FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to our 42nd annual commencement. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

Today the university honors some 7,141 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise. We hope that you forever will be life-long learners dedicated to the pursuit of excellence and the importance of life issues.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 2001 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours.

A handwritten signature in dark ink, reading "Milton A. Gordon". The script is fluid and cursive, with the first letters of "M", "A", and "G" being capitalized and prominent.

Milton A. Gordon

President, California State University, Fullerton

FROM THE ALUMNI

On behalf of the Alumni Association of Cal State Fullerton Board of Directors, it is my pleasure to congratulate you as Cal State Fullerton's newest alumni. You, as well as the 125,000 alumni who graduated before you, have a lot to celebrate today. Because of the outstanding accomplishments of Cal State Fullerton and the dedication of thousands of faculty and staff over the last four decades, alumni continually realize their professional dreams and goals.

Now that the pain of homework, finals and, of course, parking are behind you, I hope that you will remember all the good times you had, the wonderful friendships you made and the great education you received at Cal State Fullerton. As alumni of Cal State Fullerton, you now become part of a large network of fellow alumni, the majority of whom live and work right in this area. Many of our graduates are leaders in business, arts and sciences, education, communications and government. I encourage you to stay connected to the Titan network and our alma mater by joining the Alumni Association if you haven't already done so. As a member you will have many opportunities to tie into this network, as well as to maintain the friendships you have made at Fullerton.

On behalf of the Alumni Association, congratulations on your accomplishments and best wishes for all that the future holds for you.

Michael R. Dressendorfer '72

President, CSUF Alumni Association

ABOUT THE PROGRAM

LIST OF CANDIDATES: Students eligible to participate in the 2001 commencement ceremonies are January 2001 graduates and June 2001 and August 2001 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: cum laude, 3.5 to 3.74; magna cum laude, 3.75 to 3.89; summa cum laude, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote cum laude; orange ribbons denote magna cum laude; and blue ribbons denote summa cum laude. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 2000 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement ceremony has been honored as the Distinguished Faculty Member

of that particular college. This distinction is bestowed by the president upon the nomination of fellow faculty members.

PHI KAPPA PHI: Among those participating in commencement ceremonies are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed, with no cost or obligation, to participants. Guests may take photographs during the ceremonies; in the interest of decorum, they are requested to do so from their seats.

ALCOHOLIC BEVERAGES: Alcoholic beverages will not be allowed at any time in the assembly area, at the commencement seating area or at other areas associated with commencement.

SMOKING: Please, no smoking during the ceremonies.

EMERGENCIES: Personnel from the Student Health Center and the Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency telephone number is 278-3333.

CEREMONIAL REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

FRIDAY, MAY 25, 2001

Nicolas Cage is one of the most versatile actors of our time, known equally well for poignant performances in both drama and comedy. He received an Academy Award for Best Actor for his role in "Leaving Las Vegas," and he has been honored with the Golden Globe and with Best

Actor awards from the New York Film Critics Circle, the Los Angeles Film Critics Association, the Chicago Film Critics and the National Board of Review. At the age of just 32, Mr. Cage received the prestigious Lifetime Achievement Award at the Montreal World Film Festival. Mr. Cage is widely respected as a man of high integrity, known for personifying the highest standards of his craft, for his risk-taking as an artist, and for his philanthropy to fellow actors in need.

SATURDAY, MAY 26, 2001

Gareth C. C. Chang, a 1965

Cal State Fullerton graduate in mathematics, is currently the Managing Partner of GC3 and Associates International LLC, chairman of two dot.com companies, a member of Nike Inc.'s Advisory Council and a board

member at Apple Computer, Inc. Dubbed by *Fortune* magazine one of the "Top 125 Thinkers in the World," Mr. Chang's career has been spent in positions of strategic importance with firms such as Xerox, Honeywell, McDonnell Douglas, Hughes Electronics and DirecTV International. His international leadership has included being the first chairman of Hong Kong's American Chamber of Commerce, founding president of the Hong Kong Aerospace Forum, CEO of the Star TV Group, and a member of numerous US-China advisory groups. Both CSUF and the CSU have benefited from Mr. Chang's leadership and vision, and he has been honored twice before by this university as one of its most outstanding, distinguished alumni.

Cynthia Coad, elected

Chair of the Orange County Board of Supervisors by a unanimous vote in January 2001, has served the 4th District and the county as a

supervisor since 1998. She holds a doctorate in education and has served higher education as a teacher, administrator, trustee or board member for 26 years, with most of that service in Orange County. A lifelong advocate for international awareness, volunteerism, civic involvement and neighborhood development, Dr. Coad has been honored with numerous awards here and abroad, from the George Washington Medal of Honor to Catholic Charities Woman of the Year, and from NASA recognition for her role in the "Teacher in Space" project to Beijing University's National Academy of Sciences Medal. This "Spectacular Woman of Anaheim, 2000" is mother of seven and grandmother of ten.

OUTSTANDING PROFESSOR

Hallie Yopp Slowik, a recognized expert in the cause of literacy and a member of the California Reading Association Hall of Fame, earned both her bachelor's (psychology) and master's (education) degrees at Cal State Fullerton before receiving her doctorate from UC Riverside. A member of the faculty here since 1986, she is a professor of elementary, bilingual and reading education and serves as graduate coordinator of the Bilingual/Bicultural Education and Elementary Curriculum and Instruction concentrations

in the master of science degree program in education.

She and her sister, Dr. Ruth Yopp-Edwards, also a CSUF professor, have authored Literature-Based Reading Activities and *Oo-pples and Boo-noo-noos: Songs and Activities for Phonemic Awareness*. She's the co-author of *Ready for Reading: A Handbook for Parents of Preschoolers*, and has authored or co-authored dozens of other articles. She also has received a number of research grants, given scores of presentations on literacy and reading to educational groups throughout the nation, and was one of three national experts to address the California legislature on reading reform.

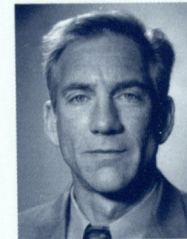

Dr. Yopp Slowik has been called "an incredible teacher" by colleagues and students. Her classroom evaluations have never fallen below 3.9 on a 4.0 scale. Many former students — now classroom teachers — say they continue to feel her influence on their careers long after they have left her classroom.

Hallie Yopp Slowik has been honored by CSUF several times before for her achievements in teaching and research, as well as for service to her profession, university and community. But an ultimate compliment was paid her by a former student, currently a teacher, when she named her daughter "Hallie," "in honor of the most caring, professional mentor I know."

Kathryn Ruzzi
Ellen Shaw
Rochelle Woods

Learning is preeminent at California State University, Fullerton. We aspire to combine the best qualities of teaching and research universities where actively engaged students, faculty and staff work in close collaboration to expand knowledge.

Our affordable undergraduate and graduate programs provide students the best of current practice, theory and research and integrate professional studies with preparation in the arts and sciences. Through experiences in and out of the classroom, students develop the habit of intellectual inquiry, prepare for challenging professions, strengthen relationships to their communities and contribute productively to society.

We are a comprehensive, regional university with a global outlook, located in Orange County, a technologically rich and culturally vibrant area of metropolitan Los Angeles. Our expertise and diversity serve as a distinctive resource and catalyst for partnerships with public and private organizations. We strive to be a center of activity essential to the intellectual, cultural and economical development of our region.
