FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to the university's 50th anniversary commencement celebration. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

This commencement celebration, in particular, commemorates 50 years that Cal State Fullerton has achieved a difference in the lives of more than 180,000 Titan alumni; affecting the future of California and the nation. It is my hope that you will take from your experiences here, the spirit of Titan Pride that resides with the students, faculty, staff and administrators at Cal State Fullerton.

Today the university honors an estimated 10,000 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be life-long learners dedicated to the pursuit of excellence and the importance of life issues; and to find opportunities in your life to continue to discover, innovate and achieve.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 2008 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours!

Milton A. Gordon

President, California State University, Fullerton

Congratulations graduate! As president of the Cal State Fullerton Alumni Association I extend my compliments on a job well done. You are now a member of the Titan community that comprises more than 195,000 Titan graduates.

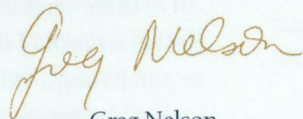

Commencement does not mark the end of your relationship with Cal State Fullerton. Instead, it is a time to celebrate your accomplishments with family and friends. You should feel very proud for achieving this important milestone and receiving your degree. Now, you will embark on new journeys and goals. Through your work, continued education, and involvement in the greater community you will utilize the skills you have developed while a student at Cal State Fullerton.

We're proud to have you representing your alma mater. You are among many notable alumni such as Academy Award-winning actors and screenwriters, television news reporters, Pulitzer-Prize winning journalists, successful novelists, doctors, lawyers, teachers, professional athletes, entrepreneurs, astronauts, legislators, scientists and business leaders of some of the country's most successful companies.

Becoming involved in your alumni association provides you many opportunities to stay connected with the university, continue your professional development, and maintain the bonds you have made while in school. It also allows you to continue enjoying some of the benefits that were provided to you as a student. Alumni who are members can take advantage of services such as the library, alumni portal, access to recreational facilities, discounts for extended education, and much more.

Membership in the association is an investment in your career and provides resources that provide you support well beyond graduation. Take advantage of our alumni network and the programs we offer.

Best wishes in all your future endeavors,

Greg Nelson

B.A. English '74

ABOUT THE PROGRAM

LIST OF CANDIDATES: Students eligible to participate in the 2008 commencement ceremonies are January 2008, June 2008 and August 2008 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: cum laude, 3.5 to 3.74; magna cum laude, 3.75 to 3.89; summa cum laude, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote cum laude; orange ribbons denote magna cum laude; and blue ribbons denote summa cum laude. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 2007 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement ceremony has been honored as the Distinguished Faculty Member of that particular college. This distinction is bestowed by the president upon the nomination of fellow faculty members.

UNIVERSITY HONORS: Students graduating with University Honors have earned 24 units of Honors coursework, achieved a minimum grade point average of 3.5, and completed a Senior Honors Project. These students have been awarded medallions for their achievement. Program notations are based on the students' records at the end of the fall 2007 semester. Official award of University Honors (which is indicated on the diploma) is contingent upon the candidate having met all university requirements and related criteria.

PHI KAPPA PHI: Among those participating in commencement ceremonies are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY AND DVDS: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed, with no cost or obligation, to participants. The university will also offer for sale, videos of each of the university ceremonies and also of the Saturday, Mihaylo College of Business & Economics ceremony, and the Sunday College of Health & Human Development ceremony for the Departments of Child & Adolescent Studies, Kinesiology, Human Services and Health Science. All of these ceremonies are located on the same venue on the lawn north of the gymnasium. If you are interested in purchasing a video of any of these ceremonies, please view the webpage: www.fullerton.edu/commencement.

CEREMONIAL REGALIA

CEREMONIAL REGALIA: The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music;

green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown Valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

GRADUATION WITH TITAN PRIDE: Cal State Fullerton is proud of the graduating class of 2008. Out of respect for each graduate, we expect graduates and guests to remain in their seats until the conclusion of each ceremony. We also ask that cell phones be turned off during the commencement events. Smoking and alcoholic beverages are not allowed at any of the commencement events.

EMERGENCIES: First aid stations are located in the parking lot of the Student Health and Counseling Center on the east side of the Titan Gymnasium, and on West Campus Drive west of the Stadium. If you need assistance, call 278-3333 or inform an usher or anyone at an information table.

SATURDAY, MAY 17, 2008

Vikki Vargas, Cal State Fullerton Alumna, is NBC4's Orange County Bureau Chief. She joined NBC4 in July 1982 as a general assignment reporter and covered a number of national and international stories. In 2000 she covered the Republican National Convention; in 1996, she was the first reporter to interview Kevin Green, a convicted murderer released from prison after serving 17 years behind bars for a murder he did not commit; and in 1990 she covered the opening of the Richard Nixon Library obtaining exclusive video of former Nixon aides, including Haldeman and Kissinger.

During her career, Vargas has received several awards and honors, including the prestigious Golden Mike Award, and in 2002 was nominated for an Emmy. She has been honored by the Orange County Press Club for best news reporting, and by the State Bar Association for outstanding reporting. In 1997 she received the Vision & Visionaries Award, the highest possible tribute given by Cal State Fullerton to its alumni.

Active in the community, Vargas serves on the Board of Directors for the Orange-wood Children's Foundation. She also serves on the advisory board of CSUF's Guardian Scholars program and is our 50th Anniversary Chair. She is an active volunteer with Aids Walk Orange County.

HONORARY DOCTORATE

SATURDAY, MAY 17, 2008

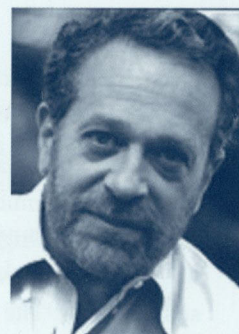

Tracy Caldwell, Cal State Fullerton's outstanding Alumna, is receiving the CSU Honorary Doctorate of Science for her many accomplishments at the National Aeronautics and Space Administration (NASA).

In June 1998, Dr. Caldwell was accepted into the National Aeronautics and Space Administration's (NASA) Astronaut Candidate Training program and from August 8-21, 2007, Dr. Caldwell served on the 22nd flight to the International Space Station. Traveling 5.3 million miles in space, Endeavor's crew successfully brought 5,000 pounds of equipment and supplies to the station and returned to Earth with 4,000 pounds of hardware that was no longer needed at the station.

Dr. Caldwell has received numerous awards including: NASA Performance Award (2001 & 2002); NASA Go the Extra Mile (GEM) Award (2001); NASA Superior Accomplishment Award (2000); and the NASA Group Achievement Award - Russian Crusader Team (2000). She was also the recipient of the Camille and Henry Dreyfus Postdoctoral Fellowship in Environmental Science (1997) and the Outstanding Doctoral Student Award in Chemistry from the University of California Davis (1997).

Her research record has broadened the scope of knowledge in Environmental Science and Chemistry. Dr. Caldwell has published and presented her work in numerous papers at technical conferences and in scientific journals. She is a member of Sigma Xi Research Society and the American Chemical Society.

SUNDAY, MAY 18 2008

Robert B. Reich is a Professor of Public Policy at the Goldman School of Public Policy at the University of California at Berkeley. He has written ten books, including *The Work of Nations*, which has been translated into 22 languages. His articles have appeared in many prestigious publications. Mr. Reich is co-founding editor of *The American Prospect* magazine.

In 2003, Reich was awarded the prestigious Václav Havel Foundation Prize, by the former Czech president, for his pioneering work in economic and social thought. In 2005, his play, *Public Exposure*, broke box office records at its world premiere on Cape Cod.

As the nation's 22nd Secretary of Labor, Reich implemented the Family and Medical Leave Act; led a national fight against sweatshops in the U.S. and illegal child labor around the world; headed the administration's successful effort to raise the minimum wage; secured worker's pensions; and launched job-training programs, one-stop career centers, and school-to-work initiatives. Under his leadership, the Department of Labor won more than 30 awards for innovation.

Reich received his B.A. from Dartmouth College, his M.A. from Oxford University, where he was a Rhodes Scholar, and his J.D. from Yale Law School.

OUTSTANDING PROFESSOR

Stella Ting Toomey, Professor of Human Communication Studies, joined the Cal State Fullerton faculty in 1989. Her teaching passions include intercultural communication theory, intercultural communication training and design, and intercultural and interpersonal conflict management. She has established two new theories on managing conflict mindfully and crossing cultural boundaries effectively — the constructs of which have begun to impact the applied work in such fields as international diplomacy, international hostage negotiation and international management. The two theories are known as the conflict face-negotiation theory and the identity negotiation theory.

She has authored, co-authored, edited or co-edited 17 books. As an example of her scholarship and collaborative support for students, seven of her books were co-authored with her students. In recognition of her exemplary scholarly contributions and the deep impact she has had on students, Dr. Ting-Toomey was among five faculty chosen for the 2008 California State University Wang Family Excellence Award.

Widely respected by her peers, Dr. Ting-Toomey has held major leadership roles in international communication associations and has served on more than fifteen editorial boards. She gave plenary addresses at Nelson Mandela Metropolitan University for the Conference of the International Education Association of South Africa. She has also been the keynote speaker at the European Union's Intercultural Competence for Professional Mobility Conference and at the Global Leadership Conference in Shanghai, China.

TITAN GYMNASIUM

PROCESSIONAL

GREETINGS

Brenda Spencer *Distinguished Faculty Marshal*

PRESENTATION OF THE STAR-SPANGLED BANNER

Philip Lee *Masters in Educational Leadership*

INTRODUCTION OF PLATFORM PARTY

Carmen Zuniga Dunlap *Associate Dean,
College of Education*

WELCOME

Claire Cavallaro *Dean, College of Education*

DISTINGUISHED FACULTY MARSHAL AWARD

Brenda Spencer
Recognition – Karen S. Ivers *Professor, Elementary
and Bilingual Education*

CARR FELLOWS AWARD

Rebecca Kua *Educational Leadership*
Bridget Michele Burke *Elementary and Bilingual Education*
Deidre Marie Hughes *Reading Education*
Katherine McGoey Miller *Secondary Education*
Sylvia L. Rodriguez *Special Education*

STUDENT SPEAKER

Eugene Ray Lee *Masters in Secondary Education*

PRESENTATION AND HOODING OF DOCTORATE DEGREE CANDIDATES

DEPARTMENT OF EDUCATIONAL LEADERSHIP

Louise Adler, Joyce Lee and Daniel Choi

PRESENTATION AND HOODING OF MASTERS DEGREE CANDIDATES

ELEMENTARY AND BILINGUAL EDUCATION

Karen Ivers, Hallie Yopp Slowick,
Amy Cox-Peterson and Kim Norman

SPECIAL EDUCATION

Doreen Ferko, Barbara Glaeser, Belinda Karge,
Judy Smith and Jan Weiner

EDUCATIONAL LEADERSHIP

Louise Adler, Keni Cox,
Joyce Lee and Ken Stichter

SECONDARY EDUCATION

Wayne Au, Vikki Costa,
Lynda Randall and Chris Street

READING EDUCATION

Kathi Bartle Angus, Erica Bowers, Janice Crick,
Ula Manzo and Rosie Ordonez-Jasis

INSTRUCTIONAL DESIGN AND TECHNOLOGY

JoAnn Carter-Wells and Karen Ivers

CLOSING REMARKS

Claire Cavallaro

A COMMITMENT TO CIVILITY AT CSUF: As members of the University community, we are committed to ensuring an environment where learning and the creation and dissemination of knowledge are foundational goals and where freedom of speech and expression is viewed as an essential characteristic of a community of scholars. To reach these goals it is imperative that we foster a climate where civility is valued, appreciated, and expected and where all members of the community are treated with dignity, respect, and care.

“Civility” comes from the Latin noun *civitas* which has several meanings - namely “citizenship,” “the body of citizens,” “the city-state,” “friendliness,” “affability,” and “geniality,” - and, thus, may be equaled with courtesy--a style and manner that elevates human interaction and discourse. Civility is apparent when we are aware of the impact that our communications, practices, and behaviors have on others and when we acknowledge each person’s worth, cultural perspective and unique contributions to the community.

Establishing a civil climate is a shared responsibility of all community members - students, faculty, staff, and administrators. Civility is the expression of respect for others and for the tasks we share. It is best modeled through a willingness to listen to alternative views, respecting diversity and encouraging ideas. It is our belief that differences of opinion should reside within a framework of respectful discourse and lead to mutual understanding.

Therefore, we believe that civility is a cornerstone of our university mission and values, and we reaffirm our commitment to civility on the campus--both inside and outside the classroom. We will both individually and collectively strive to treat each other with dignity, respect, and care in all of our interactions.

Approved Academic Senate, 4/6/06

When California State University, Fullerton was founded in 1957 by an act of the state legislature, orange groves outnumbered residents, yet the university's founders envisioned an outstanding state college that would serve the future needs of the surrounding region. Today, as a vibrant public university with a global outlook, Cal State Fullerton has provided 50 years of teaching, research and public service to California, the nation and beyond.

From the vigilant guidance of our first president, Dr. William B. Langsdorf, to the visionary leadership of our current president, Dr. Milton A. Gordon, Cal State Fullerton has soared, earning a crown of achievements to commemorate its fifth decade.

With an enrollment of more than 36,000 students and a faculty of 1,900 members drawn from throughout the world, the university has found strength in its numbers. From an initial offering of 41 classes for 452 students, it now offers thousands of classes in eight colleges as part of 105 degrees programs – 55 undergraduate and 55 graduate degrees – including a doctorate in education, plus numerous credential and certificate programs. Many of our programs have achieved national prominence because of our outstanding faculty and the achievements of our alumni.

Cal State Fullerton is known for its distinguished faculty, many of whom have garnered international and national reputations in their respective fields and who are actively engaged in a balanced combination of teaching, research and service. Nine faculty members and administrators have received the California State University system's prestigious Wang Family Excellence Award.

In an institution where learning is preeminent, we are proud that U.S. News & World Report ranks Cal State Fullerton No. 10 among the nation's Top Public Universities—Master's Institutions in the West.

Yet ranking alone cannot tell the Fullerton story. The university's global outlook is evident in the international agreements we have established with universities throughout the world, including those in Australia, Cambodia, Chile, China, Ecuador, Finland, Germany, India, Japan, Lithuania, Mexico, Peru, Taiwan, Thailand, United Kingdom and Vietnam.

As the university mirrors the expansive growth of this region, it also reflects the face of California's diverse population. We are particularly pleased that Diverse Issues in Higher Education ranks Cal State Fullerton eighth in the nation in terms of baccalaureate degrees awarded to underrepresented students. In fact, the university is ranked No. 2 in

California and No. 6 in the nation by Hispanic Outlook in Higher Education in its listing of the top 100 colleges and universities awarding bachelor's degrees to Hispanics.

Our growing university greeted the new decade with the purchase of the College Park building, and the College of Communications moved its operations to this facility. The new Kinesiology and Health Science building was dedicated, and, a year later, the new Performing Arts Center opened. The campus continues to grow: Steven G. Mihaylo Hall, new home of the College of Business and Economics, is slated to open in fall 2008. The Student Recreation Center opened this spring.

Our Irvine branch campus, located on a portion of the former El Toro Marine Corps Air Station in Irvine, serves the residents of central and south Orange County. Currently the branch campus has an enrollment of about 3,500 students.

But our success has not been limited to the classroom. "Titan Pride" has been the rallying cry to more than a dozen national team championships in seven different sports, including four winning NCAA Division I national championships in baseball (1979, 1984, 1995 and 2004), one in softball in 1986. Just this year, the men's basketball team made its second NCAA tournament appearance, the first since the Titans' run to the Elite Eight in 1978.

Our proud alumni number more than 187,000 and represent thousands of leaders in many varied fields—opera singers such as Deborah Voigt and Rodney Gilfry, who performed at the 2007 Concert Under the Stars; actors/directors/producers such as Kevin Costner and Marc Cherry, successful newscasters such as our Saturday commencement keynote, Vikki Vargas and our astronaut, Tracy Caldwell, this year's Honorary Doctrate, who recently returned from space aboard the space shuttle Endeavor.

We are represented at nearly all levels of government by alumni legislators and representatives such as U.S. Congressman Ed Royce, California State Senator Lou Correa, and Santa Ana Mayor Miguel Pulido. Our alumni also include authors such as Elizabeth George and many who work in the entertainment industry—such as screenwriter and bookwriter Linda Woolverton, who authored "Beauty and the Beast—The Musical" and Elton John and Tim Rice's "Aida." And visionary leaders such as Dan Black, Jerry Goodwin, Steven G. Mihaylo, and Jim Woods who have and continue to make their mark in business and industry.

It is with the greatest pride that we acknowledge our achievements and prepare for our role to create endless opportunities for future generations—to discover, innovate, and achieve.

Learning is preeminent at California State University, Fullerton. We aspire to combine the best qualities of teaching and research universities where actively engaged students, faculty and staff work in close collaboration to expand knowledge.

Our affordable undergraduate and graduate programs provide students the best of current practice, theory and research and integrate professional studies with preparation in the arts and sciences. Through experiences in and out of the classroom, students develop the habit of intellectual inquiry, prepare for challenging professions, strengthen relationships to their communities and contribute productively to society.

We are a comprehensive, regional university with a global outlook, located in Orange County, a technologically rich and culturally vibrant area of metropolitan Los Angeles. Our expertise and diversity serve as a distinctive resource and catalyst for partnerships with public and private organizations. We strive to be a center of activity essential to the intellectual, cultural and economic development of our region.
