Debate On Prop. 186 Featured M.D.'s With Opposing Views

By Jack Whalen

Over 200 villagers attended the Current Issues Forum on October 10 that featured one doctor supporting and one opposing the California Health Security Act, Proposition 186.

Supporting the single payer plan that provides complete medical coverage for all Californians, was Dr. Jennifer Reifel, a resident in Internal Medicine at UCLA Center for Health Sciences.

She claimed that you will be able to select your own doctor, will be able to choose your own hospital, will not have a large tax increase to pay for this coverage and will have full coverage for prescription drugs, long-term home or nursing home care and more.

Dr. Gosta Werner Iwasiuk, a surgeon who lives in Santa Paula, graduated from UCLA in 1967 and currently has offices in Santa Paula and Ventura.

He believes that should the State government take-over health care, bureaucrats and politicians could decide what treatment is appropriate and available for you, there would be a huge personal tax increase and should the system run short of money, they could cut or ration medical services and procedures.

Following their talks, villagers submitted questions which were answered by one or both guests. It proved to be an interesting 90-minute program.

Thanks To Staff And Volunteers

President Donna Duke, speaking at the Security and Safety Committee meeting on October 13, the morning after the first malathion spraying episode over Leisure Village, expressed her appreciation to staff people and volunteers from both inside and outside the Village who arrived very early in the morning to unwrap water fountains, hose down the tennis courts, swimming pool deck, and to do other clean-up chores around the Recreation Center.

Donna Duke and board member Bill Blauer coordinated the volunteer program to help more than 100 people who called in to ask for assistance in hosing off skylights and patio covers at their homes.

It is only with attention to precautions before each spraying that we will be able to avoid or minimize damage to property and human health during this tentative six months' "siege."

Thanksgiving Dinner

A Thanksgiving buffet dinner will be served on Thursday, November 24 in the AR beginning at 3:00 p.m. The price is \$10.75 per person and is on a first come, first served basis. The last day for ticket sales will be Thursday, November 17. Checks only please, made payable to LVA.

Bill's Irish Rose Cafe will cater the dinner which will include roast turkey and traditional menu, including dessert.

Medfly Scare Brings Malathion Spraying To L.V.

By Sandy Okum

The special meeting in L.V. on Monday, October 10 about the Medfly infestation just two miles from Leisure Village and consequent Malathion spraying program, attracted a lot of attention. Between 400

and 500 people attended. Some questions were answered and many more were not.

As County Supervisor Maggie Kildiee, who arranged the meeting, stated, "The decision about spraying has al-

ready been made by the State. The reason I'm here today is not to debate it, but to talk to you about what you need to do when this happens."

That statement set the tone for the meeting. Naturally, people on the

Inter - Faith Service

The Inter-Faith Service will be held on Wednesday evening, November 23 at 6:30 p.m. in the AR.

As in past years, the sponsorship for the service will rotate. This year the service will be hosted by the Protestant faith. Everyone is welcome.

Names of speakers were unavailable at press time, but the L.V. Chorale will present a musical program.

55 Alive

By Naomi Balfour

The next 55 Alive defensive driving class will be held in the MPR on November 17 and 18 at 1:00 p.m. The cost is \$8.00 per person.

Since we have limited space, all students must be pre-registered. For more information and registration call Naomi Balfour 987-9851 or Viola Emmerson 388-2524.

panel -- W. Earl McPhail, Agricultural Commissioner for Ventura County; Peter Kurtz, M.D., Senior Medical Coordinator for the State Dept. of Food and Agriculture, and Gary Feldman, M.D. head of Ventura Co. Health Dept., the main speakers, were expected to be in favor of spraying.

Many good questions were asked by our residents and guests. Most of them could be answered by using common sense. Avoid inhaling or contact with the spray, wash everything exposed to it the next morning. The question most asked was, "How do we wash our skylights?"

This meeting was arranged to alleviate our fears of the damage the insecticide Malathion can do. However, the controversy on this subject has not been settled. Scientists on both sides of the Malathion issue are not agreeing on the safety or long term effects of Malathion, especially after 10 or 12 applications. Only time will tell who is right.

Our Village Voting Record

Residents of Leisure Village have an exceptional interest in community, state and national affairs and show this active interest on Election Day. We boast that up to 85% of us exercise our franchise while the general population may have only a 35% turnout. Villagers voted overwhelmingly in favor of a recent school bond issue, although the city of Camarillo as a whole did not pass it.

Our Current Issues Forum sponsors candidates nights and discussions on state propositions. These meetings are well attended because villagers wish to be informed about the issues.

The glaring exception to our good record was the recent "Blue Ballot" election which ran from early July to September 2. Clary Morgan, election inspector for the Village, reports that less than 50% of eligible voters actually voted on this.

Issues on the Blue Ballot pertained to Village matters, one financial and one affecting our internal elections. Each affects how the Village operates, and yet voter response was dismal. Why?

Information sent to homeowners in the mailing along with the ballots was excellent in delineating the issues. The Board made a good presentation in each case and the information went out to each homeowner by first class mail, as our CC&R's require. Bob Cullatti, our General Manager, reported that the election cost the Association \$2000. He also wonders why we paid those election costs but did not participate by returning the ballots. Yes, why?

Why do we vote heavily in national and state elections but neglect to cast a ballot on issues which affect our own daily lives here in the Village?

Why the lack of response on internal elections? Are the voters saying: 1. They need more information? This was amply supplied. 2. They need more time? The Board set 8 weeks response time, more than generous. 3. They just don't care about Village operations? If the latter is true, we will get Village Government only by default. Do you really want it that way?

Inside Leisure Village is appalled at the voter apathy demonstrated in this case. We certainly can't boast about this election.

SMILES AND HANDSHAKES

How much has changed in Leisure Village since Jean and I moved here in 1988, and when I served on the Board six years ago? Not very much, and thank goodness for that! True, this charming community is now twenty years old, but I believe it is improving with age. What's really different though, is the need for the Board, the Committees and yes, the homeowners to work together to maintain the quality of living that we have all come to enjoy and cherish.

Now it is incumbent upon all of us to be aware of the importance of constant maintenance of the physical condition of our homes, our buildings and the common areas, including the recreation facilities. And of course it is the duty of your Board and committees to be continually mindful of these needs and to plan and budget accordingly.

But I strongly believe that there is also an intrinsic need that must be recognized and dealt with. Because of recent unfortunate incidents, there is a need for us all to acknowledge these difficulties and to truly get on with our lives by making sincere efforts to respect each other's viewpoints. So now let us begin by resolving to ignore the unsigned "fan" mail, to real-

ize the values and rewards of sharing our views, to respect the opinions of others, to understand that the healing process will require real give and take, and that in "Leisure Village" smiles and handshakes are long overdue!

Bill Blauer, V.38

FOR PROP. 186

A rousing cheer for the committee that presented the forum on Proposition 186. We are sadly in need of true information, with all the noise obscuring the facts. Too many of us believe the misinformation in slogans which pander to fear of any kind of change. We don't take the time to read the whole text of the initiative.

Proposition 186 will provide long-term nursing and home health care, lifelong doctor and hospital care, our choice of any doctor, hospital, HMO or clinic, among other things, with a single payer. Washington hasn't been able to come to grips with the hold of insurance companies on our health care. It's up to us, the California voters.

It's not too late to learn. At the forum, a doctor opposing the health care security initiative said he employs one person just to handle forms and calls for insurers! The cost in paper could provide health care. No wonder the insurance companies are spending millions to defeat the will of the people. We in Leisure Village are a voting people. Let's be guided by facts, not fear. Common Cause is for Prop. 186 and so is California AARP, among many others.

Muriel Summer, V. 28

I was outraged and appalled at the so-called "meeting" at the Recreation Center of Leisure Village relating to the Medfly infestation on October 10.

The definition of "meeting" as defined by Webster's Dictionary is "an assembly of people to openly discuss a given topic". There was no open discussion of this subject- no open dialogue- only

written questions that were screened and the same questions repeated over and over again.

Why were there four questions submitted to our esteemed(?) panel of experts showing such concern for the welfare of the hummingbirds, the grass, the skylights, the rabbits and no open discussion on what Malathion can do to our lungs? Why did we have a "Dr. of Pharmacology" present and not a Pulmonary and Respiratory Specialist present? Why has Malathion been sprayed since 1979 and we still have not eradicated this pest? Why have we not been apprised of any long-term studies done, if any? Why has every other community that had to undergo this disgusting method been sprayed for 8 to 10 weeks and we here at Leisure Village have the dubious honor(?) of being sprayed for 6 months? Why were the two young people who witnessed this experience first-hand living in the city of Corona not permitted to show the evidence of their findings and not allowed to have their voices heard?

Contrary to what Supervisor Kildee stated, the majority of the people I know did not move to Camarillo for the lovely "agriculture" but for the CLEAN and HEALTHY air and virtually crime-free environment our community had to offer.

Why have the above questions not been discussed and answered?

WAKE UP, my fellow Camarillians. We have been duped by a clever bunch of politicians who are not at all interested or concerned with the health and well being of its citizens.

June Teres, V. 40

CONCERN OVER MEDFLY SPRAYING

We all sympathize with the farmers and wish them well. However, we must also care for our loved

LETTERS.....from pg 2
 ones and for ourselves.
 The issue in the malathion
 aerial spraying is: are
 those two goals in conflict?
 Is aerial spraying of
 malathion over Leisure Vil-
 lage every two weeks for
 six months essential for
 farmers? At the very least
 there is reasoned argu-
 ment that the medfly al-
ready is established be-
 yond any eradication ef-
 forts possible in Southern
 California.

After 18 years of medfly
 eradication efforts costing
 hundreds of millions of tax-
 payer dollars, to say noth-
 ing of evidence about fear-
 ful adverse effects on citi-
 zens' health, every year
 medflies appear some-
 where, often only a few
 miles away from the areas
 where malathion was
 sprayed earlier.

A medfly expert at the
 University of California at
 Davis, a member of the
 State's own medfly task
 force, has insisted for the
 past several years that
 evidence indicates that the
 medfly has established it-
 self beyond eradication in

California.

That does not mean the
 end for farmers in Ventura
 and elsewhere. It means
 taking ameliorating meas-
 ures earlier rather than
 spraying by air over popu-
 lated areas. It means
 working with crops not
 susceptible to medfly, and
 different harvesting peri-
 ods for crops that are sus-
 ceptible. Without going
 into too much agricultural
 detail, there has been
 much research and
 thought given to this.
 Remember that the Medi-
 terranean countries from
 whom the medfly obtains
 its name, continue to have
 very successful agricul-
 tural enterprises. So does
 Hawaii also where the
 medfly is now in resi-
 dence.

But you say, "So what?"
 If malathion is safe, if it can
 be handled carefully, why
 not continue to spray over
 areas like Camarillo and
 attempt to eradicate the
 medfly if at all possible?

Malathion does NOT
 appear to be benign. It is
 a dangerous substance.
 As Dr. Jorge R. Mancillas,

Ph.D. in the Department of
 Anatomy and Cell Biology
 at U.C.L.A. wrote in a pa-
 per beginning "Malathion is
 a Neurotoxic (Nerve - Poi-
 son) Substance," "What I
 have addressed so far re-
 lates to acute health ef-
 fects. But of foremost con-
 cern is the possible long
 term delayed neurotoxic
 effect of malathion. De-
 layed.... (long term dam-
 age to the nervous system)
 would not appear until
 months after exposure and
 the symptoms could be
 subtle such as headaches,
 subtle loss of motor
 coordination, visual impair-
 ment."

This is but a small ex-
 cerpt from a four page pa-
 per by Dr. Mancillas. It
 should be part of our library
 today.

Dr. Mancillas further
 states, "After examining
 the scientific literature, I
 and many other inde-
 pendent scientists have
 found no evidence to back
 up the State's assertion
 that applying technical
 grade malathion in the
 amounts mentioned before
 over a densely populated

INSIDE LEISURE VILLAGE - The Camarillo Star Free Press, October 28, 1994-page 3

urban area, is safe for hu-
 man health."

Alan Rosin, V. 26

RULES

Do we have rules and
 regulations, laws, and
 by-laws in our Village?
 Yes, we do; we all abide
 by our laws and rules ---
 except Donna Duke. She
 took over the room that is
 located in the long, narrow
 building next to the garden
 plot, and across from the
 picnic area.

Miss Duke did not have
 permission from the Ed.
 and Rec. Committee, nor
 permission from the other
 Board members. She did
 not have approval of the
 Architectural and Land-
 scape Committee. But
 worst of all Miss Duke did
 not get building permits
 from Camarillo City Hall to
 change the electrical wir-
 ing, and to install ceiling
 lights. She did not get per-
 mits to put in weather in-
 sulation and drywall. Miss
 Duke used L.V. em-
 ployees to do the electri-
 cal work.

This brings up the most

important subject: electri-
 cal wiring without permits
 = no fire insurance.

FAIR AWARDS

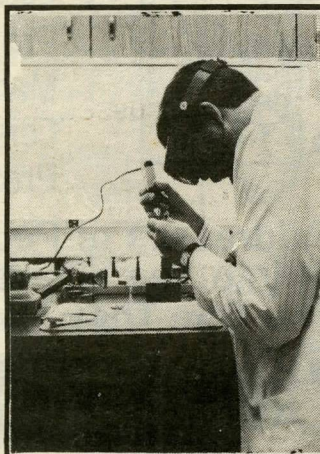

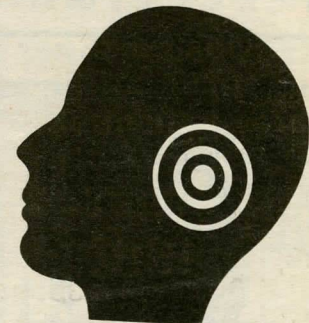

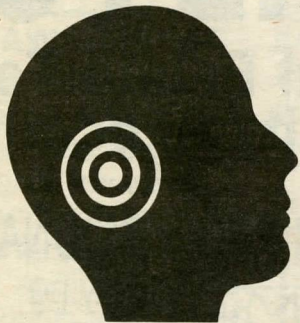

I just wanted to let you
 know I had entered the
 Floriculture division at the
 Ventura County Fair with
 my Tillandsia Plants and I
 had won five ribbons.
 Three second prizes, one
 third prize, and one hon-
 orable mention. They were
 entered in different catego-
 ries, such as dish gardens,
 and plants mounted on
 driftwood bark, and coral.
 Tillandsias are air plants
 and have no roots. They
 are mounted with a glue
 gun and grow best out-
 doors with indirect light.
 They only require watering
 once a week, with a sprin-
 kling of the hose on their
 leaves. They bloom at dif-
 ferent times of the year,
 depending on the type of
 Tillandsia.

I'd be happy to show off
 my plants, if anyone is in-
 terested in growing them.
 Just give me a jingle.

I want to thank all my friends and neighbors for their cards and best wishes during and after my surgery.

Coenraad Meyers,
V. 16

I wish to thank all of our friends and neighbors for coming to say good-bye to my husband Alfred Brown. He will be surely missed. Thanks again.

Sarah Brown, V. 34

I wish to thank all my Leisure Village friends for their love, concern, beautiful letters, tributes, masses, food and most of all your love for my beloved Al and for me. The outpouring of love touched my family and me so deeply.

What a beautiful place to live in Leisure Village. Al and I have lived here for 12 years. Al loved it and loved his job as Security Guard and loved talking to all that came in the gates,

especially the west gate. He is at peace now, but I know we shall all miss his smiling, gentle face. God bless you all. I love you all.

Dottie Sickels, V. 24
and children

I want to express my deepest appreciation to all my friends for all the good wishes and cards that were sent after my recent surgery. All your caring thoughts have helped a great deal.

Yetta Farber, V. 5

My family and I wish to express our gratitude to the many friends who showed their love for my dear Joe with their cards, calls, food, flowers and tributes. My thanks to you all.

Pauline Shenkman,
V. 40

Dear Leisure Village Friends, I want to thank all of you for the wonderful food, flowers, cards,

phone calls of concern and visits. I am on the mend now. There is no place like Leisure Village.

Rose Meltzer, V. 25

After two and one-half years of a debilitating mental disease, Betty, my wife for almost 56 years, is now at rest in God's hands.

My family and I want to thank our many friends for their outpouring of kindness and sympathy.

Robert Edwards, V. 16

To our many friends in L.V. we wish to offer our heartfelt thanks for their well-wishes, cards, and expressions of cheer, and their concern for Ed's well-being during his recent illness. He is slowly, steadily recovering, and seeing the world much clearer and finding friends much dearer now that he has come way back from a rather "hazardous" medical journey.

Ed and Frieda Weinberg,

Heroine

Ceil Priore is the heroine of Village 18 and no doubt of nearby Villages on Saturday night October 1. Fortunately, Ceil is a night person and saw a bright light glaring through her kitchen window. Wondering what caused it and hearing popping sounds she went into her garage. Looking out its windows she saw flames engulfing the house at 18114. Ceil had the presence of mind to call Security who re-

sponded at once, evacuating nearby residents. The fire department however was not as prompt.

Ceil was responsible in averting a catastrophe that could have had unknown number of deaths and major loss of property especially if we had Santa Ana winds at that time. Thank you from all your grateful friends and neighbors of Village 18.

Spontaneous Combustion Responsible For Fire in Village 18

Photo by Klapperman

By Jack Whalen

Workers using varnish stripping and other chemicals, then discarding the oily cleaning rags in the garage, are believed to have caused a fire that gutted both the garage and kitchen of an unoccupied home in Village 18. This home, the end one of a 4-unit complex, would

have suffered even greater damage save for an alert Security driver and a neighbor both of whom spotted the inferno at about the same time.

Security's Randy Haumann, cruising along Mt. View at 12:50 a.m. saw giant flames coming through the roof, alerted a dispatcher, who in turn

called Fire Station #52.

At just about the same time, Celia Priore, awakened by noises that sounded like gunfire (actually paint cans exploding) looked outside, realized a structure was going up in flames and called emergency.

Both Randy and security's Larry Maulding who arrived within minutes, quickly checked that no one was living in the burning home nor was anyone at home in the adjacent building.

Local firefighters at Station #52 battled the blaze and eight other units arrived to knock down the flames.

Lt. Jim Moore, alerted at home, arrived within 20 minutes and stated, "I can't give enough praise to the firefighters. They worked swiftly, saving all of that unit except the garage and kitchen which were already gone when they arrived."

THE LEISURE VILLAGE WOMEN'S CLUB

By Blanche Follen

The Womens' Club members and guests were entertained by the Fall Fashion Show on October 6. As usual the popular event was enthusiastically received by a large crowd.

Renee Greene not only chose the fashions modeled by the members, but with her well known talent, coordinated the program with Lois Lengel, Draper's and Damon's Store Manager, who narrated with her usual flair.

The models, Pauline Davis, Rose Erney, Dorothy Fencel, Blanche Follen, Helen Gold, Maxine Himstreet, Dorothy Karlin, Kay LaPrell, Jerrie Oeswein and Pat Stanfield, were assisted on stage by Kay Murray and Morris Erney, and in the dressing room by Golda Wolfe of Draper's and

Damon's and Ruth Weiss.

Harold Wickham entertained at the organ before the meeting and played background music during the show. Fran Linick kept busy taking pictures and Art and Mimi Kaufman handled the lights. Luella and Paul Kelwin taped the show for Channel 12.

The yearly Bazaar, held October 15, was a huge success thanks mainly to the handcrafts made by the loyal women, who through-out the year meet every Tuesday in the Workshop run by Dorothy Fencel. Dorothy is 1st V.P. in complete charge of the Bazaar. There were Holiday items, aprons, afghans, toys, children's sweaters, dolls and many other hand-crafted items. People flocked to the Bake Sale for the home made goodies and the Trading Post did their usual brisk business.

The Appreciation Luncheon, arranged by Aileen Chuck, will be held at Ottavio's Banquet Hall on

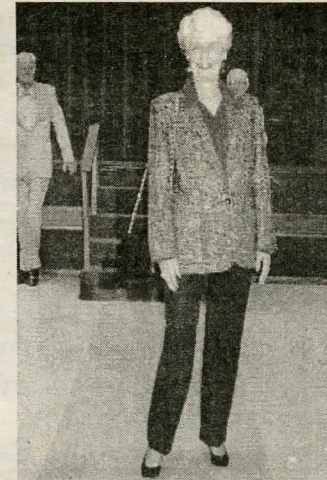

November 3. The slate of officers for 1995 will be announced and loyal workers for the year will be recognized. We will be entertained by the well known tenor, Nathan Brian Wine, who has performed in Opera with Luciano Pavarotti, Placido Domingo and Richard Tucker.

Election of Officers for 1995 will be held at the December 1st meeting, and Installation will take place on Thursday, January 5 at Charlie Brown's in Thousand Oaks. Cost of the luncheon to members will be \$10.00, with the balanced subsidized by the Womens Club. Tickets will go on sale to MEMBERS ONLY at the November 3 Appreciation Luncheon and will continue to be sold until December 29.

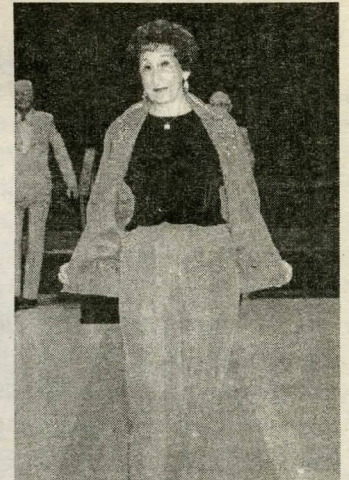

The President has announced there will not be sales of multiple tickets. Everyone must buy her own.

PLAYERS GUILD

By Ruth Brott

If your refrigerator magnets are not already holding your tickets for *The Second Time Around* our advice to you is -- get them today. Don't miss the Players Guild comedy hit of the season. Our comic drama spotlights two aging lovers who find romance in their doctor's office and reveals the ingenious way in which they overcome the disapproval of their neurotic, agrieved adult children.

Curtain time is rapidly approaching with show dates beginning Thursday November 10th and playing through the Sunday matinee on November 13th. All tickets are \$4.50 and are being sold in the lobby of the recreation center on Mondays and Fridays from 9:00 a.m. to 12 noon, and on Wednesday afternoons from 1:00 to 4:00 p.m.

Players Guild members really are working hard to bring you an exciting performance, and they promise you won't stop laughing from the opening curtain to the final bows.

ESO

By Ken Wilson

As newly-appointed chairman of the Emergency Services Committee I want to publicly express my thanks to the members and visitors at the September 20 meeting for their unanimous vote of confidence and support for the overall plan that was presented.

This month we want to emphasize the importance of Village Coordinators and their Assistants. These men and women are our neighbors but can also be our "lifelines" when called upon.

At present there are va-

cancies in this group, leaving several Villages without this added measure of protection. An Ad Hoc committee will soon begin the process of selecting volunteers to fill these positions.

This is a shared responsibility and need not interfere with the volunteer's life style. There are no regular meetings. Practice drills are planned to occur each three months. Each of these will occupy approximately 3 hours.

FLASH: Dedication for new ESO Communication center near the picnic area will be Tuesday, November 1, 12:30 p.m. Refreshments served.

LV ROUND DANCE

By Bob Vanicek

Round Dancers will hold their Fifth - Sunday - of-the-Month Dance on October 30. On that day, talented instructors Al and Ruth Siegel will not teach, but instead will have the class review the "Classics" and other dances they have learned previously.

You might ask: "What are Classics?" Many songs have been written that lend themselves to Round Dance choreography - particularly in the 1920's, through the Big Band dance era and into the 50's.

Basically, round dance steps are choreographed and synchronized with the rhythm of the song resulting in a smoothly sequenced pattern. If the new dance has merit in the eyes of teachers, cuers, and instructors, it will be taught by them and become known. After a certain number of years, if the dance is still enjoyed, it is accepted as a classic.

Most of the Round dance songs Al and Ruth Siegel have been teaching are Intermediate Phase II and III Classics. So when you're out strolling for your Sunday morning exercise, pop into the AR, listen to nostalgic music, and watch the Club bring a pleasing dimension to dancing.

THE L.V. GEM AND MINERAL CLUB

By Don Holmes

In September the Gem and Mineral Club sponsored a class in solderless jewelry making by Tamara Thompson, which has been held on Saturday mornings. She is scheduled to talk in person at the October meeting.

The meeting included discussions on participation in the Arts and Crafts Show in November, and the Annual Dinner which is to be around the first of December.

SWING DANCE GROUP

By

Marguerite Abdelnour

Swing Dance Group will host their 14th Anniversary Dance Celebration Saturday, November 19 at 8:00 p.m., in the AR. Please join them and enjoy the lively, rhythmic dance music of Hired Hands. There will be special refreshments to mark the occasion. Tables can be reserved for 10 to 12. Tickets, a \$3.00 donation. Call Marguerite 482-1183, or Anne 484-8988.

Saturday, October 1st "Mad Hatter Dance" was very colorful, so many dancers came with decorated hats.

Henry Carfagna, host for the October 15th "Harvest Festival Dance", gleaned a generous bounty of canned foods for the LV Food Share Program.

Swing Dance Group has converted to Laser-Disc music which will be the full program November 5 at 8:00 p.m. in the AR. Paul and Luella Kelwin will be hosts.

All tape dances, donation 50 cents. Refreshments and ice provided.

THE CERAMIC PLUS CLUB

By Don Holmes

The September meeting of the Ceramic Plus Club started with the announcement of Bernice Wells' winning a ribbon at the Fair for her Ceramic Roses, and the announcement that the Club had donated \$50.00 to the Beautification Project next to the pool area. We agreed to participate in the Women's Club Sale on October 15, and to have our own Show and Tell at the October 27 meeting.

We hope all of you saw Irma Shapiro's display in the Atrium. The Club has also bought new clay and new glazes to go with it.

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

Autumn's appearance is here, with her tree leaves dropping and holiday signs rising. Host for the Saturday Night Ballroom Dance on October 8 was Willie Smith. and on October 22, Elmer and Elise Eymann were hosts for the Halloween Dance.

The next dance will be on November 26, with Ernie and Alma Slabotsky hosting. Join us at this dance to wind-up the Thanksgiving holiday week-end, from 8:00-11:00 p.m. in the AR., only fifty cents per person. Coffee, tea, punch and ice refreshments available. BYOB.

Remember to watch Ch. 12 for updated information about our events.

To preside as hosts at any of our dance evenings, Call Ginny Dunnion, 484-1238, for details.

BELLES OF HARMONY

By Billie Pachter

The exciting news this month is that Tom Fuentas, operatic tenor, will be bringing his virtuoso singing to the Belles of Harmony's tenth anniversary concert in February.

The Belles of Harmony will be projecting through their harmonious voices the local color and sounds of several world areas, in particular, France, Czechoslovakia, Israel, Cuba, Hawaii and England.

Belles of Harmony are now meeting regularly on Wednesday mornings from 9:30 to 11:30 a.m. in the MPR. Music director is Lois Bello, for many years exceptional director of the Philippine Concert Choral. The dedicated accompanist is Esther Kuebler. Phone Rawza Kramer, president, for further information, 484-7875.

WRITERS ROUND TABLE

By Cele Porges

Writers Round Table devoted most of the September 13 meeting, to skit writing. Irwin Porges spoke on the drama form, humorous and serious, how to set it up, openings, working the skit out from the middle. As an example of writing a skit, two skits written by Irwin were dramatized by members of the group.

Readers were Jim Rogers, Ruth Carlson and Norma Jenkins. Joan Bernard read a story she will adapt to a skit for the next meeting.

Winners of the *Los Angeles Times* Book Prizes for 1994 were read to open the September meeting. Irwin talked about finding longer projects and how to schedule them while working on shorter ones at the same time.

Joan Bernard has had an article accepted by the German Genealogical Magazine. John Callas has been asked to submit a poem for an anthology by the National Library of Poetry. Congratulations to both of them.

The Writers Round Table meets the second and fourth Tuesdays of each month at 1:30 in the Lanai Room. Bring your writing ideas for constructive criticism.

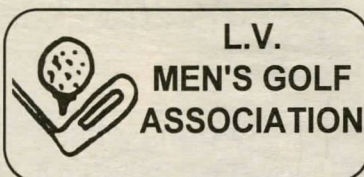

SOLO CLUB

By Monica Alves

Solo Club members will go out to lunch on Thursday, November 10, at 1:30 p.m. The restaurant is McCarthy's, and we will order from the regular lunch menu and receive separate checks. For reservations, call June at 389-3074; deadline is Monday, November 7.

Our next activity is the monthly brown bag lunch meeting on Friday, November 18, at 12:30 in the AR.

By Herb Warneke

In recognition of the twentieth anniversary of LV Mens Golf Association, a special shoot-out was held on September 20. Eligible (by drawing) golfers gathered on the second fairway and chipped from about 40 yards over the trap, and ball closest to the pin determined the winners. Dutch Filbry was first, 47 inches away. The next three spots were separated by two inches. Jack Beardsley was second at 83 1/2 inches followed by Bob Anderson and John Calder. George Nolte rounded out the top five.

Regulation golf was at River Ridge on September 15. Flight A low gross with a 91 was Don Laird. Warren Sugg won low net

scoring 70, one stroke ahead of Wisehart and Stanfield who tied for second. Paul Lindsey's 97 won low gross in Flight B. Roy Zhe took low net with a 70, while Milewsky, Filbry and Moyer tied at 74. In Flight C the low gross winner was Joe Kremer (104). Tied for low net were Ohmstedt and Sullivan recording net 73, one stroke better than Sauers and Gregg.

The Mixed Couples tournament on September 25 saw Charlie Bellante take low gross in Flight A with a 55. Low net had a three-way tie—Horwald, Basile and Houser, each scoring 54. Lacy and Mason tied for low gross in Flight B at 62 while Bill Fox won low net with 54. Flight C saw Tony Gregg win low gross (65). Weitz and Blau tied for low net, each scoring 54. Hanson, Morgan and Gifford followed with 56.

and the assignment was "Cityscapes". Our judge was an old friend of the club, professional photographer Dan Murphy, who owns and operates one of Ventura County's best known photo studios, "All About Faces".

The winners in "Cityscapes" were: first place and Picture of the Month to Marion Sevren for "His Space", second place to Duane Waln for "Highway 101, San Rafael" and third place to Sam Weinstein for "San Francisco Skyline".

The winners in the Open category were: first place to Sam Weinstein for "Touch-Up Job", second place and Picture of the Month to Duane Waln for "Skeletons of the Big Tujunga Fire" and third place to Imogene Gregory for "Giant Falls".

Our next competition meeting will take place Wednesday, November 3 at 7:30 p.m. in the CR. The assignment will be the ever popular "Nature" and we will also have the usual Open (unassigned) category.

By Sam Weinstein

The Camera Club has once again been invited to participate in the annual Village Painters Art Show which will be held in the AR on Sunday, November 11. We welcome the opportunity to display our work along with the other clubs which comprise the arts and crafts community of Leisure Village.

Our September 21 meeting featured a slide show presented by Milt Mankoff, a lifetime nature lover, bird watcher and photographer extraordinaire. Milt showed a delightful potpourri of "Birds and Flowers of Our Continent". The well attended show was enjoyable, educational and a lot of fun. Thanks, Milt (and your collaborator, Lil), we had a great evening sharing your pictures and your knowledge.

Our October 5 meeting was a competition meeting

By La Rue Boynton

Marty Gregory is very organized in the way she plans the Women's Golf Club Regulation Golf Tournaments which take place once a month at one of the golf clubs in Ventura county.

The September 15 tournament was held at Buenaventura golf course. The winners were as follows: 1st place a tie between Joyce Bookwalter, Mary Giesler, Pat Holly and Carol Vaught. 2nd place, a tie between Alda Kroll, La Verne Groves, Mike Mancusi and Kate Ward. 3rd place a tie between Lois Kissinger, Ginny Mettler and Connie Santangelo.

YOGA

By Shirley Kordell

The philosophy behind the physical practice of Yoga is different from the philosophy behind most other types of exercise. It is entirely non-competitive. It doesn't matter what anyone else in the class is doing, or how well. We learn to focus on our own bodies and we lose any self-consciousness about how we appear. This is very liberating. Everyone proceeds at his or her own pace, aware of individual limitations, knowing that is not the goal that matters; it is the process that counts.

We meet twice a week at 10:30 for an hour on Wednesdays in the Lanai Room, and on Fridays in the AR. There is a \$3 charge on Fridays when Erin Sheffield, who teaches at the Community Center, guides us. She gently encourages us. On Wednesdays we practice to tapes by Richard Hitleman and others; there is no charge.

All that is needed to join the class is a mat, loose clothing, and a willingness to try something new.

Here are some really fine golf scores for the "End-of-the-month" winners in September. For the eighteeners, Alda Kroll is the big winner. Shot the lowest gross at 58 and she also had the lowest net which was 58 minus 10 (her handicap) equaling 48.

For the Niners we saw Marge Kelly come in with a low Gross of 30 on the back Nine. Low net winner was Fay Zelmon with a 37 gross minus 16 equaling 21 net for the back.

We simply cannot have golf without also having a meeting and refreshments. Our meetings are very informative. We also have excellent refreshments, which are planned by Nettie Baum, hospitality chair person.

By Cy Maller

The L.V. Shuffleboard Club held a "fun" tournament to the delight of the many players who participated. One court had its normal amount of wax on it, another court had a double application of wax making it lightning fast, then came a court with wax applied only to the center part of the court and finally the last court had an obstacle across it making it impossible to see the disc's location.

Individual honors went to Shiprah Maller with 160 points, Denke Nielson was a close second with 155 points and Will Schreiber, the old pro, came in third with 148 points.

Team results had the "Movers and Shakers" on top. The team consisted of Denke Nielson, Bess Weidman, Jan Dempsey and Cy Maller.

Next meeting will be on November 1 at 7:30 p.m. in the MPR. Organized play is still held on M-T-W at 9:30 a.m. Try and be part of the action.

L.V. RACQUET CLUB

By Mary Giesler

Heading the list of Racquet Club activities this past month was the very enjoyable annual dinner-dance on October 7. Our thanks go out to all those who did such a great job of organizing and running the event. The committee was chaired by Al Law, assisted by wife Shirley and by the many capable people who worked with them, including the ever faithful ticket sellers, Rose Woronow and Rosalie Miller.

The monthly tennis tournament resumed play and the winners were Ernie Slabotsky, George Nolte, Syl Horwald and Bess Lopatin.

The September paddle tennis winners were Jerry Doctrow, Kay Bell, Si Ross, Wanda Saari and Bob Kumler. Turnout has been good for these tournaments, but the hot summer weather has taken its toll.

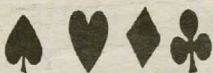

After much time and effort expended by Gil Borenstein and others, Leisure Village has finally succeeded in becoming a member of the U. S. Paddle Tennis Association. Two Tee shirts, a rule book and a packet of information have been received. We will also be getting the P. T. A. newspaper which is published quarterly.

Paddle tennis lessons are on schedule each Wednesday from 11:30 to 1:30 p.m. and the attendance has been very good. Bring your friends and join the fun.

We have reported to you earlier that the Leisure Village Orchestra was preparing programs to play for our special patrons: The several Convalescent Hospitals in the area. We have now played at three of them, Victoria Care

Center, Mary Health of the Sick and Camarillo Convalescent. And have a pending arrangement at a fourth. If you have a friend or relative in any of these, get in touch with me, perhaps we can play a number just for them next time.

Rehearsals are every Thursday evening in the MPR; all musicians are welcome. Let me know at least a day ahead, so I can have music ready for you.

IS THE

VILLAGE SWINGERS SQUARE DANCE CLUB

By Sig Jaffe

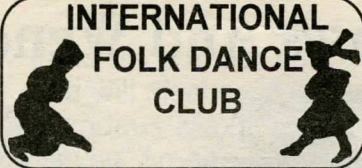

The Village Swingers Square Dance Club celebrated the September anniversaries and birthdays of members on September 13 by having Bill Kramer call a program of all singing calls. After a general meeting, Hal and Minna Hudson served refreshments.

The Sadie Hawkins Day dance took place on September 20. The "girls" chased and caught the "boys" who were obliged to be their partners during the third dance tip.

Mary Kovach conducted a moment of silence to honor the memory of Howard (Al) Sickels who passed away recently. Al was a long time member of the Swingers club and he and Dorothy were the past club treasurers. Our sympathy goes to our good friend Dottie.

The program for the month of November is the following: November 1 White Elephant Swap Shop--bring wrapped item worth \$2.00. 11/8 Dark because of Election; 11/15 General Meeting; 11/22 Turkey Trot Dance, Bill Burrier cuer at 6:45 p.m. 11/29 Western Night (wear jeans), caller Bill Kramer.

Everyone is welcome to join us in the AR every Tuesday night at 7:00 p.m. Dance or watch.

INTERNATIONAL FOLK DANCE CLUB

By Florence Friedman

Dance times of the International Folk Dance Club are Mondays 12:30 - 1:30 p.m. for beginners, 1:30 - 3:30 for regular class teaching; Wednesdays 9:00 - 10:30 a.m. reviews and new dances; Fridays 9:00 - 10:30 a.m. continuous dancing, always in the AR.

If you enjoy dancing and would like to learn, join us on Mondays 10:30 - 1:30 p.m. in the AR. Beginners are welcome. Dancing is good exercise and lots of fun. Our instructors have made the learning process simple and enjoyable. We welcome new villagers and encourage you to join us.

HAPPY HOOFERS

By Dorothy Karlin

The Happy Hoofers have spent a quiet month taking lessons and practicing routines. Our members have been taking vacations, spending time with grandchildren, and all-in-all enjoying our lovely summer and early fall.

The tapercise class is coming along nicely.

We are looking forward to our monthly luncheon. It, of course, will have a Halloween theme. It should be lots of fun.

We are looking forward to a busy holiday season, and plans are in the works for a trip outside of the village. But in the meantime, we'll just KEEP ON DANCIN'!

Western Style Wedding Unites Max Moses And Wendy-Joy Smith

By Betty Murray

It was a wedding for the books! L.V. Security Chief Max L. Moses and his bride, the former Wendy-Joy Smith, are truly married despite the hi-jinks and hilarity that accompanied the ceremony.

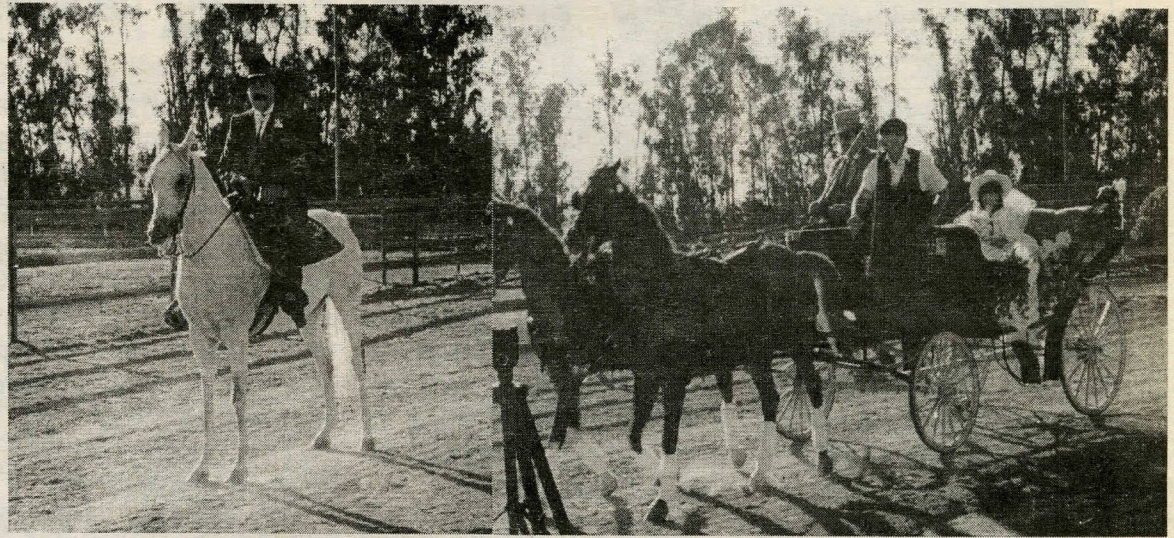

On September 25, 1994, at the Silver Fox Ranch in Somis which belongs to Zsa Zsa Gabor and Prince Frederick von Anhalt, the Duke and Duchess of Saxony, the lavish western style wedding was performed. The bride and groom who had known each other for ten years met through a mutual interest in horses by Max and the bride's parents, Fayrose and Harold Gordon, V.8. Max had owned a major horse ranch in Tehachapi and the Gordons breed, train, and show champion Arabian horses, stabling them at the Silver Fox Ranch. Max subsequently purchased a winning Arabian show horse from the Gordons, and they became close friends when they met at the ranch on weekends to care for the horses.

As a romance blossomed, the idea of a western wedding unfolded. Zsa Zsa offered her ranch as the setting, and Fayrose began planning. She felt

that the ceremony should contain all the serious elements of a traditional wedding, but also some surprises and fun. Thus, the fantasy wedding evolved.

With guests gathered in the garden and background music playing a lively western beat, the groom, resplendent in a formal black western outfit circled the ranch riding on a pure white horse-- Prince Charming of the fairy story, who had come to rescue his princess. He backed up his horse and announced, "The horse may want to back out." But the crowd applauded and laughed. The Princess, as Wendy-Joy was nicknamed by her family, arrived in a decorated open carriage drawn by two horses. She was all in white, including a white western hat, and white lace boots. The two fathers in her life, B. J. Smith and Harold Gordon, escorted her down the aisle and released her to the man of her choice, Max Moses, her Prince Charming.

Rabbi Jerry Cutler of the Creative Arts Synagogue in Beverly Hills united the couple under the traditional canopy. In a pre-planned ploy, 14 year old ring-bearer Zac Zabner "lost" the wedding rings See WEDDING.....Pg. 15

causing great confusion and sincere concern by Zsa Zsa who was unaware of the plot. She got up, examined all of Zac's pockets, not knowing that the rings were stashed in a Crackerjack box held by a co-conspirator. Rabbi Cutler's sense of humor broke up the crowd when he announced, "Well, we don't have to worry; if we need rings, Zsa Zsa is here," and she hurried down the aisle to give her rings to Max. The laughter could be heard for miles. As the rabbi pronounced them husband and wife, he flashed his "Sheriff's" badge and handcuffed them together. Then they were whisked away in a horse-drawn carriage as the crowd sang "Love and marriage--go together like a horse and carriage."

At dinner, the guests were treated to a show of horses which circled the tent, ridden by their trainers. Fayrose told some background stories about the Arabians, and Zsa Zsa showed her world champion Silver Fox on whom she had ridden as she opened the 1984 Olympic Games in Los Angeles.

Everyone joined in the Hora dance and the bride and groom were lifted in their chairs and carried around the circle. The D.J. taught a couple of western line dances to further the theme of the party.

The four tier wedding cake was cut, then Max and Wendy were alone on the floor dancing to "Some Day My Prince Will Come," and the lights romantically dimmed. When complimented on the effect, the ranch manager Peggy said she couldn't take credit--a fuse had blown out at that point.

After a four-week honeymoon trip, Prince Charming will once again become Chief Max Moses, but the joy of this magical day, and the companionship of his Princess will be his forever.

LV Farmers Club

By Hunter Cohen

The LV Farmers Club is about to realize one of its cherished goals. Our object is to create a vegetable garden area which will be a source of pride not only to club members but to all villagers.

When the improvements are completed this December and January, we will have a limited number of garden plots available to villagers. If you wish to reserve a garden, please call Bernie at 987-3512.

Improvements often require some sacrifice; rebuilding the garden area is

no exception. Farmers must remove from their plots any items they wish to keep — no later than December 1. On December 1, the area will be cleared to the ground in order to proceed with the renovations.

REMEMBER: DECEMBER 1 IS D-DAY

If there are any questions regarding garden improvements, call Joe, 482-3701. The next general meeting of the Farmers Club will be on December 2 at 2:00 p.m. in the MPR. All villagers are welcome; this promises to be a most exciting and fruitful year for our members.

LV Garden Club

By Doris Achterkirchen

Sherry Stearns, a Camarillo resident who is a landscape architect specializing in private homes, presented a slide show at the Garden Club meeting October 13. The slides showed varieties of floral

arrangements, and demonstrated how color affects our lives.

The Beautification Fund has reached the halfway mark, and we are still encouraging contributions. The gazebo garden is near completion. Come for a look and a stroll.

BILLIARD CLUB

By Anita Trindl

The Billiard Club Nominating Committee is now being assembled in order to recruit people interested in serving next year. They are looking for a few good men and women to carry on the traditions of, as well as, introducing new innovations to the membership. With the exception of Russ Sievert, Coordinator, all positions on the board will be open. There will be a few chairmanships to be filled also.

RHYTHMETTES

By Margaret Hines

The Rhythmettes put their "all" into a musical program at Constitution Park for the Camarillo Fiesta October 2. The audience responded with enthusiasm. It was wonderful to look down at the smiling faces while tooting, beating, and plunking.

October 25 was "together time" again, with dinner at Cinnamons.

The Rhythmettes will entertain at Fitzgeralds' nursing home the morning of November 11.

BINGO

By Cy Maller

L.V. Wednesday Bingo Games just keep rollin' along. Our attendance is now 100 or more for each session. Payoffs are up, jackpots have reached new heights and the important thing is that our buy-in is still the same. The most a player can spend is \$2.50. Call one and you go home a winner. Even if you don't call a Bingo, you can enjoy our coffee break and a comfortable evening with friends and neighbors.

HOLIDAY WORLD RV CENTER (805) 383-6981 311 DAILY DRIVE CAMARILLO CA 93010

By Lillian Mankoff

The annual potluck dinner of the Exercise group was held October 28 in the A.R. Almost 250 members and guests participated in a novel approach that eliminated long waiting lines and allowed all present to dine at the same time. This was achieved by having each table plan and furnish its own menu.

We are already planning how to help people confined to convalescent homes in our area have a more pleasant holiday time. Several of our members make little fabric gift bags which we fill with small toilet articles as well as other useful items. We welcome donations of shampoos and body lotions.

The daily exercise program poolside from 8:30 to 9:00 a.m. Monday through Friday remains well attended despite the vagaries of the weather. All villagers are welcome.

SELF AWARENESS

By Maxine Fritz

The Self Awareness Group meets on Mondays in the Lanai from 7:00 to 9:00 p.m. If you are interested in learning about yourself and the why of your thoughts and behavior, please join us. We are a support group.

"Yesterday is history, tomorrow is a mystery, today is a gift, that's why we call it 'The Present'." This is from an article written by Barbara De Angelis, Ph.D., regarding her new book, "Real Moments".

Spiritual Growth Group

By Dorothy Holcomb

The Spiritual Growth Group will meet each Tuesday at 9:30 a.m. in the home of Bess Carlisle, 1125 V1. All village women are welcome.

For further information please call Dorothy Holcomb, 482-5293.

By Benson Smithkin

Interest in the LV Amateur Radio Club has skyrocketed, with villagers new to radio studying for their licenses and club members working to upgrade their existing status.

Perhaps Floyd Cook (AC6FG) stirred things up by rising from scratch to Extra Class, the highest license category, all in ONE year. So now we find Jack Myers, Ginny Dunnion, Ed Vasquez (KC6UQO) with his wife Dorothy, and Betty Kumler attending the radio class at the East Valley sheriff station sponsored by the Conejo Valley Amateur Radio Club. Also

there was our Security Officer Lt. Jim Moore who put on our excellent program for the club in September, describing the latest equipment and techniques used by his staff in LV.

Successes include Betty Kumler who just passed her Novice written exam, and club president Dick Travis (KC6URW) who advanced to the Advanced Class license.

Thanks are due to Bob Clark (N6NAY) who presented a weather forecasting program in October.

The next meeting will be on Tuesday, November 1, at 10:00 a.m. in the Sun room. All are welcome to join the fun.

WOMEN'S CLUB TRADING POST

By Irene Cunningham

The Trading Post at the October Bazaar was a huge success. We thank you villagers for your participation. We especially thank the many that donated the merchandise and the men and women who donated their time and effort to make our sales a worth-while project.

Many institutions, charities and schools benefit from the money we take in.

LEISURE VILLAGE CHORALE

By Sally Yale

The LV Chorale will be singing at the Thanksgiving Eve performance in the A.R. on Wednesday, November 23 at 6:30 p.m. It will be a memorable program and will feature Thanksgiving songs, among others. There will be no charge for this event. Please come and enjoy the beautiful music.

Notes From The Past

This column, gleaned from back issues of ILV reports events that occurred 5, 10 and 15 years ago. We believe this will interest residents who are new to the Village, as well as those who have been here only a few years and maybe those who were here when the events occurred.

5 YEARS AGO

Camrosa Water District approached the Leisure Village Board of Directors about giving up the existing television antenna site in exchange for an alternate antenna system.

It was reported that over 60,000 sprinkler heads were in use to water 25 acres of planter beds, 29 acres of golf course and 168 acres of common area.

10 YEARS AGO

A check for \$15,000 was presented to the Leisure Village Association by Leisure Technology. A Town Meeting was held to discuss renovation of the Recreation Center.

15 YEARS AGO

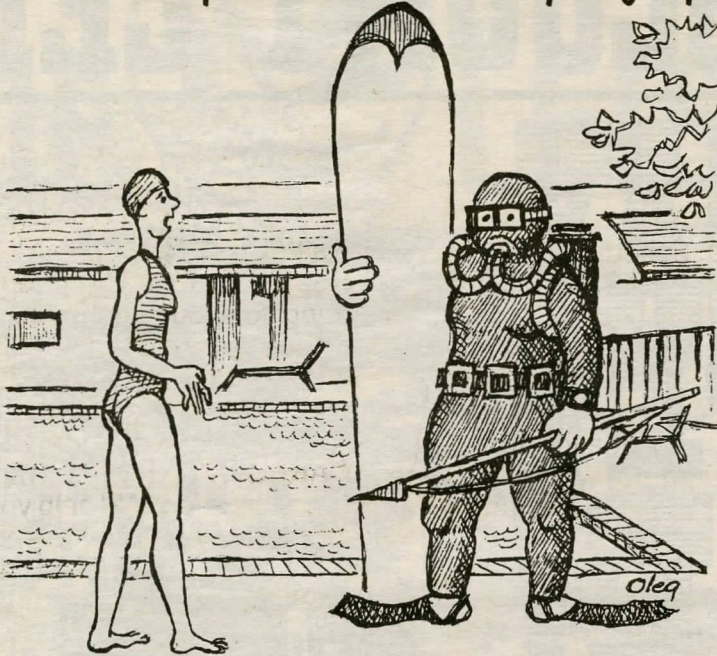

A luau was held to celebrate the sixth anniversary of the opening of Leisure Village. It was estimated that there were 2850 people in the Village at that time.

Eighty volunteers participated in installing decals on 1800 vehicles belonging to residents. Problems encountered from silting in the storm drain between Villages 5 and 7 were being reviewed by Pardee and Leisure Technology. Acceptance of Villages 30 and 32 was withheld until Leisure Technology corrected problems with the asphalt and concrete. The Security Department identified their biggest problem as traffic (sound familiar?)

BOWLING

By Jack Whalen

After just four weeks of bowling play, teams #11 and #12 hold a slight lead over the rest of the field. But then again, we have 12 more weeks to go for the first half of our complete 32 week schedule.

In an amazing three game series at scratch, bowler extraordinary, Al Sparkman rolled a 628. That's 74 pins better than

Barney Simon's 554, which in itself, is not all that bad.

Morey Gold's 233 in high game scratch is a fine score with Joe Jacobson's 208 the next best.

Among the ladies, Esther Knopf's 480 is best in high series scratch with Lindsey Merrill in second place with a 469.

In high game scratch, Vee Flowers' 188 is tops followed by Ruth Friedman at 166 in second position.
