Miss Julia Morgan,
Merchants Exchange Bldg.,
San Francisco, Calif.

Dear Miss Morgan:

I think these bosses would be
marvelous as supports for the four chandeliers in the
great hall which we are proposing to build.

They are not Gothic - they are
Renaissance - but the hall I should say is transitional.

If you agree with me, will you please
send the following telegram:

"Byne, Accept goldbosses
eighteen hundred. Hearst."

Sincerely yours,

W. R. Hearst
