Amendments, candidates go before LV voters

'A quorum of voters must prevail in both contests,' LV general manager says; ballots due by 5 p.m. June 25

By now, all LV homeowners should have received by mail the official ballots for this year's election, which will conclude on Thursday, June 26.

Notice the word "ballots." It's not a typo; in this Association election, there are two ballots. Both of them are important, and both of them should be completed and sent in by the deadline of June 25 at 5 p.m.

The first important decision that homeowners will make is to elect two members to serve

for the next two years on the LV Board of Directors. Two candidates are on the ballot for those positions.

The second ballot requires a vote on a series of changes proposed for the Leisure Village governing documents — a reminder that homeowners are the "deciders on how the Village shall operate."

"A quorum of voters must prevail in both contests," explains LV General Manager Bob Scheaffer. "For the Board members' election, that means

we need 50 percent plus one of all homeowners; that is 1,069 voters. The percentage is higher for the vote on the governing documents. That requires a vote by two-thirds of eligible voters. That's 1,415 voters."

If a quorum is not obtained, the ballots submitted are not counted. The Annual Meeting will be adjourned, ballots will be resent to homeowners, and the election will be held all over again. Scheaffer reports that the mailing cost alone is about \$2.03 per homeowner; repeating due to lack of participation, therefore, has an additional price tag.

Married in 1944, this Leisure Village couple is celebrating their 70th anniversary this month.

70 years of wedded bliss

By Patty Ecker

They were both 15 years old. They both lived in Chicago suburbs. But he was a jock — football, baseball, any kind of competitive sports. She loved opera, art, ballet.

Yet when Don and Millie Seidler met at a party in 1943, Don says he knew right away: "I'm going to marry you."

Millie said, "No! I'm not interested in anything that has to do with a bouncing ball."

But Don was persistent. And we know the rest of the story.

On June 18, the Seidlers will celebrate their platinum wedding anniversary — 70 years together, the last 25 living in Leisure Village.

Their feat is so unusual that the U.S. census stops at golden anniversaries, noting officially that

only 6 percent of marriages last 50 years. The number of couples who go beyond that is infinitesimal.

Don Seidler calls it "lucky;" Millie says "blessed." They agree — with smiles — that it's "a lot of hard work."

The family count is four children, eight grandchildren and eight great-grandchildren. They've lived and worked in South Carolina, Illinois, Northern and Southern California and Germany.

The newlyweds were married in 1944 by a rabbi in Chicago, and then they drove in a '37 Plymouth to Charleston, South Carolina, where Don was stationed in the Army Air Corps. After his discharge, Millie and Don moved back to

Players Guild crowd gives \$2,000 to young performers

The Players Guild's March presentation of the Pacoima Singers proved to be a spectacular success, not only for the large audience attending, but for the performers as well.

This award-winning performing arts group, made up of 12-, 13- and 14-year-olds, wowed the audience, as they had the previous year.

The program, as usual, was free, but a donation to allow these kids to go to Washington, D.C., to represent California in

the 25th anniversary of the America Sings Festival was requested after the performance. And did our audience respond!

Dr. Scott Mandel, the director of this group, was flabbergasted by the generosity of our LV residents.

In all, more than \$2,000 was collected that evening. And, happily, the kids raised enough money to make the trip and participate in the festival.

What fantastic people live here in Leisure Village!

Don't be dogged by fear of coyotes

By Barbara Krohta

We all love our open spaces, our lush landscaping and our birds and squirrels and rabbits. Unfortunately, coyotes love our bushes (for dens), birds, squirrels and rabbits as well. This is the time of year when the pups are being weaned and taught to hunt, so you may see an increase in coyote activity.

Some simple rules make coexistence safe for you and your pets.

- Don't feed the birds and other wildlife. Not only is it against our rules and regulations, but seeds and food on the ground, including fallen fruit, attract rodents, which, in turn, attract coyotes. For sure, don't feed the coyotes as they have plenty of food in the Village!

- Don't put your trash out overnight. This is especially important if the trash includes food or bones. Wait until one hour before pickup if possible or at least the morning of pickup.

- Don't let your cat out overnight or unattended.

- Walk your dog on a short leash in the mornings. This is when most sightings are being reported. Pick up your small dog if you see a coyote.

- Help make the Village unattractive for coyotes. This is known as hazing. The rules above are forms of passive hazing — making our environment less nourishing for them.

- Use active hazing tools if you encounter a coyote. Whistles, shaker cans (pennies inside) and shouting are good noise tools, while spray guns with vinegar water, pop-up umbrellas, and waving a large towel or jacket are good surprise tools. Be persistent; haze every time you see too-close-for-comfort behavior, and don't stop until the coyote leaves the area.

- Be big, bad and loud — but be careful. From March through July, coyote moms are protecting and training their young and may be more aggressive in seeking food, including your Chihuahua!

MEMORIAMs

400 LVers, 50 groups link up

Approximately 400 LVers filled the AR on May 4 as the *Inside Leisure Village* and the Ed & Rec Committee-co-sponsored Club Faire came to life!

For three hours, some 50 clubs, committees and classes educated their fellow Villagers on all that the LV lifestyle has to offer. And it was mission accomplished, as there were far more than 400 who either joined or showed serious interest in facilities on display.

Obviously, some people signed up for more than one activity, which is great! The big winners included The Boosters, The Mavericks, the Sewing Club, the Ceramics Club, the Foreign Relations Club and Showtyme, all of which scored 20 or more people.

In addition, tickets to the RV Club pancake breakfast and the New York Club annual buffet were sold.

Co-chairs Rita Linsey and Bob

Clubs signed up many new members at the Leisure Village Club Faire.

Cohen would especially like to thank the ladies of the Players Guild for their efforts in preparing and serving the food, the men of the Men's

Golf League for their assistance in ticketing, and the members of the Bowling League for their assistance in serving the wine. Jobs well done!

'Suburban Showgirl' set for July 13

By Lois O'Connor

In July, Showtime is presenting "Suburban Showgirl," a show about the challenges of balancing a career as a professional dancer with motherhood. The show, produced by Diane Carroll, is based on many of Palmer Davis' experiences. She has created a show populated with characters from her life — all presented by Davis as her stage persona, Wendy Walker.

Her tale is told in flashbacks while trapped in a backstage Las Vegas bathroom, a humorous devise that allows her to unexpectedly appear in various locations in the theater as if by magic. Her stories will reveal the optimistic dreams of a woman whose tenacity keeps her on track, even as the fraying edges of her personal life begin to unravel.

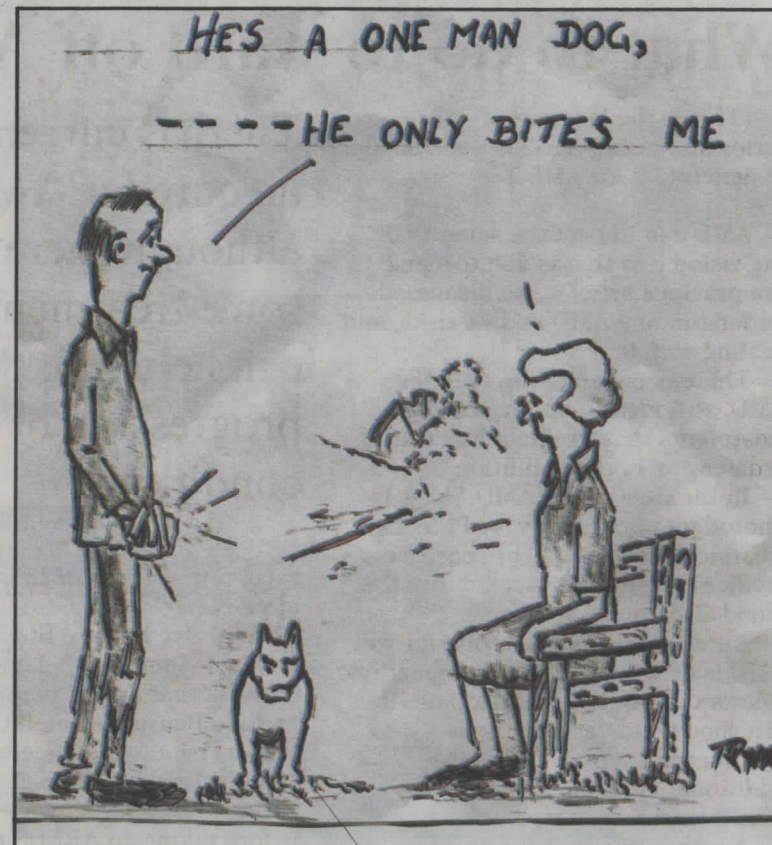

Davis first takes the stage as a patient dance instructor coaxing cooperation from tiny tots. She coaxes these kids for 10 years, playing both her part and all of their parts. Along the way, we will catch glimpses of Davis at the children's ages, a sheltered kid from La Jolla and a struggling dancer. As the

children grow, Davis will grow. We will see Davis during auditions and child-rearing stages and the conflict between the two roles. Through dance, Palmer will capture life's significant lessons: heartbreak, love, disappointment and success.

Davis' career includes films, television, commercials and theater. Her latest films are "Stepping High," "Within" and "Green Card, Black Rice." Some of her TV appearances include "CSI: Las Vegas," "Castle," "Romantically Challenged," "CSI: New York," "The Rookie," "The Drew Carey Show" and others. Her many theater appearances include "Suburban Showgirl," "Radio City Christmas Spectacular" and "The Will Rogers Follies First National Tour."

This is a must-see show! The performance is Sunday, July 13, at 2 p.m. Doors will open at 1:30 p.m. Mark your calendars!

Tickets are on sale at the Leisure Village Box Office Tuesdays, Wednesdays and Thursdays from 9 to 11 a.m. The price is \$10 for members and \$13 for non-members.

What to do to ward off Age-Related Macular Degeneration

(This is the last part of a three-part series discussing Age-Related Macular Degeneration, or AMD.)

AMD can impact the severity of the vision loss that is due to aging. In the previous articles, we discussed understanding AMD and its risks, and dealing with it.

There is currently no cure for AMD, although there are some treatments that can help halt the progression of the condition.

In the case of wet AMD, there is photodynamic therapy, or PDT. This treatment utilizes a light-sensitive medicine, which is injected into the blood stream.

Another treatment option for wet AMD is called laser photocoagulation. Doctors can determine if a patient is a good candidate for these treatments and may prescribe additional medicines that boost their effectiveness.

Another important

There is currently no cure for AMD, although there are some treatments that can help halt the progression of the condition.

recommendation for those who already have AMD is adding an Age-Related Eye Disease Study (AREDS) formula vitamin supplement. Some of those that are on the market include Bausch + Lomb Ocuvite PreserVision®, ScienceBased Health MacularProtect Complete®, and Alcon I-Caps®. Ask your doctor before taking an AREDS formulation

supplement.

There have been clinical FDA trials of the Implantable Miniature Telescope (IMT) that have shown that this implant can help certain people with advanced stage AMD see better. The drug Lucentis, approved by the FDA in 2006, has been shown to help about one third of people with advanced AMD see better.

After knowing and understanding all the facts about AMD, an important question remains: Can AMD be prevented? Fortunately, there are a variety of things seniors can do to help ward off AMD.

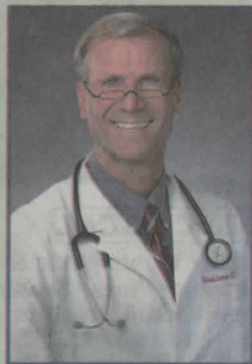

All About Vision at www.allaboutvision.com offers these tips:

- Do not smoke.
- Improve your diet by eating dark leafy green vegetables, such as spinach; increasing intake of fish; and consuming nuts and fruits daily. Doctors also recommend reducing refined carbohydrates.
- Add supplements to your

diet, including a multivitamin or multimineral supplement such as Centrum Silver®. Ask your doctor for a recommendation.

- Add a fish oil supplement if your diet lacks sufficient fish protein. An enteric-coated fish oil does not have a fishy aftertaste, nor does it cause belching.
- Get plenty of exercise.
- Keep cholesterol, blood pressure and weight all in check.
- When outside, wear sunglasses that block UV and blue-ray light, the type of sunlight that may cause eye damage.
- Get regular eye exams.

REALTORS CORNER

Two forms to know about

**By Sharron Parker
Troop Real Estate Inc.**

There are two forms that are available from the Assessor of Ventura County that could be important. I recently became aware of them from an escrow officer. They are the Claim For Reassessment Exclusion For Transfer Between Parent and Child and Claim for Reassessment Exclusion for Transfer From Grandparent to Grandchild.

In the state of California, real property is reassessed at market value if it is sold or transferred, and property tax can increase dramatically as a result. If the sale or transfer is between parents and their children or from grandparents to their grandchildren, in some instances, the property will not be reassessed if certain conditions are met and the proper application is timely filed.

These propositions, 58 and 193, allow the new property owners to

avoid property tax increases. The new owner's taxes are calculated on the established Proposition 13 factored base year, instead of the current market value when the property is acquired. A claim must be filed with the county assessor's office by the earliest of the following: within three years of the transfer or prior to transferring to a third party.

Forms BOE-58-G and BOE-58-AH are on the Internet, available for printing; however, you will certainly want to consult with your tax or legal adviser. Information is available from the Ventura County Assessor's Office.

Millie and Don Seidler are celebrating their 70th wedding anniversary this month.

Anniversary recognizes 70 years

Continued from 1

Chicago. Don studied at Northwestern University, and their daughter Barbara — who now lives in the Village, too — was born.

After graduation, the young family moved to San Diego; Don earned a teaching credential and began his 30-year career in education. Two more children, Nancy and David, were born, and the family settled in Oxnard. Their "fourth" child, Elesbeth, came as an exchange student from Denmark and has been family ever since.

Don moved successfully in positions in the Oxnard Union High School District while Millie served as the chair of Seidler Everything Else as well as the director of the Temple Beth Torah Preschool in Ventura. As she describes it, "My father was the

first women's liberation advocate. He taught me to be independent."

They laugh as they describe their partnership of 70 years.

"Don's the spender; I'm the saver," explains Millie.

"I was always home for dinner. That's where we talked about everything," adds Don.

And they've lived their dreams: After Don retired, they moved to Germany for five years; they built a house themselves on Lake Nacimiento; the whole family lived in a 15-foot trailer in Wyoming for a summer; and together they raised money for the City of Hope for a dozen years.

Their 70-year success secret? They agree (of course): "We both have to give a little, and we always talk it out."

That conversation is going strong.

to the governing documents range from extending the terms of LV Board members from two years to three years to outlawing "cumulative" voting for directors (casting all one's votes for one candidate) to making mandatory legal changes.

The two ballots are color-coded: salmon for the candidates with a blue sealable envelope, and yellow for the changes to bylaws and other governing documents with a yellow sealable envelope.

The ballot boxes can be found in the Rec Center and in the Association Office. The votes will be counted at the Annual Meeting on June 26.

Clubhouse rooms renamed

A few months ago, the Annex was renamed the Clubhouse, but the rooms there were identified by temporary, albeit descriptive names. No longer will we have to refer to the Wii Room or the Wood Floor Room. Names have now been assigned to all the new rooms in the Clubhouse, as follows:

- The Wood Floor Room is now the Santa Rosa Room.
- The Wii Room is now the Ventura Room.
- The Table Tennis Room is now the Camarillo Room.
- The Computer Room has become the Tech Center.
- The Social Room is the Woodcreek Room.
- The New Game Room is now the Ojai Room.

A sure sign LV is pet-friendly

By Susan Amerikaner

Santa Ana winds wreaked havoc in Leisure Village during the final days of April. Trees were uprooted, and branches and leaves were strewn everywhere. Our maintenance department did a superlative job of cleaning it up.

However, as we walked our pooch past the barbecue area near the Pavilion, we saw this unintentionally funny sign. It originally said: PETS NOT ALLOWED IN THIS AREA. After wind-damage, it read: PETS WED IN AREA.

I know we're a pet-friendly community, but a pet-wedding area? By the time you read this, the sign may have been replaced, but we thought the temporary silly sign was worth a photo and a smile!

Photo by Erik Amerikaner

Leisure Village has its own area devoted to pet weddings.

Bowling League

By Bob Cohen

It's all over but the shouting — and that has died down considerably.

With the decisive defeat of first half leader Team 14 by second half leader Team 1, the 2013-14 season has come to an end. Team 1 — Laura Schweers, Ginny Cordell and Nick Fiore, with an assist by substitute bowler Ted Ryan — won the League Championship by a 3-to-1 margin, despite the valiant efforts of Danny Coleman, who bowled a 270 scratch game! Well there is always next year—but more about that later.

There were only three weeks of bowling in this final reporting period, but that doesn't mean that there was a shortage of 200 scratch games. In fact, there were 16 such games bowled. Danny Coleman led the parade with six games (270, 253, 248, 208, 203 and 203). Dennis Durand (211 and 202) and Alan Singer (244

and 207) had two games each. Joining them with one game each were Don Christy (214), Fred Diehl (208), Bob McQuivey (212), Ellen Neally (201), Bigg Al Schuster (226) and Art Titen (203). Great way to end the season!

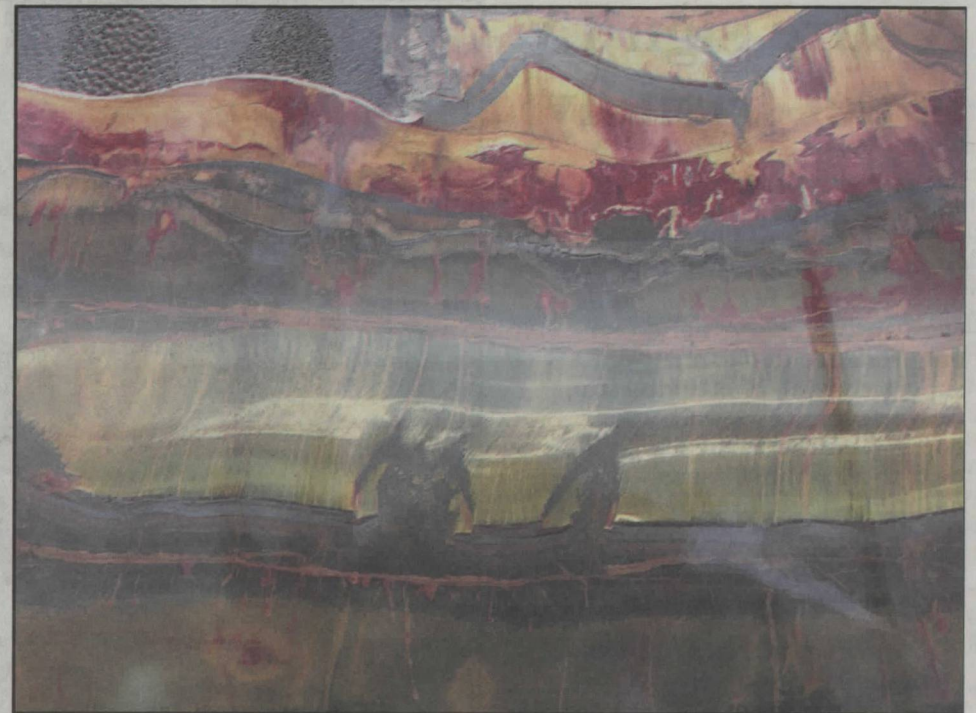

Side pot winners for week 30 were Vivian Hurst, Ellen Neally and Gail Singer for the ladies and Irv Cohen, Don Christy and Fuzzy Melton for the men.

Week 31 winners were Gail Singer, Ellen Neally and Ginny Cordell for the ladies and Fuzzy Melton, Alan Singer and Richard Cato for the men.

Week 32 was sweeps week, the winners of which were announced at the annual luncheon. But the side pot bets were still placed. Winners were Ellen Neally, Billie Stimac and Olga Chlude for the ladies and Art Titen, Bigg Al Schuster and Jerry Rosen for the men.

One last set of congratulations: The men's high scratch average award this year goes to Danny Coleman (200). The women's high scratch

Racquet Club

By Diane Senia

Our next club meeting is Wednesday, June 11, at 7 p.m. in the MPR. Also, in the spirit of enjoying the community we have become, we have declared every Friday evening, from 5 p.m. until dusk, a "pot luck, "pu pu and paddle" extravaganza. It is a way for all of us to get together, play, enjoy each other's company and celebrate life as long as we can live it.

But playing requires that we keep ourselves in shape. For those of you who are looking to improve your stamina so you can play without fear of injury or exhaustion, I am offering a free exercise class specifically designed to balance the muscles, strengthen the body and prevent injuries that happen when we are trying to have a good time. Questions? Call Diane at 482-8666. Classes are in the Clubhouse Monday, Wednesday and Friday from 11 a.m. to noon, so it doesn't take away from your paddle time.

Playing paddle tennis is the cheapest form of therapy for the body and mind, but you have to be in shape to participate. Just saying.

• Paddle tennis: Every Tuesday, Thursday, Saturday and Sunday from 9 to 11 a.m., we all get together and play paddle. Tuesday, Thursday, and Saturday from 8 to 9 a.m. is easy play. And the round robin for beginners and intermediate players is 3 to 4:30 p.m. on Monday and Wednesday. Friday from 9 to 11 a.m. feel free to set up your own doubles and enjoy uninterrupted play. Hope

to see you out there on the courts. Sunshine is the go-to gal if you are interested in joining our delightful little community of athletes. Call 388-1230.

• Pickle ball: Pickle ball is all the craze around the country, particularly for senior citizens. You play on the paddle courts with paddles that are provided and waffle balls. It is impossible to play this game without chuckling, particularly on a windy day. Regularly scheduled times are Monday and Wednesday from 9 to 11 a.m. Questions? Call John Peterson at 388-1230.

• Tennis: Call Sharon at 910-9428 if you would like a list of available LV players.

• Ping Pong: Ladies play Monday, Wednesday and Friday from 8:30 to 9:30 a.m. Men play Monday through Saturday from 9:30 to 10:45 a.m. Open play is Monday from 3 to 4:30 p.m.

Call John Peterson for information at 388-1230.

The Booster Club

By Lin Grant

The Booster Club sponsored the very successful Spring Sale last month. Villagers bought and sold precious items, leaving with smiling faces. The remaining items went to charity. We would like to invite any and all Villagers to meet with us on June 18 at 7 p.m. in the MPR. The club needs new members; membership doesn't necessarily mean attending monthly meetings. Membership may be as simple as adding your helping hands to support our events and activities. The proceeds from events presented by our club have provided many enhancements for the Village, which were not included in the budget. Without your support, we would not be able to celebrate Veterans Day with the Canteen provided free to all members of our community.

We are in the process of identifying our next fund raising event. Please join us with your ideas. We hope to see you there.

Please see CLUB NEWS on 18

If you had an emergency, would you know what to do?

I've often thought when hearing the unsettling noise of the fire engines coming through Leisure Village that somehow it is a really jarring sound we hear way too often. And when we hear it, we silently hope and pray that blaring sound will not wind up at the home of someone near and dear to us.

On Tuesday, April 22, at about 4:15 p.m., that sound, that fire engine noise, stopped at my house. What happened to me after I had taken a shower and while I was casually watching afternoon TV, was a numbness and tingling on my left side beginning at my face and leading down to my foot, all on one side.

I live alone, and without someone to call, I quickly decided this was something serious. I managed to get to my phone and speed dial, and because I had previously preset it, the LV emergency staff promptly answered. I identified myself and described my situation.

While talking to them, the numbness and tingling stopped. I thought I was fine and maybe it wasn't necessary for them to follow up with me; they decided differently and said they would be there immediately.

They were.

Talking to me and realizing I may or may not have had a stroke, they suggested calling 911.

Admittedly, I was scared and agreed to that call. Paramedics arrived quickly and, after putting a blood pressure cuff on my arm, determined my blood pressure was a whopping 190. They recommended I be taken to Pleasant Valley Hospital.

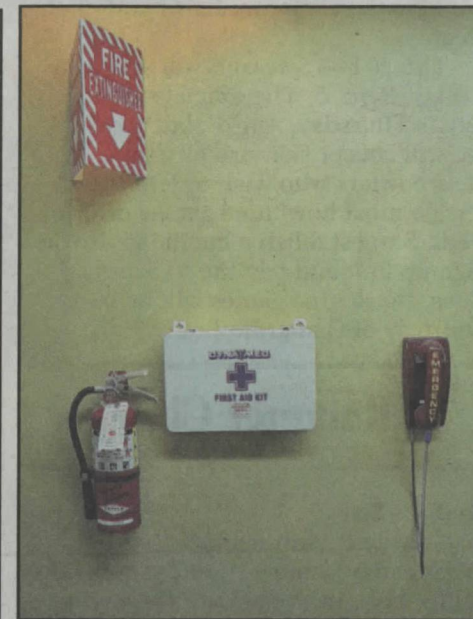

Hopping on the gurney, because I could, I was whisked off to the hospital. A doctor reviewed what had occurred and planned a series of tests.

With my first free moment, I got out my cell phone to call my kids. Guess what? The battery was dead. Where was my charger? One was at home; one was in my car — logical places, I thought. I didn't even know my kids' phone numbers because I was used to just speed-dialing. What was I to do?

Explaining my dilemma to the first person I saw, I was offered their universal charger. Whew! Within a short time, my smart phone was charging and I was able to email my kids.

Photos by Jerry Spector
Sgt. Danny Camacho takes an emergency call at the Main Gate.

The emergency phone in the Clubhouse hallway.

The emergency telephone next to the swimming pool.

Easy to see, easy to use.

The paramedics shut and locked my front door as we left. They weren't aware that my house keys were on a hook in my kitchen. Fortunately, I had a key hidden outside, so I was able to get in when I returned home.

The following is very important. The purpose of this is to remind all residents this is something that could happen to you. I am using my experience to share some hints to help in the event you suffer a similar emergency.

Are you prepared?

1. Do you have the emergency number for LV in your speed dial? It is 388-3636.

2. Do you have a list of the your

medications (and dosage) readily available in your wallet?

3. Do you have the phone numbers of your immediate family and close friends written down?

4. Do you have the phone number of the CAT should you be in a situation where you might need a ride home?

5. Do you have a house key with a neighbor or hidden somewhere outside?

6. If it is possible, you may choose to get the names of the emergency personnel who assist you, perhaps to later send a thank you note?

7. Be proactive! I was so eager to leave the hospital that I didn't pay much attention to the exit papers I

signed. I did not notice the hospital personnel had failed to complete the doctor's name and the phone number I was supposed to call for a follow-up appointment.

8. And specifically for women, don't forget to have your eyeliner in your purse!

I am back home, following doctor's orders, taking my meds and hoping I never have to repeat my recent episode. But I am prepared now. Are you?

500 Villagers attend 10th annual Health Fair

If Jane Burke is an example, the yearly Village Health Fair is very effective. The 91-year-old resident who exercises daily and plays golf weekly attended this year's event because "I like to support this. It's nice to know where we can get help if we need it," she said.

More than 500 Villagers seemed to agree as they attended the 10th annual Leisure Village Health Fair on May 4.

The "largest ever" is how event chair Mary Jane Porter described the 2014 Health Fair. With 55 exhibitors ranging from hospice groups to medical professionals and community safety representatives, the Health Fair provided information, diagnostic tests, a lesson in the "new" CPR, food, and a listening ear to visitors who attended.

Villagers Marilyn Rizzardi and her husband Ralph were first-timers.

"This covers all subjects. We could get help now if we needed it," she said.

Sponsored by Your Neighbors Care Group, the Health Fair exhibitors occupied the AR and the Garden Room.

The manager of Camarillo Aquatics and Rehabilitation Services, Linda Halpin, said her company applied for three years before a spot opened up this year.

"We want people to know that our services are nearby," she said.

Healthy refreshments were a big hit at this year's Health Fair.

Event organizers say at least 10 vendors were turned away this year due to lack of space.

The testing locations were very popular. The St. John's Medical Center bus parked in the East Lot performed blood analyses for conditions like high cholesterol and diabetes. Hearing and eye tests were provided around the AR.

Resident Fil Barton took a stroke evaluation.

"I got a clean bill of health, a relief to me because there's a history

of strokes in my family," she said. Exhibitors provided gift certificates and donations for the 42 raffle prizes won by Health Fair attendees.

"The fruit basket we won is so big that we needed help to get it back home," said winner Shirley Raymond.

Home health care organizations and assisted living facilities were well represented.

Alma Via's Executive Director Ted Burgess explained, "This is the place to be for us. People can ask questions

Village resident Mary Jane Porter, left, the Health Fair coordinator, and Patty Bollard of the Camarillo Health Care District handle emcee duties.

about what we offer, and there's no sales push."

One of the most visited vendors was Thelma, the therapy chicken representing Somis Living, a small residential facility. Thelma is part of the comfort team that lives on the Somis grounds with its elderly patients.

"She is well trained to sit quietly on people's laps and help them relax," said co-owner Jeff Fithian.

And she confirmed his description by sitting unruffled on her perch as dozens of visitors petted her during the Health Fair.

Hey, a lot of good stuff on hand this month. Get a beverage, take a seat and shut off the TV.

We welcomed back Joseph Benti to the links after a year of physical recovery. Good to hear his rich, baritone voice once again on the tee box. Benti later stated, "I played with the Nine Hole Golfers — wonderful people. Thank you all for your kind words welcoming me back." When

asked how he played, he added, "I almost had a Birdie on #4!" Benti finished the round two under par, winning the Low Net Award with a 25 on May 13. Well done, Joseph.

Hole-in-One congrats to Ross Edmonds who "aced" the 15th Hole on April 15.

Endless thanks to those who donated their unused golf clubs to the Spring Sale. LVMGA netted \$102. This year we donated unsold clubs to the Department of Veterans Affairs for their use in golf therapy for returning vets.

Travel Committee

By Glenn Whitlock

This week I was able to check one more thing off my "Bucket List." Several of us traveled to the beautiful Huntington Library with Curt Tucker and Chris Doqui, Curt's assistant, as our guides. Fun was had by all as we visited not only the mansion, but saw fabulous art exhibits, lush gardens and did it all with friends and neighbors.

Don't miss out on future trips by signing up now. Feel free to come by the Travel Office and find out more regarding our latest trip news. Remember, our office hours are Tuesday, Wednesday and Thursday from 9 to 11:45 a.m. We look forward to seeing you!

Coming up in the month of June

and July are more opportunities for you and your friends to enjoy:

- Cowboys & Aliens. No we are not kidding. Come with us on Wednesday, June 11, as we visit the Gene Autry Museum, which includes touring new exhibits "Floral Journey and Route 66: The Road to Romance"; then on to the Griffith Observatory for a picnic lunch at the observatory before enjoying a performance in the Samuel Oschin Planetarium. Purchase your ticket for only \$81 per person and select your box lunch item. Curt Tucker will be our guide for the day, and Glenn Whitlock will be our escort.

- "Once," the winner of eight Tony Awards, including Best Musical in 2012, is promoted as a truly original Broadway experience. An ensemble of actor-musicians who play their own instruments on stage tells the enchanting tale of a Dublin street musician who falls in love with a beautiful young woman. Their unlikely connection turns out to be deeper and more complex than your everyday romance. From the

first note, the songs and theatrical performance will have you captivated. This trip is scheduled for August 10 with Harriet Lit as the escort. The price is \$105 per person.

- Come satisfy that "sweet tooth" craving we all have, on July 8, as we motor coach to Los Angeles, the City of Angels, and all things sweet. Join us as we travel to Asian, European, Mexican, Armenian and Cuban bakeries, where treats will be awaiting us at each stop. Lunch will be provided at Tam O'Shanter Inn restaurant. This is a new bakery tour guided by Curt Tucker. Stop by the Travel Office for specific details for this adventure. The price for all of these treats and more is \$81. Mira Fontes will be the escort, and Curt Tucker our guide.

Coming up in the next few months are these great trips: the Jet Propulsion Laboratory (JPL) Sept. 4; "One Voice" production and lunch in Huntington Beach on Aug. 20; and our next casino trip scheduled at the Viejas Casino in San Diego Sept. 16-18.

Village Arts

By Lindy Stein

Members of Village Arts were invited to view the home studios of four of our artist members on May 1. Reggie Katz, Charlotte Olonoff, Rea Williams and Irene Davis were the gracious hosts that afternoon displaying their wonderful artwork.

The club will not be having the regular meetings during the summer months, July and August. The art classes will continue during the summer in the Lanai Room on Monday, Tuesday, Wednesday and Friday afternoons from 1 to 3 p.m.

Writers Club

By Harvey Brosler

The Writers Club meets every Monday at 1 p.m. in the MPR. The purpose of the club is to bring together residents to present stories or poems on any topic, real or fictitious, including thought-provoking topics. Suggested topics are furnished. Microphones are provided. Some members read stories or poems while other members may just come to listen. No prior experience is required. All residents are welcome. Members do not critique but may comment.

"Stories of the Month" are located on the wall just inside the entrance to the Library and feature presentations on gold mining in Africa by Peter Davies. A library copy of prior "Stories of the Month" for 2013-2014 is located in a folder on the magazine rack.

The suggested topic for June 9 is "Childhood Memories," for June 16 it is "Was My Childhood Happy?" for June 23 it is "Do I Believe In Destiny?" and for June 30 it is "My Greatest Achievement." Contact Harvey Brosler at 465-0006 or at hsbros@roadrunner.com for more information.

You will meet the usual characters: the handsome hero, the malicious villain and his gang, three beautiful damsels in distress, a lonesome cowboy, the music man (piano player) and, of course, the honorable sheriff and his lovable sidekick, also a very unusual bartender, and let's not forget the dance hall girls. There's all that and some wonderful songs you can't help tapping your feet or singing along to. So wear your cowboy hats and boots — and ya'll come, ya hear?

"A Saga of the Old West" is scheduled for Thursday, June 19,

at 7:30 p.m. in the AR, after a brief board meeting. Refreshments will be served after the performance.

Saturday Nite Dance Party

By Andrea Moran

Summer is here, along with graduations and wonderful weather. It's great to be alive and to enjoy all the activities at Leisure Village. The one I like the best is our Saturday Nite Dance Party. It's a way to dress up and have fun.

Our schedule for June: June 6, Dick Parent; June 14 (Flag Day — my birthday), Rhythm Kings; June 21, Tropic Starr; and June 28, Jerry Dokken.

Please join us for the great music and new friends. I know you will enjoy your time. We meet in the AR from 7:30 to 10 p.m. Cost is \$7 per person. Punch and fresh popcorn are included. We'll see you there with

bells on!

The Amateur Radio Club

By Jonathan Fox

For the upcoming July 3 meeting, we will have a presentation on "Propagation and how it Effects Communication." Making good use of propagation characteristics is the key to getting a message through or a contact made. Using solar website data and free software, we will find out how to maximize successful communications.

So plan on joining us for this presentation. Our club promotes a fun hobby that is enjoying a renaissance today as more people discover the ability to make new contacts with fellow hams in both local and distant lands. Others join our club as a way to help with service to the community by working with state,

county and local agencies to provide communication in times of need.

If you are curious about becoming a member of the club, please join us at one of our meetings. You do not have to be a licensed amateur radio operator to join. We will provide help in getting your license, and it's now easier than ever since Morse code is no longer required. Meetings are held the first Thursday of the month in the MPR at 2 p.m. For more information, contact Jonathan Fox at 805-377-3697 or KT6LA@yahoo.com.

Friday Nite Dance

We have no meeting in July so as not to interfere with preparations for the Independence Day weekend. But look forward to the variety act of Stu and Laurie on August 7. The meeting, which starts at 7:30 p.m., is very short. Laurie is a wonderful vocalist who presents songs we all enjoy. Stu does impressions and gives some laughs. You may remember them from a previous performance here. We look forward to seeing you.

Women's Club

By Chitose Chun

The Women's Club is busy preparing for its annual highlight — the Fashion Show, this year called "Chic and in Vogue with Chico's." This single most important fundraising event is Thursday, June 12, at 1 p.m. in the AR. Tickets are sold at the Box Office on Tuesday, Wednesday and Thursday from 9 to 11 a.m. at \$10 each. Seating is limited and reserved; please remember to bring your ticket with you and arrive early. No tickets will be sold at the door.

Sharon Loney, our creative chairman, brings a fresh and friendly style to the show. She asked for and got 15 volunteer models of all shapes and sizes from our membership. Some of you have been models before, and others are brand new to the walkway. They will stroll through the room and

past each table with time to see and be treated to the classy fashions of Chico's. Come dressed up or wear a more relaxed look, if you prefer, but do come and enjoy the elegance. This is an opportunity for newcomers to meet others while you enjoy a salad and dessert served at the table.

The Women's Club has donated a significant amount of money over the years for charities and improvements for the Village — the latest being the 80-inch TV in the Santa Rosa Room.

The club often contributes with other clubs for larger projects. The Craft Boutique on Tuesday mornings is the mainstay of our fundraising. This includes the money from materials sold and donated by the Sewing Club and retro-jewelry. Sales have been slowing down, and the women are working hard to bring them up and need your help. Sales of jewelry are always popular, and we're low on

Wii Sports

The Wii Sports Club would like to thank Diane Knopf for the fabulous murals she painted in the Ventura Room of the Clubhouse. Each painting shows the Wii sport that is played — Wii Bowling, Wii Tennis and Wii Golf. They certainly enhance the room. Stop by and see for yourself.

Wii Bowling scheduled sessions are on Tuesday, Wednesday and Thursday. Wii Tennis and Wii Golf are played on Wednesday at 10 a.m. to noon for open play and instructions.

Laugh, play and exchange ideas — it's part of the Wii Sport experience.

If you are interested in participating in any of the Wii Sports, please contact Joan Levy at 482-6871 or Paul Schifanelli at 419-4124.

"Mavericks Cinema Night" will be held on Friday, June 27, at 6

p.m. in the Santa Rosa Room at the Clubhouse. The wonderful fun movie we are showing is "Chicago," which was the Academy Award-winning picture in 2002. We will need to comfortably set up the room for all people who plan to attend, so please pick up a free ticket for paid members at the Box Office in the Rec Center Lobby on Tuesday and Thursday mornings from 9 to 11 a.m. If you are not a paid member, you may purchase a ticket at the Box Office for \$5, which will also cover your membership dues from May 2014 to May 2015. You must have a ticket. Please join us for this fun night by bringing a snack to share and BYOB. See you at the movies!

Membership dues for the year May 2014 to May 2015 of \$5 per person are now being collected by Membership Chairman Ellie Edwards and can now also be paid at the Box Office in the Rec Center Lobby. allergies, as well as why cats throw up, besides the proverbial hairballs. Again, remedies and precautions were discussed, and a lively question-and-answer session followed.

We then had quite a discussion of coyotes in the Village, with many members relating their personal stories of encounters and sightings. We decided the Pet Club would take an active role in researching solutions.

A VC Star reporter was present at the meeting with her mom, who is a new resident and new club member. Kim Lamb Gregory then developed an article over the following week about the coyote issue in the Village; it was published in the VC Star on Monday, May 19, and is also available online for subscribers. If you do not subscribe, we will have copies of the article at our next meeting. On Page 3 of this edition, read the tips for discouraging coyotes and for dealing with coyote encounters.

The speakers for our June

9 meeting will be Adriene and Heather, professional groomers. They will discuss how to keep your dogs comfortable and looking good between professional grooming, what type of brushes, combs and rakes work best for various types of coats, how to address dry skin issues, and other grooming tips. Adriene and Heather also groom cats and will discuss tips for cat grooming as well. We will have educational materials and whistles available for coping with coyotes. The meeting is June 9 at 7 p.m. in the MPR, with coffee, tea and cookies as always. All Villagers are welcomed.

Billiards Club

By Patrick Price

The always fun Billiards Club Picnic-in-the-Park will be on Saturday, June 7, at noon in the picnic area next to the Clubhouse. Tickets are \$7, which includes roasted chicken, beans, coleslaw, soft drinks

and other goodies. As always BYOB. Tickets are available at the Box Office in the Rec Center on Tuesday, Wednesday and Thursday from 9 to 11 a.m. and probably from the usual suspects. The annual Billiards Club ice cream social is planned for June 26 at 6 p.m. in the Santa Rosa Room in the Clubhouse. Paid-up Billiards Club members are welcome.

Also, an 8-ball tournament is scheduled to start on Monday, July 14. Billiards Club members can sign up in the weeks before. Matches will be on Mondays, Tuesdays and Thursdays until the victorious emerge.

Watch for posters advertising these events in the Rec Center atrium and in eNews and LVTv. Come join our popular Thursday night challenge. Be there at about 6 p.m. to sign up. And, there is the fun LCR game in the Lanai Room for those not playing pool.

The next Billiards Club meeting is Tuesday, June 24, at 7:30 p.m. in the MPR. Snack donations are always welcome at the "after meeting" in the

Garden Room. See you there!

High scores submitted for an eight frame game in May were: April 23, Milt Krapes, 161; May 7, Milt Krapes, 162; May 14, Alice Beumkes, 150; and May 1, Cela Foster, 172. Everyone is doing very well and enjoying shuffleboard at the same time. There is a lot of enthusiasm and interest in shuffleboard.

CLUB NEWS

Continued from 26

8 p.m., which is followed by a dance for \$7.

Cookies and punch will be served in the Assembly Room all day. Last year it was lots of fun. Come this year and have a great time. This is a fundraiser for Alzheimer's. Leisure Village asks that checks be made out to the Alzheimer's Association and under Memo: "Restricted to Ventura County."

Towels are available for spraying the silicone on the flat side (bottom) of the discs, which makes it easier to play shuffleboard. Please sign in each time. We regularly play shuffleboard on Wednesdays at 9:30 a.m. Villagers are invited to join. We will teach you if you don't know how. There are no dues. You can practice at any time.

The equipment, information for playing shuffleboard, and sign-in sheets are in the chest by the scoreboards. Please close the chest when finished. Cues, the long sticks, are attached to the back of the scoreboards. Come and join the fun.

WHAT'S COOKIN': CHILI FOR CHEATERS

By Susan Amerikaner

Did I get your attention? I don't mean that kind of cheater. I mean those who cheat on a "from scratch" recipe and make something easy-peasy, out-of-cans, that tastes like homemade. This recipe makes the best and easiest chili ever. I add the chocolate for a little kick.

Now that this is in print, I'll have to hide all copies of *Inside Leisure Village* I can find, as I really don't want my husband to know how crazy simple this is to make. I led him to believe I worked on this for hours. You don't have to use Trader Joe's brands, but I prefer them.

World's Easiest Vegetarian Chili

- 1 can Trader Joe's Vegetarian Refried Pinto Beans, salsa style
- 1 can Trader Joe's Organic Vegetarian Chili
- 1 jar Trader Joe's Corn & Chili (tomato-less) Salsa
- 1 ounce semi-sweet chocolate chips (optional)

Combine all ingredients in a heavy pot and heat on medium.

Stir until hot and all flavors come together.

Makes 4 to 6 servings.

MORE PARAPROSDOKIANS

• Buses stop in bus stations, trains stop in train stations. On my desk is a work station.

• I thought I wanted a career. Turns out I just wanted paychecks.

• I didn't say it was your fault; I said I was blaming you.

• I used to be indecisive. Now I'm

not so sure.

• You're never too old to learn something stupid.

• Nostalgia isn't what it used to be.

• To be sure of hitting the target, shoot first and call whatever you hit the target.

Camera Club

By Florence Gilman

The May meeting had forward-looking plans for ideas for field trips, a possible move to the Club Room, and volunteering at the Banjo Festival. The wonderful Club Faire brought 18 interested residents and was a greatly appreciated positive boost. We hope all will come to our meetings!

The evening competition was judged by Dan Murphy. Winners as follows:

In the Assigned category of Textures, Patterns and Abstracts, first place went to Arnold Singer, second place to David Kiefer, third place to Rebecca Maximovich and the two Honorable Mentions to Verna Cryder and Jackie Fishman.

In the Open category, first place went to Laura Greffly, second to Frank DeSimone, third to Marlene Votion and the two Honorable Mentions to Jean Kohut and Don Treadwell.

In the Creative category, first went to Al Sarnelle, second to Marlene Votion and third to Rita Linsey.

Leisure Village is Popping!

Anyone can sell your home in this market BUT not any agent will serve you and your interests. Here is what a few clients have recently expressed:

"If you are looking to sell or buy a home in Leisure Village or elsewhere in Camarillo, look no further than Barlow Williams Realty. We co-owned a home with my wife's father in Leisure Village. Due to medical problems we had to move my father-in-law to an assisted living home and needed to sell the Leisure Village home. We chose Barlow Realty as our broker, which was a wise choice. Dave [and his team] were extremely professional and helpful through the sale and escrow period. They went beyond the call of duty in accommodating our special needs. They even helped us dispose of furniture that the family did not want to keep. Their knowledge of the rules and regulations of Leisure Village were exceptional. Everything about this experience went smoothly. It was a pleasure working with them."

—Larry F.

"I want to thank you for the professional and competent real estate services that you and your wonderful family provided me regarding the sale of my mother's home. I have sold and purchased many homes in my lifetime and the personalized services that you provided are above all the rest. You and your family-run business seem to anticipate every contingency, head-off any potential problems, are sensitive to personal issues, and take care of your customers in a manner that is beyond reproach. I was actually surprised at the high level of service that you provided. Your staff has their own professional specialties and great working relationships with escrow companies, obtaining repair and pest control services, and any other issue that needed to be taken care of. I was extremely pleased with the services that they provided me. I cannot speak highly enough of your staff's competency. —Douglas B.
