. We should always support them by attending.

— Irene Olson, V. 41

Great turnout, with parties dancing in the aisles! Fun for residents' humor!

— Denka Nelson, V. 18

Wow! What a show! Where can you go and see entertainment like what Leisure Village Showtyme provided on July 29 right here in our own village?

The comedian, the music, the whole package – all for \$10 – was first-class!

Can't wait for the next Showtyme presentation!

— Irene and Sherman
Garry, V. 26

Above and below, residents of Village 30 gather for their annual barbecue.

Village 30 hosts annual get-acquainted barbecue

By Stan Reshes

Village 30 held its 4th annual "Get Acquainted Bar-B-Que" on Saturday, August 11.

Begun in 2004, this event continually gets more popular as 39 residents showed up for the festivities. Attendees were treated to hamburgers and hot dogs (with all the trimmings), two salads, fruits in a watermelon basket created by artist Joe Foraker, and sinful desserts by Anita Ogroskin and Helen Barbe. Chefs Gerald Rosen

and Stan Reshes manned the barbecue. Loretta Reshes, Joan Rines and Marilyn Foraker did the hard work of setup, and Marilyn acted as Mistress of Ceremonies, having each resident give their original hometown and occupations.

The organizers are shooting for 100 percent participation next year, and if this year's event is any indication and health allows, it very well may happen.

BETTER BREATHING

By Lorraine Comer

Summer is almost over, and it's time to get back doing the things we need to do with all of the holidays coming.

So, once again I remind you to remember better breathing techniques that will help you get things

done a little easier. If you need a refresher, let's get together and discuss taking care of ourselves.

As you know, during each session, we discuss improving our breathing patterns so that shortness of breath does not become a problem. Again,

if needed let's get together to practice good breathing techniques so that daily chores become easier to accomplish, leaving more time for fun.

Hope to see all of you the second Wednesday of the month at 10 a.m. in the Sun Room.

CLASSIC FILMS

Tribute to Sarah Jane

Bob Koster has given Leisure Village many hours of pleasure. His classic movies have always been enriched with his personal experience in the film industry, an added treat before we see the shows. They are more enjoyable with the insight into the actors' lives and the production.

Bob's contribution and guidance to LVTV through the years has been priceless, and we thank him for that.

It is therefore the editor's choice to depart

from a simple memorial and extend our heartfelt sympathy to Bob since the untimely passing of his lovely wife, Sarah Jane.

The tributes paid Sarah at the memorial service from her family and friends were beautiful — as was the service.

Amazingly, everyone felt the same about Sarah, and everyone who knew her feels the loss of her presence.

Bob's classic movies will be suspended for awhile.

SPIRITUAL GROWTH GROUP

Non-denominational Bible Study meets in private homes on Tuesdays at 9:30 a.m., led by local pastors. We start the fall season on Sept. 11 at Mary

O'Donnell's house in Village 19. All are welcome. For information, call Bernice Jenkins at 484-1106 or Marja Graab at 383-2094.

Shultz celebrates his 95th

By Stan Reshes

I'm pretty much a cynic when it comes to myths, but I'm convinced that if there is such a thing as the Fountain of Youth, it is right here in Leisure Village. All I need do is look around at our vibrant residents here in the Village as they absolutely defy age.

A perfect example is Manny Shultz, who celebrated his 95th birthday.

You'd insist he take a lie detector test if you met him for the first time and he told you his age. But what a history Manny has!

Born July 25, 1912, in Russia, Manny and his mother, two sisters and younger brother attempted to escape the countless pogroms and join their father, who had managed to emigrate to the United States earlier to avoid conscription into the Russian army. But it was an arduous journey, the family having to bribe their way through Poland.

After a tortuous three years of exhausting all their worldly goods, including a wealth of silver, they managed to make their way through Belgium and board a ship to Ellis Island and the United States. But even then, tragedy dogged the family, as one of Manny's sisters was refused entry because of a physical malady. Sent back to Russia, she became a victim of the Nazi atrocities against Russian civilians.

During the Depression, Manny drove a laundry truck for a linen company and delivered in Bel Air and Beverly Hills, the wealthiest neighborhoods of Los Angeles.

Manny joined the U.S. Coast Guard in 1943 and served until the end of World War II. His younger

brother, also serving in the U.S. Armed Forces, was killed in action.

Manny's family moved to Los Angeles in 1946, and on a blind date, Manny met his future wife, Myrtle. They were married six months later.

In 1949, Manny took a partner and went into the furniture manufacturing business until he retired in 1974 — but not for long. In 1975, Manny decided to become a dental technician and graduated from

dental college two years later. That career lasted only a short time, and the jack-of-all-trades finally took over a jewelry business until his final retirement in 1981.

That year also brought Manny and Myrtle to Leisure Village.

Myrtle passed away in August 2006, but Manny still remains active, defying age and astounding his many friends with his boundless energy.

Celebrating Manny Shultz' 95th year with a birthday dinner are poker pals, standing, from left, Marty Simons, Max Silberman, Stan Reshes and Harry Schwartz, and, seated from left, Joe Dishlip, Manny himself, Alvin Belsky and Phil Belsky.

REALTORS CORNER

The right coverage

**By Dave Barlow
Barlow Williams Realty**

We encourage all Villagers to review their homeowners insurance policies. We've been made aware of a few cases recently where Village homeowners have had problems and needed to make a claim, only to find out they didn't have the coverage they thought they did.

Here is where the biggest problem may be: The association has made changes to the Master Policy over the years, and if your policy, which is a complementary policy to the master, has not been updated since those changes were made, then you may not have the coverage you need or want.

This means that even if your policy was written just a few years ago, you should still check.

Also, if you rent, don't assume everything is covered by your landlord. It is not! You need a renters policy to cover your personal property.

We are not insurance experts, so we don't have all the answers, but we know people who do. Call our office if you need a recommendation for someone to help you with this.

Another thing you might do while talking to an insurance expert is to educate yourself on when to make a claim on your policy and when to maybe not. Remember, most homes, even here in the Village, are purchased

with loans, and lenders only give money when they are happy with the insurability of the home. The insurability of the home is affected by past claims, etc.

We hope you will act on this important information.

ON THE LIGHTER SIDE

George Phillips was going to bed when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window.

George opened the back door to go turn off the light but saw that there were people in the shed stealing things.

He phoned the police,

who asked, "Is someone in your house?" and he said no. Then they said that all patrols were busy, and that he should simply lock his door and an officer would be along when available.

George said "OK," hung up, counted to 30 and phoned the police again.

"Hello, I just called you

a few seconds ago because there were people stealing things from my shed. Well, you don't have to worry about them now because I've just shot them."

Then he hung up. Within five minutes,

three police cars, and armed response unit and an ambulance showed up at the Phillips' residence and caught the burglars red-handed.

One of the police officers said to George,

"I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

Moral of this story: Don't mess with old people.

The occasion may arise when investors need to decide whether to invest now or to defer investing to a later date.

How should you decide whether to act or wait? While interest rates are impossible to predict, it is possible to estimate the risks and rewards of acting or waiting.

Our report, *Municipal Insight: The Cost of Waiting*, helps provide an objective framework to use when evaluating different municipal bond investment options. Of course, the decision to invest now or later—like all investment decisions—depends on your specific situation.

Village coordinators needed for ESO

By Loye Bohannon

This is why more Village Coordinators and volunteers are needed for disaster preparedness and the Emergency Services Organization:

- Some of our villages are underserved in the event of a disaster because no one has volunteered to serve as an ESO Village Coordinator or phone helper (assistant to the Village Coordinator).

- Traditional community resources — for example, fire-rescue personnel, paramedics, Red Cross — could become overwhelmed in a greater emergency or have access to Leisure Village blocked by damaged freeways and roads and thereby be unable to provide services on a timely basis.

- The mission of ESO is to provide immediate emergency response in the event of a disaster. In order to best accomplish its mission, the ESO must be fully staffed and as well trained and rehearsed as possible.

- Playing a key role in disaster preparedness and emergency response, ESO Coordinators meet with residents, especially new ones, attend monthly meetings and take part in radio checks and periodic Disaster Preparedness Exercises (DPX).

- Participation in ESO requires only a very few hours each month. In addition to providing a very important service, there are many opportunities for meeting people and for making new friends!

- ESO needs your help! To volunteer, please contact Hanna Huber, Chairperson of the Emergency Services Committee, at 383-8062 or hhlv@verizon.net.

Camera Club members bring home Fair awards

By Jerry Spector

The Leisure Village Camera Club entered 54 pictures in the Ventura County Fair photography exhibit and once again came home with prize winning ribbons.

Jerry Spector had a third-place winner in the Special Effects division and two honorable mentions, one in the Patriotic division and the other in the Picture Through a Frame division.

Marlene Votion had a third-place winner in the People division.

Honorable mentions went to Don Treadwell for the Shadows and Reflec-

"Three In The Sea" captured third place in the People Division for Marlene Votion. More winning photos appear in this edition on pages 20, 24, 26, 27, 28 and 30.

tion division, Jerry Cohen for the Architecture division and Judy Spector for the Open division.

This was a great showing from the Camera Club, as there were more than 2,100 pictures entered from all of the Ventura County area.

As president of the Leisure Village Camera Club, I am very proud of all the photography our members display. The Camera

Club has had winners in the Ventura County Fair for the past 30 years, ever since this club has been in existence.

If you would like to join this active award-winning Camera Club, contact Jerry Spector at 384-9039 or attend one of the meetings held in the MPR on either the first or third Wednesday of the month at 7 p.m.

**St. John's Regional Medical Center
is Ready to Serve the Community**

Dear Leisure Village Residents:

For nearly a century, St. John's Regional Medical Center in Oxnard has earned your trust by delivering high-quality, compassionate care to the communities we serve.

We are happy to report the hospital has completed our mold treatment process and all hospital services are available once again.

Federal and state agencies confirmed that the hospital is safe for reoccupancy. The State of California Department of Public Health has approved our reopening.

St. John's would like to express our thanks to our communities, local hospitals, emergency response personnel, public safety, and government and regulatory agencies for their cooperation.

As you visit the hospital, you may notice some continued building activity, all part of regularly scheduled repair and improvement projects.

We are delighted to serve you again and we look forward to continuing our mission of healing and providing the high-quality medical services that you have come to expect from us, for many more years to come.

On behalf of the Sisters of Mercy and the entire St. John's healthcare team, I wish you a warm welcome back from our family to yours.

Sincerely,

Showtyme

By Phil Kamens

For Monday, Sept. 17, at 7:30 p.m. in the AR, we will have a Baby Boomers Plus-comedy hour featuring three very clean, very funny comedians: Jack Rothman, Carole Gordon and Wes Martens.

This is what other groups have said about this very funny trio.

"They are like fine champagne, a mature wine that bubbles."

"A polished and inspiring performance."

"The laughter could be heard a mile away."

"It is something different. They are very clean and very funny."

Hope to see a large turnout for this one.

I would like to take this opportunity to explain our membership and the reason it is so important. Simply put, the larger the membership, the better the monthly shows. Membership is \$5 per person per year, and for that, you get nine free monthly shows, free dessert and coffee at each show.

You also get tickets to the big show three times a year for \$10 per ticket. Non-members pay \$13 per ticket. Total membership money is spent on the monthly shows, so again I say: We need members!

Stewart Rose gave us a wonderful show at our last meeting. His baritone voice and sense of humor captivated the audience.

The Village is still talking about the "Fantastic Diamond" show. We were literally dancing in the aisle. Great show!

In November we will have "The Diamonds," a fantastic singing group. This show will be a big hit. Do not miss it.

Kudos to David Harris for bringing these wonderful shows to the Village.

L.V. New York Club

By Gerry Schulman

The annual picnic held on August 5 was a huge success. Kudos to Harriett Schwab for a job well done.

The show on September 6 featuring Tatjana was excellent, as always.

Thanks to Phil Kamens. It is amazing how he comes up with such wonderful entertainment show after show. Thank you, Phil.

We will be having our annual Ice Cream Social in October. More information will be given at a later date. Please check your New York Club Newsletter. Articles are still needed

for the New York Club Newsletter. Any article that pertains to New York is fully acceptable. Send all articles to Sheila Bachelis at the following e-Mail address: sheilaghb@aol.com or call her at 389-7631.

Leisure Village Travel

By Eugene Foxman

We need to remind our guests to park their cars in the East parking lot against the trees to avoid getting cited. The idea is to be as far from the Rec Center as possible.

We went to the Hollywood Bowl last month for an enjoyable performance of "South Pacific." And our bus to the Chumash Casino was full. We'll repeat it again in the near future. Watch Channel 25 for that and other trips.

The following trips are being sold now:

- Huntington Library, September 9.
- Pechanga Casino/Lawrence Welk, September 25-26.
- Big Bear Oktoberfest, October 14.
- Laughlin's Edgewater Hotel, October 22-24.
- Caribbean Princess Cruise, November 3-11.
- Mexican Riviera Cruise, December 29-January 5.

Please drop by the Travel Office and pick up the latest travel bulletin. You can also find the itineraries of the trips being sold currently. Our regular hours are 9 a.m. to 11:45 a.m. Tuesday, Wednesday and Thursday.

Call us at 484-8062 when the office is open for further information.

L.V. Mens Golf Association

By Mannie Abbate

The next monthly meeting of the LVMGA will be held on Tuesday, Sept. 11, at 2 p.m., with social time starting at 1:30 p.m. Try to introduce a new resident golfer to see why he should join the LVMGA.

The ladies hosted the

Tee Timers Luncheon after the Tee Timers Mixed Tournament on August 15. We had wine, soda and coffee and a great chicken "dinner" with rolls, salad, beans and dessert. This was all purchased, prepared, cooked and served under the direction of Meriam Laird and her team of ladies, assisted by a few of our men.

Prizes were awarded to the winners of the golf match played in the morning.

We play tournaments every Tuesday morning at our home course. John Palmer, our 2nd VP, has introduced another reason why LV men should join the LVMGA. After the ninth hole, and again after the 18th, refreshments are now available on the first

tee patio. A donation pot is available to finance this new venture, and John expects this to continue as long as the donations are sufficient to cover the expense involved. Hey, there's no free lunch, you know!

The LVMGA is becoming more and more like a country club — and all of this for \$10 a year!

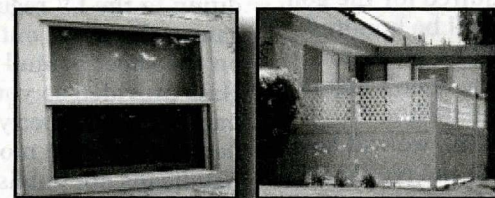

On September 27, we play at Mountain View Golf Course. The greens fee is \$23, and you pay for the cart at the course.

Mark your calendars for the Harvest Golf Tournament and Picnic on Tuesday, Sept. 25. This event will be hosted by LVMGA for the men and women golf members and

their families. Advance sign-ups will be required. Tickets are available at the golf course Tuesday and Wednesday mornings. Continental breakfast starts at 7:30 a.m. There will be a putting contest during the breakfast and a mixed golf tournament thereafter. A \$1.00 entry fee is required for the golf. Pairings will be honored. There will be separate men and women's flights and mixed flights.

At 1 p.m., we will have a picnic in the picnic area. Tickets are \$5.00.

There will be a barbecue with hamburgers, hot dogs, baked beans, salads, dessert and beverages — beer, wine and soft drinks.

You are again reminded that checks for the regulation golf tournaments should be placed in the white box behind the glass doors next to the Ladies Golf Shack, not in the brown box over the water fountain. That one is for dues and LV scorecards only!

Your games at regulation courses played in addition to the LV regulation games should be entered on the sheet behind the glass provided so your handicap is properly reflected when the monthly handicaps are published and posted.

Watch LTV on Channel 25 or Channel 861 and look at the bulletin board at the golf course for further social and tournament information.

Women's Club

Following our October general meeting, the entertainment will be the fabulous Tatjana, who will be doing who knows what! She will cook up some fun for us on Thursday, Oct. 4, in the AR at 1:30 p.m. Come and have a good time. Charge to guests is \$2.00.

The Workshop is progressing nicely on Tuesdays in the MPR between 9 and 11 a.m. We have handmade items, retro jewelry, See's Candy Certificates and lots of social time. Everyone is welcome.

Please save labels from

products by Campbell's, Franco-American, Pepperidge Farms, Swanson, V8 and Vlasic. These are donated to local schools and are eligible for redemption in a Labels for Education Program. Bring them by the Workshop for collection.

Shuffleboard Club

By Mary Barkemeyer

Thanks to Susan Rockwell and her staff, the resurfacing of the lanes is making a big difference in the ease of driving the discs. Now members of the club, assisted by other helpers, are buffing and smoothing the discs. This is a job, as we are sanding manually and find it takes nearly 15 minutes per disc to do a thorough job. Keep this in mind as you

play so the discs will stay slick. Pick them up if they fall on the cement, do not scoot them and treat them kindly, please.

Also, step on the lanes only if absolutely necessary and then only if you are wearing rubber-soled shoes. Watch LVTV for an open house when all is in order.

The new improved lanes are giving members improved scores. Among those breaking 200 are Jan Tamburro, 214; Pam Peedan, 212; Diane Hawrylo and Kelly Peedan, 210 each; and Susan Kusak, 202.

Competition is growing. Can you do better? Come and try on Wednesdays at 9:30 a.m. There is always space for you.

For those who do not know what the game of "War" is, it is simply try-

ing to hit the opponent's disc to keep them from scoring. Naturally, that keeps both players from getting high scores. So far, we are just playing and practicing, but we hope it will soon become more challenging.

This past month, Jan Tamburro baked a cake to celebrate Kelly Peedan's surprise birthday. We broke in the middle of the games, munched on cake and found our play had improved with all the morning sugar!

Our picnic this year was held on Saturday, July 21. Eighty-eight members were in attendance and enjoyed hot dogs, ham-

burgers and all the trimmings. Our thanks to Jan Merriman, Rene Allie and the many volunteers who made this event a great success.

Our next meeting will be held on Friday, Sept. 7, at 2 p.m. in the Multi-Purpose Room. We will have a guest speaker, and the topic of discussion will be fall planting.

Our monthly meetings will follow the September 12 tournament. The board meeting is at 1 p.m. and the general meeting is at 2 p.m. in the AR. Don't forget the "social time" at 1:30 p.m.

We all feel the loss of Mel Ducharme on July 15. An impressive memorial was given by his family in the MPR, at which time the family announced that they wanted to donate Mel's expensive pool table to the Boys and Girls Club of Camarillo. A memorial fund was collected to pay for the expenses of moving the table to the Boys and Girls club. Mel's stamp of approval will be "absolutely fantastic."

We regret to report that Jules took a turn for the worse the following day and is back in the hospital. We all wish him well and a speedy and full recovery.

International Folk Dancing

By Raye Gabriel

On Mondays from 12:30 to 2:30 in the AR, Valerie Daley has new dances to teach us and old ones to review.

How delightful she makes it all seem to do dances from all over the world!

The ethnic music stimulates enjoyment in the pure physical activity, which you are welcome to join. Call 384-9620 or 383-0130 for information.

Writers Club

By Lois Keeler

The Writers Club meets every Monday at 1 p.m. in the Sun Room. We are always looking for interested people to join us. We are fun, friendly and we welcome new members. Writing is our

real purpose, but we like listeners, too.

Our members all have different styles of writing. We have a suggested topic every week, but you can write about anything you want: experiences in your life that are funny, clever or just interesting; someone who influenced you; a special trip; a story about anything; profound or silly poetry. It's all welcome.

We listen to short stories or long stories that have to be continued. Come see us in action.

L.V. Bowling League

By Lucy Fiore

Our 2007-08 season will begin September 7. This year, we had enough bowlers joining the league

to make up 18 teams. We are always looking for subs. If you are interested, call Bob McQuivey at 384-0577.

We are looking forward

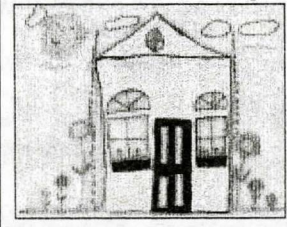

to the annual RV Club picnic. The date is Oct. 20, the time is noon and the cost is \$10 each. Call Shirley Jewett at 987-9074 for tickets.

There is no campout this month. I guess too many RVs are out giving their owners a vacation.

Village Painters

By Aurelie Zachary

Lindy Stein, a Village resident and member of Village Painters, was invited by the Westlake Village Art Guild as one of six artists to represent their group in the 3rd Annual Members Show through Sept. 21.

The show, presented by the Arts Council of the Conejo Valley, is at the Hillcrest Center for the Arts, 403 W. Hillcrest Drive, Thousand Oaks.

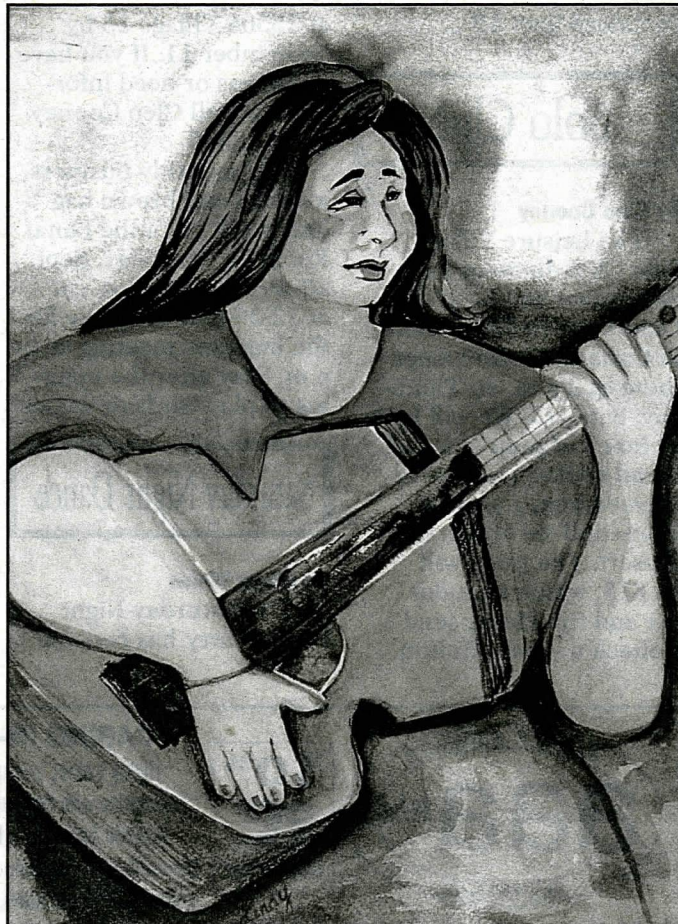

Lindy's watercolor painting on display, "Sad Song," was a first-place winner for Peoples Choice Award.

Lindy has been building an impressive resume that includes first place and nomination for Best in Show at the 2006 Ventura County Fair for her pastel painting, "Pooped Pooch."

Our August 1 picnic was most enjoyable. Tables were decorated with colored tissue paper flowers designed by Marge Curry and shaped by Marge, Irene, Maija and Aurelie at the Monday afternoon art workshop. The food was good and there was plenty of it. There was a drawing for door prizes and a guessing game by Marge Curry.

This year, only one member submitted art work at the Ventura County Fair. Aurelie Zachary entered four paintings and won two awards: first prize for her first acrylic painting, "Tree'd" and Honorable Mention for her pastel, "Grapes on the Vine."

Pictures in the library for the month of Septem-

Lindy Stein's "Sad Song" is currently on display.

ber are by Mike Mancusi. In the past, Mike won prizes at the fair for her watercolor paintings.

We encourage anyone to join our Monday afternoon workshop in the Lanai room. Supplies are available.

Square Dance

By Raye Gabriel

Tuesdays from 7 to 9 p.m. in the AR, Arlen Miller sings our calls to

melodies we long remember and delight in.

What a way to make new friends and dance with kindred souls. It helps keep our bodies in shape in a non-injurious way, and we have fun, too!

If you haven't square danced in a while, you will have the time of your life. You are most welcome to join us.

Refreshments are served. Call 987-2865 or 484-9928 for additional information.

Saturday Night Dance

By Milan Weiss

The Saturday Night Dance Party has become

a night for party people. August was the month. Some events will repeat, some will not. So that this won't be a mystery to you, here's the dish on a few of the nights.

Suzan Burke had her family here for a party — her daughter Janice and her husband Mark, who live in Camarillo, her son Tim and his wife Enedina from Newbury Park, her other daughter Nancy and her husband Tom from Antioch. What a nice get-together to have these wonderful, friendly people here. And, as a counter-

THE GOLDEN YEARS

Continued from 20

point to this evening, Roger Snow was dancing with Betty Herrmann. Roger was wearing a "skirt" and Betty Herrmann was wearing "pants!" Roger claims it was a Hawaiian "skirt" he bought in Hawaii for a special occasion. Well, believe it or not, this could change the entire demeanor of the Saturday Night Dance Party. Don't hold your breath!

Bill and Sandy Foeller had a wing-ding of a party night. They invited a group of their friends that they socialize with regularly. The party was in celebration of the 23rd wedding anniversary of Jerry and Carrol Loudermilk, with family and friends from all over Ventura County attending. They filled up four tables. And if you know the Foellers, they whoop it up big time, and this was Western Night, double whoop-whoop podner!

That night a popular western star was sighted, Conrad Kaiser, who was sashaying around the dance floor leading his popular and lovely wife, Therese. They were lookin' good for a couple who had just come in from the range.

There was also a hero of the big one, World War II, Bob Hinkel, there. Those who know him call him "Top." That's for top gun, and that's the truth! He takes Patty Andrus around the dance floor like a whirlwind, and she's

a real live Texan who adores Bevo, that wild steer at her alma mater, the U of Texas.

Barbara Ohmstedt's birthday was a real celebration. She is some dancer! Some claim her best dance is the fandango, but don't question her on that because she is very modest about her dancing. If she could dance ballet, she would be a prima ballerina. And could she make a tutu look good! Happy birthday, Barbara!
