Dear Bob:

In news clippings of talks you have given I notice that you are quoted as saying that Walt Disney was, variously, a vice-president, an honorary vice-president, and an honorary life member of the Sierra Club.

Apparently you are being quoted inaccurately, at least part of the time. At any rate, whatever it is you are actually saying I would appreciate it if you would give me your source.

I have searched current and back lists of holders of the above mentioned Sierra Club offices, and fail to find Walt's name on any of the lists.

Thank you for helping to clarify the record.

Sincerely,

George
