

Dear Jane;

You surely cannot accuse me of being an impulsive writer! I've meant to write to congratulate you on becoming Councilwoman in Oxnard. Oxnard is so fortunate! Now what I want to know is....when are you going to run for Governor? How I wish you would. I want to ~~you~~ vote for you! And would things move as they haven't for so long up in Sacramento!

I have meant to write to John too. I wanted to thank him for the article in the Sunday magazine about you. I sure enjoyed it. I had not realized before that we arrived in Port Hueneme before Dr. Tolmach was here. Jack came to Hueneme in '47.

Grabbing the paper for John's column daily as I do you can imagine how distressed I was to find he was ill. I sent him a card last night. I have a bookreview I think may interest him so will send that in a day or so maybe! Anyway, should you see him do, please tell him to hurry and get well. I miss him. Some nights I fight with him othertimes I'm right in there fighting for the same cause!

Finally got around to sending my check to 'League of Democratic Women'. Wish it had been organized when I had more time and could have worked in it. Now with Jack home all the time as well as Ginger I seem to stay close to home! At least I can support The League even though a non-worker.

So here's cheers for you in your job....May you get all the things done that you want done. What a place THAT would make Oxnard. Don't forget to keep in mind that little venture in Sacramento!

Please give my regards to Dr. Tolmach.

Fondly

Maji Jackson
