

STUDENT LIFE

A committee on student affairs, composed of faculty and students, evaluates the student life program and makes recommendations on policy and procedure. Regulations as to satisfactory scholarship, disqualification for unsatisfactory work and related questions bearing upon academic requirements are administered by appropriate bodies in accordance with university policies. A student court has authority to deal with cases involving interpretation of Associated Students bylaws. University students are expected to assume responsibility for their personal conduct, wide freedom is therefore granted by the university to students as individuals and as organized groups.

STUDENT LEADERSHIP

Membership and active participation in a reasonable number of student organizations are strongly recommended. Groups of this type are an excellent means of obtaining experience in leadership, group action and social competence. Participation in student government is also encouraged, and many opportunities exist for participation in student affairs through election to student body offices, appointment to student government committees, and attendance at meetings of the Student Senate. Students are also offered an opportunity to serve on committees of the Academic Senate and on committees and boards of the California State University, Fresno Association, Inc. These groups play an active part in developing and recommending university policies and in conducting the affairs of the auxiliary organizations.

STUDENT ORGANIZATIONS

Over 100 student organizations representing various fields of social, academic, vocational, and professional interests have been granted recognition. Ten national social fraternities and six national social sororities exist on the campus and most operate group-living units. Religious interests are served by several religious centers adjacent to the campus. The many and varied types of recognized organizations not only offer an opportunity for social life but also make a positive contribution to the development of student leadership. Information regarding recognized organizations or the formation of new ones may be obtained from the Student Activities Office.

Recognition Societies

In addition to high standards of scholarship expected of all students, special recognition is given to superior scholarship. The honor society of Phi Kappa Phi, a national scholarship organization, was established at CSU, Fresno in 1953. Most departments of the university sponsor honor societies, many of them national in scope, in which membership is based upon superior scholarship. The Blue Key National Honor Fraternity offers membership to students who have good scholarship, are prominent in university activities, and who have demonstrated leadership in student affairs.

STUDENT CONDUCT

Students are expected to observe university regulations and are held responsible for their personal behavior on the campus and in university-related activities. Sections 41301–41302 in Article 1, Subchapter 3, Chapter 1, Part V of *Title 5* of the *California Administrative Code* and Section
