CAMPUS ACTIVITIES

ALL STUDENTS

There are a number of student positions available on various committees of the College Council. These positions will be filled by appointments made during the first two weeks of the winter quarter. If you are interested in interviewing for any of these positions, sign the sheet at the Information Desk in the Student Services Building or leave your name with Mrs. Anderson outside of room 108 in the Student Services Building.

EXPERIENCED

BASKETBALL PLAYERS

The tentative date for the student-staff/faculty basketball game is January 16, 1971. Faculty and staff members are urged to stay in good physical condition over the Christmas holidays. New Year's Eve parties are particularly discouraged. The student team has been practicing regularly - so secret workouts are now being planned for the staff/faculty team. Staff/faculty members interested in playing, please leave your name with Dr. Hunt in Faculty 101D.

CHANGE OF ADDRESS

It has been brought to the attention of the Admissions and Records section that a number of students have changed addresses since the beginning of the quarter. For those students who have not filed a Change of Address form with the Admissions and Records Office, it is requested that they do this as soon as possible as grade reports will be mailed to the last address listed by the student.

Those students requesting that grades be sent to an address other than that listed as the permanent address should notify the Registrar's Office.

ATTENTION: Fresno State College,
Bakersfield Center Students

Those students who attended Fresno State College, Bakersfield Center, during the summer, 1970, must request that an official transcript showing courses completed during that session be sent to CSB as soon as possible. Some students have assumed that these grades would be sent automatically, but the FSC Records Office informs us that each student must request the official transcript personally.

Students who graduated from FSC at the completion of the spring quarter or the 1970 summer session must also request that official transcripts be sent from Fresno State to CSB, Admissions and Records.

GRADES

Grade reports will be mailed to all students during the Christmas holidays. Please notify the Office of Admissions and Records of any change in your address so that your grades will be delivered on time.

ORIENTATION OF
NEW STUDENTS

The Director of Counseling has announced that there will be two Orientation meetings for new students held on Tuesday, January 5, at 9:00 a.m. and 7:00 p.m. in CB 101. All new students are urged to attend one of these sessions to learn about campus programs and policies; and to have any questions answered concerning their enrollment.
