

ENVIRONMENTAL
COALITION
P. O. Box 68
Ventura, Calif. 93001

November 5, 1973

Dear Fellow Environmentalist:

Through your present or past membership in the Environmental Coalition you have indicated your concern for the preservation of the resources of Ventura County and the need for an effective citizen organization to support sound planning policies. The Coalition has proven its effectiveness time and again in addressing the important planning issues before planning commissions, city councils, numerous state and federal agencies, and the board of supervisors.

But as with most citizen organizations we depend upon public financial support to continue our efforts. The Coalition is in a particular time of need at the present time. Won't you please support us by purchasing the enclosed tickets and attending our fall fund raiser, Saturday, November 17th, as described in the enclosed flyer?

Come and enjoy sangria and the tantalizing harvest buffet, and at the same time have the opportunity to meet and exchange views with representatives of local government, and other Coalition members as well.

Enclosed are two tickets and a pre-addressed envelope for advance payment. Even if you are unable to come, why don't you introduce a friend of yours to the Coalition by encouraging him to attend?

We hope you will assist us in this effort to help the Coalition continue to fulfill its vital role in the community.

Sincerely,
Richard Brecunier
Richard S. Brecunier
President
