The Educational Opportunity Program (EOP) is designed to make higher education a possibility for economically and educationally disadvantaged students who have the potential and motivation to achieve academic success with the assistance of comprehensive support services.

Eligibility

To qualify for EOP, you must be an undergraduate student with a family history of low income and educational attainment. In addition, you must demonstrate academic capabilities and be motivated to achieve your educational goals. If the combination of your grades, test scores and high school courses do not meet criteria normally required for entrance to the university, special admission may be offered. EOP also admits regularly eligible students with specific economic and educational support needs.

Services for EOP Students

Special services designed to support and assist EOP students in developing their academic potential include the following:

- Pre-admission counseling
- Orientation programs
- Special summer program — a four-week, intensive session that focuses on the development of essential academic skills
- Diagnostic testing
- Financial aid follow-up
- Academic advising
- Tutorial services
- Learning assistance workshops
- Counseling
- Career planning
- Recreational activities

EOP Grant

The EOP Grant is available to eligible students in the amount of \$200 to \$1,000 each academic year. You may apply for the grant by using the standard financial aid application forms and procedures required by the Financial Aid Office.
