Isabel Cullen, our office manager, who put in super-human effort to keep the office manned and the volunteers kept busy.

All those a.m.'s, when the rest of us were just getting started, Isabel was dustmopping stairs, vacuuming carpets, and putting the lid back on the small coffee pot.

Let it be known that we are grateful for the hours she spent on the phone, filling in for last minute no shows, seeing that nothing was misplaced, organizing the Carter/Mondale appearances, co-chairing the Tunney campaign, maintaining iron-fisted control over the telephone and electric consumption, still performing as the club treasurer, taking out the garbage, and smiling good naturedly throughout it all. Isabel, you're fantastic!

Lee Chasse, whose truck could be seen racing to and from the office as he transported all the desks, chairs, saw horses, typewriters, bookcases, etc., that were loaned to us during the campaign.

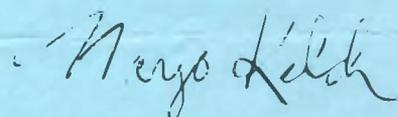

The GOP may be able to afford posh office space and up-to-date furnishings but they don't have one Mary Reeder, who can turn a few pieces of material, donated equipment, and some potted plants into the warm and attractive surroundings found at 1694 Thousand Oaks Boulevard these past 8 weeks.

Nancy Stone and John Reeder who did everything but bell the cat — they've precinct walked, press released, chauffeured, baked, flap jacked, hauled, worried, registered voters, filled in when I was gone, and most of all cared.

John Broesamle, Marilyn Davis, and Leonard Smith who rose to the Republican challenge and did an outstanding job in the Council Chambers Debate Oct. 28th. If the pictures taken that night could be construed as an omen, you'll remember that our side was photographed smiling.

Our regular office staffers: Pat Bruckner, Carolyn Kuczymanski, Louis Rice, Blaine O'Connor, Fred Frederickson, Marvin Pancoast, Marilyn Davis, Sara Cagle, George and Betty Mintz, Kathy Lasher, Bob Pelser, Steve Newcomb, Nancy Stone, Ruth Deel, Isabel Cullen, Lee Chasse, Mary Reeder, Billie McGee, Sophia Scott, Betty Blanche Rosen, and Phyllis Holzer.

To all our volunteers, the office personnel, our phoners, our precinct walkers — you are the reason we could accomplish all we did this election year, and we're proud of each and every one of you.

LAST CHANCE FOR DUES PAY-UP: ORANGE DOT SHOWS YOU ARE A DELINQUENT, SMILE FACE SHOWS OUR DEEPEST APPRECIATION FOR PAYING.

We're not perfect, by any means, but if our records are correct the appearance of the famous orange dot to the right means you have not taken advantage of the handy yellow membership card and paid your dues. If there is a smile face leering at you, that means we have you on record as having paid your 1977 dues, either through the regular process or as a participant in the VIP program. If we keep growing, both in numbers and in effectiveness, the political process becomes healthy and vital. Join us now!

ELECTION RESULTS IN SCHILLER CAMPAIGN SPOT WEAK AREAS IN SIMI, SAN FERNANDO VALLEY.

Analysis of the state senate election shows some interesting facts regarding the results compared to registration figures in various areas of the district. While the press and even some of our Democratic friends continue to say the election was "lost in Thousand Oaks" the results indicate otherwise.

Performance can be measured against party registration figures and a quick look at the figures will tell you where the election was really lost.

Therein lies the tale, and if you hear someone say Sabrina Schiller lost her election in Thousand Oaks, ask them why they say that.

VIP PROGRAM OFFERS WAY TO PAY DUES, BUILD DEMO ORGANIZATION

The Volunteers in Politics program is still seeking members and will be doing so in the coming months. Through our arrangement with the 19th Senate District Democratic Caucus any person who agrees to donate a certain amount each month through the handy automatic bank draft method will have their dues paid automatically. The rest of the money goes to the state party and to the 19th Caucus, which will use the funds to build upon a practically non-existent grass-roots Democratic effort in our growing district. Can you help? Call John Reeder at 889-5113.
