This letter is being written to bring you up-to-date on the most current action of the Ventura County Board of Supervisors with regard to the subject of the Oxnard Air Force Base. The Board of Supervisors, on Tuesday, November 21, 1972, again affirmed their position by resolution that they do wish to obtain the facility for airport purposes as set forth in their application to the General Services Administration dated August 31, 1970.

I am forwarding herewith a copy of that resolution and staff report.

It is hoped that you can find time to take whatever action you feel appropriate that might bring this matter to a speedy conclusion. Any effort on your part will be greatly appreciated.

Respectfully submitted,

Thomas M. Volk
