

### **ALUMNI ASSOCIATION**

Included among the purposes of the Fresno State College Alumni Association are the maintenance of contact with former students, general support of the college in all its activities, specific support of special college projects and the cultivation of an enduring loyalty to the college by its graduates. Membership is open to anyone who has attended the college for one or more semesters. Annual dues are \$10 and life memberships are \$100. A percentage of all funds accruing to the Alumni Association from membership funds is made available as scholarships. Additional scholarship and loan funds are made available from other sources. The Alumni Association and college join in numerous events which involve students. Included are the orientation activities, homecoming, the senior breakfast at which the Alumni Association presents an award to the outstanding senior man, Alumni Day activities, and athletic events. Each senior automatically becomes a member of the Alumni Association for one year as part of the graduation ceremony.

### **ESTIMATE OF EXPENSES**

The basic expenses for attendance at Fresno State College for a year (two semesters) for students who live away from home will range from \$1,400 to \$1,800. These figures are exclusive of nonresidence tuition fee, but include an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to reduce their expenses considerably below the estimated figure. The cost of board and room may also be reduced by cooperative living arrangements or part-time work in exchange for room and board.

#### **College Residence Halls**

The college has three modern residence halls in operation. In addition, the college will open a new residence hall complex in the fall of 1968. These new facilities will provide the college with on-campus living space for 1,254 students. The halls are fireproof, air-conditioned buildings having study rooms, lounges, recreation rooms, and laundry facilities. The rooms are attractively furnished, and provide adequate study and living facilities. Linen service is provided, but students are required to furnish their own blankets and towels. Food service is provided by the college cafeteria. For information on residence hall costs, see *Fees and Expenses*.

The halls now house two students per room. The new complex, a coeducational living center, will house 315 men in its south wing and 315 women in the north wing. These students will share a common lounge and recreation area. The new halls will also provide single room accommodations, double rooms, and three-bedroom suites housing six students. Each hall is under the supervision of a well qualified head resident and six student assistants. Students are encouraged to take
