

ELECTION 2018

The Candidates for Your Board of Directors

■ LIN GRANT

Lived in Village: 11 years.

Committee and Club Experience: Currently serving on the Buildings and Grounds Committee and Emcee for the Welcome Committee receptions. Has served on the Nominating Committee. Past President of the Boosters Club, Vice President of Mavericks and the Chairman of the Women's Club Fashion Show.

Board Experience: Served on the Board of Directors, one year as Director at Large, one as Secretary, two as Vice President and four as President.

Goals as a Director: My goal as a fiduciary is to maintain and enhance this paradise we call home. This is never a singular accomplishment and can only be achieved when the entire Board is focused on stepping outside their own interests to do what is best for entire community. I believe I have the right balance of expertise, education and energy to play a part in the resolution of the challenges we face as a community. I have previous experience with the governing of LV and still believe I can make a contribution. Call/question me at 714-878-7323. I hope I can count on your vote.

GRANT

■ HAROLD HOWARTH

Lived in Leisure Village: 13 years

Committee and Club Experience: Serving on the Travel Committee and the Ed. & Rec. Committee.

Board Experience: Served on an HOA Board in Orange County.

Goals as a Director: I am running because I feel the Board needs to be more transparent and needs to listen to its homeowners while maintaining its fiduciary responsibility to the Association.

HOWARTH

■ GEORGE JONES

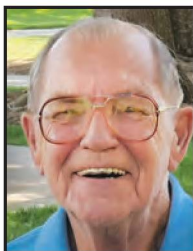

Lived in Village: 7 ½ years

Committee and Club Experience: Finance Committee chairman; in charge of Duplicate Bridge

Board experience: Served on Boards in other communities

Goals as a Director: Most residents I have talked to raised the same 4 issues - trees/landscaping, the paint project, future assessment increases, and poor communication between the Board and the residents.

It takes 3 votes to fulfill most campaign promises. If elected, I can promise to improve communications. Each month I will host a "Listening Post" at the Rec Center where I will meet with residents and discuss current issues, dispel rumors, etc.

JONES

Finally, my two years as Finance Committee Chairman uniquely qualify me to make the best possible decisions when it comes to spending LVA money.

I would appreciate your vote!

■ DON MARQUARDT

Lived in Leisure Village: 10 years

Committee and Club Experience: Committees: Architecture; Ed & Rec; Buildings & Grounds; Landscape; Long Range Planning; Clean Energy
Clubs: Men's Golf; Women's Club; Billiards Club; Mavericks; Woodshop

Board Experience: Served six years on the Board of Directors, holding offices of Director-at-Large, Secretary, Treasurer and currently Vice President

Goals as a Director: I moved to Leisure Village 10 years ago and have been involved in most aspects of the Village, from long-range planning, project and landscape design, recreation and finance—including 6 years on the Board of Directors, serving as Secretary, Treasurer and currently Vice President. My professional experience is in city government. This background helps me to better understand the administration of a small city like ours. Serving on the Board has been challenging, in meeting our Village needs while keeping assessments down. However, I enjoy the challenge and hope to continue the work, including implementing the 2016 Master Plan.

MARQUARDT

■ BEVERLY VANDERMEULEN

Lived in Leisure Village: 14 years.

Committee and Club Experience: Currently serving on the Finance Committee and a member of Mavericks.

Board Experience: I have not served on a Board of Directors; I have served in officer positions in public and social organizations.

Goals as a Director: I want to use my background in property appraisal, budgets, and process improvement to bring better accountability and communication on LV projects to association members. First, foster looking at all alternatives and report the process and reasons of decisions to the members. Second, identify ways to increase communication from members such as short polls, suggestion boxes and other means. Finally and fiscally, I want to inventory and prioritize maintenance items and track their increased costs. Spend this same time exploring ways to adjust and reduce expenses to balance increases. Keep HOA increases as low as possible and association members informed.

EDITOR'S CORNER

This month is very important for Leisure Village. On June 21 we will elect two new members to the Board of Directors. Five candidates are running for election to the two seats on the Board, and Inside Leisure Village is providing a glimpse of the individuals seeking election. It is very important that every owner determine which candidates meet their objectives for overseeing the community government and vote for those individuals. The Board of Directors is our governing body and the people elected will be participating in making significant decisions that will affect the community for years to come. It is an important vote for all

— Tim Palmer

DON'T FORGET TO VOTE IN UPCOMING BOARD OF DIRECTORS ELECTION

With the election less than a month away, it's important that LV homeowners be prepared to vote for two members of the Board of Directors. There are two methods for voting: by absentee ballot or casting a ballot in person before the Annual Meeting on June 21st at 10:00 a.m.

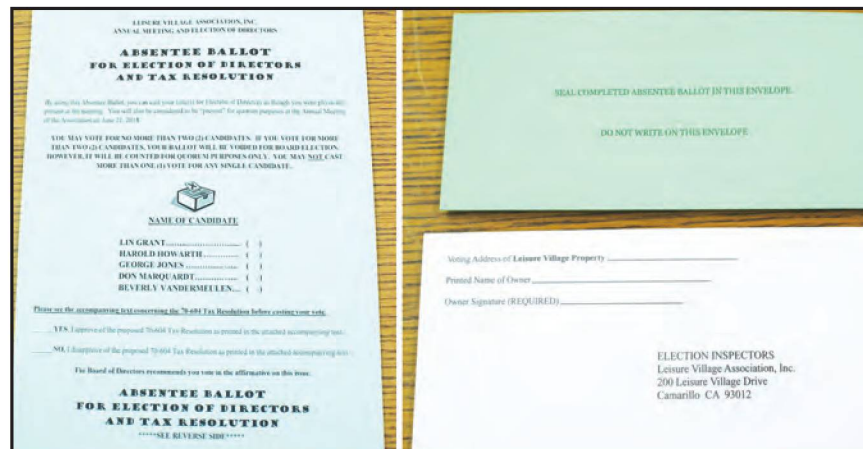

Voting is crucial. If a quorum of 1069 ballots is not received by 10:00 a.m. on June 21, the election cannot proceed.

The vast majority of residents vote by absentee ballot – a somewhat confusing name for the ballot that each of the 2136 Village homes receives in the mail. By now, all homeowners should have received those ballots. They were mailed from the Association Office on May 17. The packet contains a green ballot, a green envelope, and a white envelope. Here's how to correctly vote by absentee ballot:

1. Mark the green ballot with your choices for two directors. Don't vote for more than two, and don't vote for one candidate more than once. Also vote either for or against the 70-604 Tax Resolution also on the ballot (and explained in the packet).
2. Do not sign the green ballot. That will void your vote.
3. Place the marked green ballot in the green envelope and seal it. Don't mark or sign it.
4. Place the sealed green envelope in the white envelope and seal it.
5. Print your LV address on the white envelope and sign that envelope where indicated

Drop the completed ballot-filled white envelope in a ballot box either in the Rec Center Lobby or in the Association Office. Or mail that envelope to the Association Office.

All absentee ballots must be received by 5:00 p.m. on June 20 to be counted. Homeowners who choose to vote in person on June 21 must obtain a ballot that day in the MPR between 8:00 and 10:00 a.m.

All homeowners should have received by mail the ballot and envelopes necessary for voting in the LV's 2018 Election of Directors and Tax Resolution.

Villagers Patty and Bob O'Connor say their reward as CASA volunteers happens "Each time the child comes to trust and depend on us."

Villagers Honored For Their Work with Abused and Neglected Children

By Patty Ecker

Children have been at the center of Patty and Bob O'Connor's life for decades. As parents, as teachers, and as a pre-school owner, this Village couple is driven by one question: What's the best for the child? That explains their hard work and commitment to CASA, Court Appointed Special Advocates, a program that aims to provide a "consistent adult" to support abused and neglected children removed from their parents by the courts. The O'Connors are long-time CASA volunteers, and this month will be honored by the organization with its highest service award.

Patty and Bob signed up nine years ago. The needs of kids removed from their homes because of a substantiated allegation of parental abuse or neglect got their attention. "The judge appoints a CASA to the children," explains Patty. "These kids have been hurt in some way, which leads to their being separated from their parents to a foster home or a qualified family member, or an emergency facility." From then on, Patty and Bob spend more time with their CASA kids than almost anyone else does, more than a social worker or court personnel and sometimes more than their parents who only see them in supervised settings.

The O'Connors say their goal is

to build trust with the children; they take those from 4 to 12 years old, usually sibling groups. Their CASA relationships can last a long time, sometimes more than two years. "We go to their schools, visit their foster placements, and, as we say to them, we go on lots of adventures," Bob says. "The Reagan Library – particularly Air Force One – is popular. McDonald's is a big hit, and the Moorpark College Zoo. None of our CASA kids had ever been to a zoo." Over the years, Patty and Bob have been CASA advocates for 13 children. They estimate they spend about 20 hours a month "becoming an integral part of the child's life."

It's not all outings. The O'Connors go to court with the children and sometimes speak for them. "We ask if there's anything they want us to tell the judge," Patty says. "Sometimes they say 'Tell the judge I said hi,' or 'I don't want to see Dad.' We work hard to become the consistent adults they can count on."

CASA of Ventura County currently has 156 active volunteers, a waiting list of 356 children, and need more resources to support their mission. That's an important message of the CASA Gala Fund Raiser on June 14. The other message is to honor Patty and Bob O'Connor with the 2018 "Spirit of CASA" Award because, as the honor states, they are "ordinary people doing extraordinary things."

COUNTRY WESTERN AND LINE DANCING RETURN

A familiar event with a new name will be back on Village calendars when the Country Dance Club – previously the Country Western Dance – returns in June, bringing Two Step, Swing, and line dancing opportunities to Villagers. The Dance Club joins the regular line-up (no pun intended) of LV dances on Friday, June 29 at 7:00 p.m. and will be scheduled regularly on the fifth Friday of each month that has five: August and November.

For those who have never tried line dancing or may be a little rusty with the slip, slip, slide, a new weekly

line dance class begins in the Village just in time for this first event. Its teacher, Villager Mary Kelley O'Toole, says it will be "FUNdamental. I want to teach people how to do the basics steps of line dancing," she explains. "This is the class for people with two left feet, folks who've seen the dance but don't know any of the steps, who are beginners, people who want to have fun on the dance floor." The class begins on Wednesday, June 13 in the Santa Rosa Room from 3:00–4:30 PM.

The goal is to teach the fundamentals so that "You can dance to

any song," Mary says. She and her husband Marty moved to Leisure Village last year from the Boston area, where she was an aerobics instructor and activities coordinator. She says she comes from a family of dancers; her mother owned a dance studio, and her sister also teaches line dancing.

The "new" Country Dance Club will feature DJ's "Jammin' Country", and the cost will be \$7. Sharon O'Connor's Advanced Line Dancing Class continues on Friday afternoons. And for beginners, Mary O'Toole says, "I'll be teaching the fun of it on Wednesday afternoons."

LV RESIDENTS PUT ON A SHOW

Inspired in part by life in Leisure Village, the romantic comedy "Push/Pull" explores the joys and complications of a December romance. Shirley Snyder and Elliot Friedman, both trying to cope with the loss of their spouses, bump into one another while working out at the community gym. Neither is looking for a new relationship but just when they begin to feel it might be possible to be happy again, the children find out and sparks start to fly. Written by and starring Helene Benjamin Cohen, directed by Don Boughton, and features Larry Swartz, all LV residents! Presented at Studio Channel Island (site of the weekly Farmers' Market), 2222 Ventura Blvd., Camarillo. Performances are June 1 – 17, Friday and Saturday 8:00 p.m., Sundays 2:00 p.m. For reservations, call 805-301-0042 or <http://pushpullproduction18.weebly.com>. CLUB IN THE SPOTLIGHT

Photograph by JERRY SPECTOR

Paddle Tennis and Pickleball offers members opportunities to brush up on their Paddle ball and Pickle ball skills as well as their Tennis game.

Rock'n in the Racquet Club

By Patrick Moore

There's an old bromide that says, one should never fall in love with a tennis player; to them, love means nothing.

Leisure Village Racquet Club members hazard a risk of love with a tennis player, perhaps, but a better opportunity to fall for one or all three smashing racquet sports.

Trish Zakas, LV Racquet Club president, says the organization encompasses three sports; tennis, paddle tennis, and pickleball, and all village residents are welcome to join the 97 current club members to take part in any or all three games.

To accommodate those members who play more than one of the three sports, Zakas says game times and dates are staggered. Some days and times are set for pickleball, some for paddle tennis, and different times and days for tennis. At other periods, members can just hit the courts and play whatever they wish, Zakas said.

Are the rules the same for all three sports? "Oh, no." There is a huge difference in the rules for all three games. "Rules for serving and scoring are much different for pickleball and paddle tennis, even though the same courts are used," she said.

Pickleball is played with a paddle and a plastic ball with holes in it. The game was invented in 1965 and named after Pickles, a cocker spaniel owned by one of the game's inventors, and who was continuously running away with the ball. It is described as a combination of badminton, ping pong, and table tennis elements.

Paddle tennis, however, was adapted from tennis more than a hundred years ago. The court is smaller, the ball softer, the net is lower, and the paddle is solid – no holes.

As for tennis; well, tennis is just tennis. As a reference, try ESPN Television.

Members like to point out that the club features activities other than casual games only; there are tournaments, lessons, and they like to boast that the group is especially welcoming to newcomers.

Annual LV Racquet Club dues are \$7, and while the three sports can be played in all formats, Zakas said LVRC stages doubles play only.

So, come to the courts and raise a racquet. You can reignite old McEnroe skills with an up-coming "Rusty Tennis Players Program, and rank beginners are welcome to join in learner games as well.

For LVRC information, contact Trish Zakas at trish@vcnet.com.

**REAL ESTATE****Homeowners Insurance: What's Covered, What's Not***By Sharron Parker*

The question of appropriate insurance for Leisure Village homes comes up regularly. I have personally seen many homeowner's insurance coverage to be inadequate for home protection. Because of this, I am again writing about the importance of having appropriate coverage on your HO6 condo-owner policy. Policies and coverage can be confusing! Our Leisure Village Association master policy covers

only exterior walls and the roof. It is sometimes referred to as a "Bare Bones Policy". If a homeowner has a fire in their unit and has to make a claim, there could be a \$5,000 deductible assessed to the homeowner.

Not covered in the master policy are cabinets, vanities, countertops, sinks, toilets, stove, dishwasher, refrigerator, washer, dryer, garbage disposal, water heater, flooring, lighting, bathroom fixtures, shower, tub, etc. Personal property contents (everything you

have moved into the house) are not covered on the master policy, but are included to the limit you select on your HO6 policy. There are sub-limits for jewelry and other target items, so you may want to add a floater (endorsement) to insure those specific items, requiring a recent appraisal. Be sure to include Contents Replacement to your policy so that your insurance will pay you "new for old" on your personal property should you have a loss. Did you know that your personal property are covered even if you are traveling?

Tolman & Wiker, our master policy insurance broker, tells me that they always provide at least \$75,000 for the building coverage on a smaller home on our policies and certainly more for a larger home. You may want to show this article to your insurance agent for review of your own personal coverage. When talking with your insurance agent, you may also want to discuss earthquake and flood insurance if relevant to your home.

CLUB NEWS

THE AMATEUR RADIO CLUB

By Jonathan Fox

At our last meeting, Jonathan Fox gave a presentation on the recent International DX Convention held in Visalia, CA. Each year hundreds of ham radio enthusiasts, manufacturers, and guest speakers from around the world gather to discuss and share information about the hobby of making long-range radio contacts. This year the special guest speakers were from Kosovo, a republic that declared its independence from Serbia in 2008.

We also discussed the current status of radio contacts made from the club station, KJ6LV. We have confirmed 46 state contacts with 4 more to go before completion of our Worked All States award. Maine, Delaware, Oklahoma and West Virginia are on our list to listen for.

If you are curious about becoming a member of the club, please join us at one of our meetings. You do not have to be a licensed amateur radio operator to join. Meetings are held the second Wednesday of the month in the MPR of the Recreation Center at 2:00 p.m. For more information, contact Jonathan Fox at 805-377-3697 or KJ6LV@yahoo.com.

BILLIARDS CLUB

By Patrick Price

The Picnic-in-the-Park is scheduled for Saturday, June 23 from noon to 3:00 p.m. in the Picnic Area behind the Pavilion. Tickets are \$10 per-person. Although ticket sales began in mid-May, you still have time to get yours. Wilma Hutson, our events planner and coordinator, still has some left. Also selling tickets is Jack Quinn, available in the Pool Room most evenings after 5:30 p.m. and Al Bendekgey at 805-494-6774. The menu includes barbecue chicken, potato salad, coleslaw, drinks and a dessert.

The round robins and LCR on Thursday evenings are in full swing. Be there about 6:00 p.m. to sign-up and help setup LCR. The Billiards Club and associated activities don't happen without volunteers. We're still looking for a secretary for the Billiards Board. The weather is getting great for some fire-pit/patio fun on Thursday nights. The Billiards Club is asking for contributions of soft drinks, wine, beer and snacks for these evenings.

LV BOWLING

By Alan Singer

Hello cowpokes, cowgirls, all of you bowling fans and all those who may care. Thank you again for reading my column. Suggestions are appreciated. We've completed 32 weeks (Can you believe it?) of fun, socializing, competition and, of course, bowling. It's getting exciting! Three teams have a shot at the second half, first place. Team 4 will bowl team 7. But team 13 could sneak into first.

This is a handicap league so everyone is equal. The handicap is 100% of 200, so, at every average level, all of the bowlers are equal.

If I may suggest a fun morning; some of the league members practice at 9:30 a.m. on Mondays and Wednesdays. After the league ends, we add Fridays as well. Join us and see if it is fun for you. You can rent shoes and borrow a ball. Get more information, by calling Joe at 818-518-5742 or Alan at 818-292-4439.

200 Games: Bob M., Danny C., Gene K., John H., Mitch F., Alan S., Alan S., Side Pot Winners: WEEK 30 - Leslie f., Wilma H., Elaine H., Bob M., Robert A., Danny C. WEEK 31 - Wilma H., Sue H., Elaine H., Gene K., John A., Alan S. WEEK 32 - Bobi S., Joyce S., Linda H., Greg C., Art T., Alan S.

COUNTRY DANCE CLUB

By Merle Ruiz

Country dancing is back in Leisure Village. Join us in months with a 5th Friday, starting June 29, with great music by Jammin Country. The dancing will be from 7:00 to 9:30 p.m. in the AR for a cost of \$7. A beginning line dance will be taught each month. We'll be practicing the dances learned in the new Fundamentals of Line Dance Class. New dancers - you are most welcome!

Dust off those boots, grab a cowboy hat and kick up your heels. Hope to see ya' on the dance floor. Questions: Merle 444-5225.

IN OTHER WORDS

By Frank Seiden

Our lessons in June will present ideas on inventive writing and how to present groups of items or ideas. Inventive writing includes creating surrealistic situations drawn from our imaginations, perhaps from our subconscious to express imaginative ideas or events. Grouping items or ideas to suit the need of prose or poem can involve one or more dimensions and is effective and efficient.

In June, we shall meet the second and fourth Wednesdays, the 13th and 27th, from 2 to 4 p.m.

in the Lanai Room. This is the place for those who want to write and get supportive feedback for improvement. We make it a fun experience, so join us to find out if we fit your interest.

THE MAVERICKS

By Margo Secia

The Club just ended our 12th year in May, and we are looking forward to the upcoming year. Yearly dues of \$5 per-person for May, 2018 to May, 2019 can be paid by calling Geri DeSimone at 805-402-1465. Please join and be a member of the Club, as we are planning to have a really great year.

Due to various circumstances in the month of June, the Club will be dark on our regular fourth week Friday night. We are busy making plans for the month of July to have a "Pool and Pizza Party" and all details will be in the July "ILV" issue and eNews.

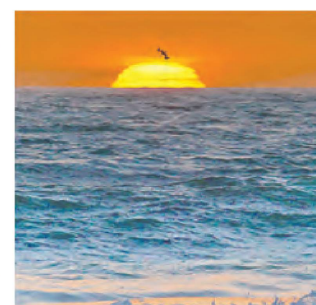

Looking ahead to August, we are calling for models for the "Fashion Show (Thrift Store Style)." Guys, gals, couples and groups will be asked to model their awesome outfits purchased entirely at a Thrift Store for \$20 or less. Please call Merle Ruiz at 1-805-444-5225 and she will give you all the details.

If you have any questions or comments, please feel free to contact President John Wirtz at 805-384-8508 or Vice-President Ruth Stubba at 805-496-7188.

MEN'S GOLF

By Joseph Benti

If you think you saw a one-armed golfer at one of our regular Tournaments, you were right. It was Max Chopra, retired sea-captain (tankers & container vessels), and a better-than-average golfer. Max has been sidelined for months following an injury that immobilized his left hand. He has been filling in with the Club's Nine Hole golfers just to (ready?) keep his left hand in until he regains full use of his fingers on his right hand—two fingers to go!

Meanwhile, the Club's President's Cup Awards for 2017-18, this year are as follows: A Flight: Bob Michna (a three-way tie between Michna, Tony Minero and Ray Nagata was broken by a "Card Off" method, using the scorecard, hole-by-hole measure—Bob won with

a 1st hole Birdie); B Flight: Don Nicksay and C Flight: John Hollenbeck. The Nine Hole President's Cup was won by Fred Wells. The honors will be awarded at our Annual Installation Luncheon on June 20th when we meet the officers for the coming year (2018-19): Gerry Sarno, President; Norm Paniagua, 1st VP; Tony Minero, 2nd VP; Mike Gross, Secretary and Dave Bengtson, Treasurer.

VILLAGE MUSICIANS

By Herb Stein

Our next "Open Mike Night" is Friday, June 1 from 7:00 to 9:00 p.m. in the AR. Bring your own musical instrument or play our organ or piano before an audience of appreciative listeners. Whether you perform or just want to listen, come for an evening of music by talented residents and guest entertainers. Everyone is welcome, admission is FREE, and refreshments and wine are provided.

We also screen epic Hollywood movies in the AR from 7:00 to 9:00 p.m. on the first and third Mondays of each month. On Monday June 4, we will show "The Zookeeper's Wife," a heartwarming story of World War II heroism, and on Monday June

18, "The Intern," a light-hearted comedy about a retired widower who decides to go back into the work force. As always, these movies along with fresh popcorn are FREE to LV residents and guests. Questions: Call Dick Guttman 484-5806.

SAVE THE DATE. On Sunday, June 12 from 2:00 to 4:00 p.m. in the AR, we proudly present the Camarillo High School Jazz Bands for their annual visit to Leisure Village. We know from previous year's performances that these enthusiastic students, along with their dynamic director, will bring an afternoon of great musical entertainment. FREE tickets will be distributed in the rec center lobby Tuesday, Wednesday and Thursday, June 5, 6 & 7 from 9-11:00 a.m. For further information, call Sharon Hames 445-7178 or Herb Stein 987-9598.

PLAYER'S GUILD

Photo by JERRY SPECTOR

The Players Guild production of "Guys and Dolls" was a hit for Village audiences.

By Stan Reshes

Audiences have already become familiar with Players Guild "Readers Theater" productions, but there will be something completely new featured for the next performance. A dramatic recreation of an historic event, "California and the Women's

Right to Vote!" A large cast will portray the many characters, both women and men, who fought for and against giving women the right to vote. It promises to be an enlightening evening. And, to relieve the tension of this drama, it will be followed by a hilarious farce, "Wipe the Blood off My Toga." Taking place in the ancient time of Rome, follow Mark Antony, Brutus, and Flavius Maximus, as they try to find the killer of Julius Caesar. All this happens Thursday, June 21 in the AR, 7:30 p.m. And, on a serious note, Players Guild wants to thank everyone who attended "Guys and Dolls." Your support made this one of the most successful productions in PG history.

LV PHOTO CLUB

VETERANS CLUB

By Tim Palmer

The Veterans Club meets every fourth Thursday at 7:00 p.m. in the MPR. Our purpose is to share camaraderie with fellow residents who have served in the Armed Forces. We have had speakers who have combat experience in World War II, both on the ground and in the air, as well as authors who have written about combat heroes. Our June speaker is Ed Vasquez, the creator of the LV Veterans Memorial.

We want veterans to feel proud that they wrote the blank check to Uncle Sam, willingly offering their lives in the defense of our country. Veterans, their families and any interested residents are invited to join former service members for relaxing esprit-de-corps and story-telling. Refreshments will be served.

Catching Fish on the Fly is a Bonus.

By Bob Merrilees

When I started fishing the fly at the turn of the last century I heard that "bonus" refrain and thought it was a crock. Two decades later it has become my mantra.

Fly-fishing has taken me to exotic and glorious locations and introduced me to many fellow fishermen and women whom I am delighted to call my friends.

I am or was a member of two local fly fishing clubs, Sespe (Ventura) and Santa Barbara, but even with that "exposure", find it difficult to put together a trip at any given time. There must be some fly-guys here in The Village who have the same issues and think we would all benefit if we expand our contact list. Let's get together and see what we can do. Leave a message at 805.484.8846 or email: bob_merrilees@yahoo.com.

Keep Your Driver's License!!

Did you know that the DMV has the power to **permanently** take away your driver's license if they:

- Receive information from a doctor that you have a medical condition that **could** impact safe driving
- Receive a notice from the police that you have had an accident and **may** be a dangerous driver
- Receive a report that you are an unsafe driver from a family member or a friend who is willing to identify themselves

A loss of your driver's license results in a loss of independence, freedom and the ability to go where you want, when you want.

I have handled many Reexaminations over the past 17 years and have a very high success rate. I know how the process works and what we need to do to maximize our chances of getting your license (and your independence) back. **Don't try to face the DMV alone** – call me and together we will devise a plan to get your license back.

Come to the Santa Rosa Room for our June 6 meeting at 1:00 p.m. We will be showing the award-winning movie “Loving Vincent,” a story of Vincent Gogh told through oil painted animation.

Judith Klement demonstrated her acrylic painting skills at our May meeting and returned to teach a lesson to interested members on May 11. Check out the variety of our artwork in the courtyard glass case.

Thank you to Gwen Zimring for sharing her art in the Library in May. Virginia Carbajal will be displaying in the Library during the month of June.

WOMEN'S CLUB

By Louise Romero

The Leisure Village Women's Club Fashion Show May 10 was a great success. Macy's fashions were beautiful, the refreshments were de-

licious and the AR was transformed into a spring fantasy. Thanks to Coordinators Linda Neth, Jackie Nelson and Sue-Ellen Colp, and the volunteers who worked to make it a beautiful show and fun-filled afternoon.

The Women's Club will meet on Thursday, June 14, at 1:30 p.m. in the AR. We will be playing Bingo. Members receive a free packet of Bingo cards, non-members pay \$3.00, and additional packets are \$2.00. Leisure Village resident Chuck Donnell will call the games. You won't want to miss this fun-filled afternoon. Don't forget to bring your Food Share donations or spare canned goods.

Women's Club Boutique hours and day are Tuesday, June 5, from 10:00 a.m. to 2:00 p.m. in the MPR and Wednesday, June 20, 4:30 to 6:30 p.m. in the AR Lobby. Shop the many new items as well as See's Candy and vintage jewelry. Fund-raiser sales of Axxess Cards and book for \$30 continue. Social Workshop days are June 12, 19, and 26, anytime from 9:00 to 11:00 a.m. in the MPR.

What are Adjustable Beds and Why is Everyone Talking about them?

There seems to be a lot of confusion about adjustable beds and what they can do for you. Here's the lowdown.

Adjustable beds are simply a specially designed mattress on top of a motorized base. This base allows the user to elevate the head and foot sections of the bed. Generally, the head up position is for reflux and snoring. The foot area raises for better blood flow and circulation. When both the head and foot sections are raised, it is known as the Zero Gravity Position. This allows for no pressure on the lower lumbar spinal region.

Are adjustable beds the same

as hospital beds? Definitely not! Hospital beds are used for raising and lowering the patient's body out of the bed and have permanent retaining rails. In hospital beds, you can't sleep with a partner, as they only come in twin size. On the other hand, adjustable beds come in ALL sizes, including a range of basic to deluxe models. They are designed to fit YOUR lifestyle. For example, some of today's modern adjustable beds come with massage units, programmed sleeping positions, iPhone compatibility, whisper

quiet motors, and heaters. They are engineered to withstand thousands of adjustments and come in a variety of firmness levels. Another great feature is that you can even use your current furnishings.

Buy American! When choosing the correct adjustable bed, it's important to purchase American Made adjustable beds. Low price import brands can break down easily. Leggett and Platt is a highly respected and well-known manufacturer with 30 years in the industry. (www.leggett.com)

What to Look For:

- A wall hugger: as your head goes up, the whole unit slides back to keep you close to the nightstand instead of propelling you forward and away from the nightstand.
- Memory set sleeping positions
- A smooth, whisper quiet motor

Camarillo Mattress has memory foam, latex and innerspring mattresses, some of which can be purchased separately from the base. Talk with Debbie, the owner. She'll help you find the adjustable bed that's just right for you AND your lifestyle.

COOKING WITH LARRY

Photograph by BUD BRADLEY

A fisherman's tale: I caught the salmon, Bob grew the lemon. Put together, we made magic happen.

“Well, It’s Round” (Phrases cooks never like to hear...)

By Larry Swartz

That was the answer Bob heard when he asked his wife how was his homemade pizza. Your neighbor Bob in Village 24 was born in upstate New York. When I asked him about his earliest memories of food, he recalled a wonderful story about his grandparents who made maple syrup. “They would hammer a spout into the tree, hang a bucket on it...out came the sap; then they cooked it in a wood fired evaporator until 40 gallons were condensed down to about five gallons; ta da - Maple Syrup!!!

Bob started cooking in college... “When you’re younger, if you like to eat, you better learn to cook.” I wholeheartedly agree. The same held true for me. I found I could impress the ladies a lot more if I cooked them dinner. The first thing I cooked at my apartment in Silverlake was “Bacon and Beer.” It’s very complicated. Put a pound of bacon

in a large skillet on low. Refrigerate a six-pack of beer. When the bacon starts to sizzle, you open a bottle of beer and begin to drink. Continue this process til either the bacon or the beer is gone...or both.

Bob enjoys experimenting. This recipe he shared with me was one which his wife actually asked him to cook again, but since Bob hardly ever cooks something the same way twice,...this is the 2nd Version of Bob’s Marinated Salmon.

Ouzo Marinated Grilled Salmon

- ½ pound of wild salmon
- 2 teaspoons dried dill
- Sprig of fresh dill
- Zest of one lemon
- Juice of one lemon
- ½ cup Ouzo – or vodka

Place salmon in a dish. Sprinkle dill and lemon zest on both sides. Mix juice and liquor together; pour in bottom of dish. Place salmon in

the dish and cover. Refrigerate for ½ hour. Turn, marinate for another 1/2 hour. This is better grilled but could also be broiled. If cooking on a grill, and you have the expertise, it would be great if cooked on a covered cedar board or plancha. Generally speaking, salmon is usually better under done than over-done, so watch it closely. If your heat source is high, turn after 3-4 minutes and continue cooking. Remove and check for doneness. It should easily flake off. If it’s hard and doesn’t flake, you better go buy another piece of salmon. Dress with fresh dill sprig

Tip: salmon skin helps to keep the salmon moist but it also prevents the marinade from having the desired effect. My suggestion is if you are going to grill the fish, make sure the grill is super clean, oil it well before placing the fish on it. You might even consider grilling the skin separately like Japanese chefs do when making salmon skin rolls.

Ye Olde Craft Faire

On Sunday, May 6, residents attended the popular Craft Faire. Villagers' artistic talent—including paintings, jewelry, gourds, and ceramics—highlighted the spring fundraiser.

Annual Health Faire

A large crowd attended the fair held on May 11 in the AR. Residents were provided information on all aspects of health care from over 55 health professionals. Breakfast and lunch were provided. Drawings were held throughout the day.
