

something sweet...

Feb. 5, 2010

Happy Birthday,
Michelle!

... for someone special.
happy birthday.

Well, a manicure isn't exactly
sweet but I do hope it puts
you in the celebrating mood!
And that you feel a little
pampered on your birthday!
Thank you, as always, for being
such a dear friend. I will miss
celebrating with you on your
birthday. Much love, Beagan
