Dear Mrs. Tolmach:

You are hereby notified that the Board of Supervisors of the County of Ventura has scheduled a Public Hearing on the following matter for November 10, 1970, at 3:00 P.M. in the Board Room of the County Courthouse, 501 Poli Street, Ventura, California, fifth floor:

### ENVIRONMENTAL IMPACT STUDY OF THE CAMARILLO AIRPORT

by Adrian Wilson & Associates  
Los Angeles, Calif.

You are cordially invited to attend this hearing and present your views of approval or opposition or to ask any questions you may wish of the consultants or other witnesses at that time. It would be helpful for orderly proceedings if you would notify the Board in writing if you plan to make a presentation, including the approximate time required and the subject matter to be covered.

In addition to copies furnished to the members of the Ad Hoc Citizens Committee, a copy of the subject report is available for public examination in the County Clerk's Office, 2nd floor of the Courthouse.

If you have any questions regarding the hearing, please contact the Clerk of the Board, Area 805, 645-6131, or your district Supervisor's office.

Very truly yours,

  
Thomas M. Volk  
Director
