Visitation by Senator Alan Cranston

Senator Alan Cranston has requested an opportunity to meet with members of the Ventura County Association of Governments on August 13. This request has come through the offices of Supervisor Thomas E. Laubacher and is now being related to you to determine interest and those that would attend.

From the information related to me, it is understood that Senator Cranston has a personal interest in efforts to coordinate local governments and the future of such organizations as VCAG and SCAG.

Tentative arrangements have been made for Senator Cranston to meet with Councilmen, Board members, and interested staff at 8:15 a.m., August 13, in Loop's Restaurant in Oxnard's Esplanade. A definite indication of your interest and attendance would be appreciated. Your response must be received by August 4 to complete the arrangements.
