#### **Approved Off-Campus Housing for Women**

The Student Housing Office maintains a list of approved rooming and boarding houses which have been inspected and meet the college housing standards for women. A number of apartment-type units suitable for student housing have been constructed adjacent to the campus. Many of these units provide adequate supervision and meet other college standards for approved off-campus housing for women students. Fresno State College sororities also provide approved housing for women who affiliate with these organizations. Women living in approved housing will be required to observe the residence rules of the Associated Women Students. Arrangements for living accommodations should be made well in advance of registration. If women secure housing not on the approved list, the parent or guardian will be asked to assume full responsibility. Further information on approved housing for women may be obtained from the Student Housing Office.

#### **Off-Campus Housing**

The Student Housing Office maintains a file of available student housing as a service to students seeking living accommodations. Students are advised to make arrangements for housing as early as possible before registration. Off-campus living accommodations are provided by private homes in the area, with a limited number offering room and board. A large number of apartments are available in the area adjacent to the campus. The Housing Office will also attempt to help students interested in sharing apartments to get in touch with other students interested in similar living accommodations.

Although the college does not supervise off-campus housing, Fresno State College students living in private homes, apartments, and other types of student housing are expected to conduct themselves in a manner which will enable them to maintain desirable relations with their landlords and their neighbors.

#### **Housing for Married Students**

The college does not maintain housing facilities for married students and their families. However, some low-cost housing is available to married students and their families through application to the Housing Authorities of the City and County of Fresno, 2520 E. Clinton Avenue, Fresno, California 93703.

The Student Housing Office also maintains a file of privately owned rentals, some of which are near the campus. These private rentals range from \$60 to \$150 per month depending on the size and furnishings.

#### **Scholarships and Grants**

About 290 scholarships and grants totaling approximately \$63,000 will be available for the 1965-66 academic year. About half of these scholarships, ranging from \$50 to \$850, are open to new students. The average scholarship is for \$160 for the year and covers the cost of material and service fees, student body fees, and a partial cost of books. Generally, upper division and specialized scholarships are in larger amounts.

Scholarships are awarded on a competitive basis, consideration being given to scholastic attainment, financial need, character, and promise. Several scholarships are available on the basis of outstanding accomplishment in specialized fields. The purpose of the scholarship program is to provide deserving students with educational opportunities that might not otherwise be possible.

Scholarship awards are announced late in May each year. Entering students should file applications with the Coordinator of Financial Aids prior to April 1st. Enrolled students should file their applications prior to March 1st. Each applicant should present two letters of recommendation from people of recognized standing
