Hon. Jane Tolmach
Councilwoman
City of Oxnard
656 West Douglas Avenue
Oxnard, California 93030

Dear Councilwoman Tolmach:

As President of the Southern California Association of Governments (SCAG), I am pleased to appoint you to membership on the SCAG Transportation and Utilities Committee (TUC). I also would like you to serve as Vice Chairman of the committee.

I believe this year's committee has its work cut out for them as it deals with the difficult problems of a High Occupancy Vehicle (HOV) Program, and setting priorities for the region's highway system. These issues, along with the continuing problems of improving air quality, conserving energy, and relieving congestion on our transportation system will be challenging ones. Your input will be extremely important and, I hope, you will be able to accept this appointment.

I look forward to working with you in solving our region's transportation problems.

Sincerely

Dennis Hansberger
President
