CRITICA SOCIAL

por

Dos organizaciones, LA COMISION HONORIFICA MEXICANA y EL COMITE CIVICO PATRIOTICO MEXICANO, estan preparándose para celebrar las FIESTAS PATRIAS en la misma fecha, el domingo 17 de septiembre aquí en San José.

Cuál es su opinión sobre esto?

RICHARD DIAZ, fotógrafo Estas dos organizaciones deben de ponerse de acuerdo en donde una celebra las FIESTAS PATRIAS el sábado 16 de Septiembre y la otra el domingo 17. En esta forma la Colonia Mexicana asiste a las dos celebraciones.

DANIEL ALONZO, promotor de Bailes Ya es tiempo que todas las organizaciones se junten para conmemorar esta gran fecha, 16 de Septiembre, siento mucho que haya tanta división siendo una fecha tan memorable.

DELMA CARBAJAL, Hairstylist It doesn't make sense to have two Queens for the same celebration. Are there going to be two Queens riding in the same parade? If I were Queen, I would want to be the only one on the 16th of September Patriotic Festival.

DANNY LOPEZ, promotor de Bailes Si fuéramos unidos, ese día fuera una gran celebración recordando a NUESTRO MEXICO.

TONY PEREZ, Bouncer del ARTURO SQUET VILLAGE Para mi no hay diferencia cual organización celebra esta gran fecha, pero si se ve muy mal que se divida la COLONIA MEXICANA en esta fecha memorable.

MANUEL MORALES, Empresario del Parque Paseo de las Flores Como Director General de Festejos del COMITE CIVICO PATRIOTICO MEXICANO, PROBECAS, INC. siento mucho que nuestro Comité es el único organismo con derecho a celebrar LAS FIES-

TAS PATRIAS por ser organismo reconocido por el GOBIERNO MEXICANO y de CIUDADANOS MEXICANOS y en particular invito a todos LOS MEXICANOS que se unan con este COMITE para decir libremente, "VIVA MEXICO" el 16 y 17 de Septiembre.

DANIEL G. SALDAÑA, Presidente de la COMISION HONORIFICA MEXICANA, INC. DE SAN JOSE Mi opinión es: Que habiendo una ORGANIZACION que por años ha celebrado LAS FIESTAS PATRIAS, no hay necesidad de que existan dos con el mismo propósito, por que en esa forma, los trabajos de una entorpecen los de la otra, y la COLONIA MEXICANA se desorienta y se divide.

Yo invito a toda LA COLONIA MEXICANA para que asista a las FIESTAS que organiza LA COMISION HONORIFICA MEXICANA.

EL O. L. C. EN LA COMUNIDAD Y EL PROGRESO

El Progreso en nuestros días

El progreso de las ciencias y los inventos de la técnica nos manifiestan el maravilloso orden que reina en los seres vivos y en las fuerzas de la naturaleza al mismo tiempo que la grandeza del hombre que descubre este orden y crea los medios aptos para adueñarse de estas fuerzas y reducirlas a su servicio.

Pero los progresos científicos y los inventos técnicos nos muestran sobre todo la grandeza infinita de Dios, Creador del Universo y del Hombre.

Ha creado Dios el Universo derramando en él los tesoros de su sabiduría y de su bondad, como exclama el Salmista: Oh Señor nuestro, que admirable es tu nombre en toda la tierra.

Como contraste, en cambio, con este orden maravilloso del universo el desorden que reina no solo entre los individuos, sino también entre los pueblos, parece que sus relaciones no pueden regirse sino por la fuerza.

Sin embargo, el Creador ha impreso el orden aun en lo más íntimo de la naturaleza del hombre; orden que la conciencia descubre y manda seguir. Los hombres muestran escrita en sus corazones la obra de la ley y de ellos da testimonio de su propia conciencia, como podría, por lo demás, ser de otro modo; todas las obras de Dios son un reflejo de su sabiduría infinita y un reflejo tanto mas luminoso cuanto mas altas están en la escala de las perfecciones.

LA COMUNIDAD Y SUS DERECHOS

El derecho a la existencia y a un nivel de vida digno.

Todo ser humano tiene el derecho a

la existencia, a la integridad física, a los medios indispensables y suficientes para un nivel de vida digno, especialmente en cuanto se refiere a la alimentación, al vestido, a la habitación, al descanso, a la atención médica, a los servicios sociales necesarios. De aquí el derecho a la seguridad en caso de enfermedad, de invalidez, de vejez, de vejez, de paro y de cualquier otra eventualidad de pérdida de medios de subsistencia por circunstancias ajenas a su voluntad.

Hoy en día muchos hombres y mujeres se han tenido que encontrar en sí mismos para poder ayudarse mejor y ha sido sin darse cuenta de la busca en la vida.

El hombre se encuentra con un poder, sin límites, todo lo que se requiere es que se tenga VOLUNTAD para ayudarse de por sí mismo.

La idea que presentamos aquí es que el hombre tenga voluntad para ayudarse de por sí mismo. No es una filosofía nueva. Dicha filosofía se ha encontrado en el mundo por muchas generaciones, pero ahora, en las áreas de San José, la filosofía ha sido incorporada a una Organización que lleva por nombre:

CENTRO DE OPORTUNIDADES INDUSTRIALES. (O. I. C.)

El progreso de O. I. C. de San José, que empezará a funcionar el próximo mes de Octubre del presente año; es un programa de la Comunidad, como también de la labor Obrera y de la industria. Dentro de un año, dicho programa debe haber entrenado por lo menos alrededor de 400 personas, de las cuales se encuentran en circunstancias de problemas económicos. Dichas personas serán instruidas en educación y técnica para su mejoramiento.

El O. I. C. se especializa en tres formas.

- a) Educación remedial.
- b) Lenguaje de Inglés.
- c) Entrenamiento vocacional.

El método general que se aplicará en dicho programa será el involucramiento del equipo de profesores y consultantes, en un grupo de 25 a 30 estudiantes. El consejo Administrativo servirá para ayudar a los estudiantes en dichos estudios para darles una mejor seguridad en el progreso del estudiante. Los fines que el programa busca es desarrollar la imagen del individuo en su educación.

Los temas que dicho programa presentará serán los siguientes:

- A. Aprender a leer Inglés.
- B. " Matemáticas.

(TEXT CONDENSED in ENGLISH)

The greatest of men have had to find what it is in life he seeks. What he wants in life, the power man has in his destiny in unlimited, all he has to do is have the will to help himself.

This idea of man having the will to help himself, is not a new philosophy it has been in the world for many years, but today, here in the San Jose Area, the philosophy has been incorporated into an organization called OPPORTUNITIES INDUSTRIALIZATION CENTER (O.I.C.)

The San Jose O.I.C. which hopefully will begin to function by October of this year, is a program between the entire community in both industrial and the labor market, within a year, this city's O.I.C. hopes to train over 400 people in poverty circumstances in both technical skills as well as remedial education the O.I.C. hopes to specialize in three main training programs A. Remedial Education.

B. Program as well as language and vocational training program.

The general method of training for all programs would involve the approach of team teaching and counseling with a classroom load of about 25-30 students. The staff will double as counselors, thus intensifying individual factoring, which will insure the progress of the student or his own rate.

The remedial education program will be specifically involved with helping a student in his school work. The aim of this program is to try and improve the students individual image of education.

Remedial Courses will be given in

Reading Comprehension, Math and English, Job holding and Job advancement attitudes.

The Vocational Program will generalize in mechanical skills with special emphasis on preparing machine operators factory helpers and sheet metal helpers. Tools used in this training program will be industrially up to date.

EL CIRCO, FUERTE PERENNE DE SANA Y FRANCA ALEGRÍA

Nuevamente ha invadido a la blanca y florida ciudad de San José, la alegría bullanguera, ingenua y real del circo.

En esta vez, toca al gran circo POLACK BROS, al traernos el mensaje de la misma ruidosa y cascabelera algarabía que irradiaron los bellos y lejanos años de nuestra infancia.

Es curioso pensar, que en esta era del átomo y de los proyectiles teleguiados, en esta era en la que ya se piensa conquistar el mundo sideral y posar en la superficie lunar la pecadora planta del hombre, la llegada de un circo sea capaz de alegrarnos de nuevo, como si una primavera generatriz de anhelos inocentes, de ilusiones floridas y de blancos ensueños, nos pusiera en el alma una eclosión de flores virginales. POLACK BROS CIRCUS llega a nosotros con su séquito de artistas venidos de todos los ámbitos del mundo, con sus mil maravillosas atracciones, con su haber zoológico uno de los mas vastos y bien surtidos no solo en la Unión Americana, sino de todo el mundo, y nosotros palpítamos de alegría, como si el circo, eterna fuente de sorpresas y de novedades, fuera algo nuevo en el monótono y cansado panorama de nuestra vida cotidiana.

Si recordar es vivir, y vivir de nuevo las horas felices de nuestra cándida inocencia, horas que como las golondrinas de Becker, se fueron para siempre, al contrario de ellas, que jamás volverán, vuelven y vuelven cada vez que el circo, espejo de la infancia y recuerdo de la juventud, la madurez, y la vejez decadente, llega a nosotros con su acerbo de saltimbanquis, contorcionistas, bailarines, trapecistas, y payasos festivos y graciosos, que son algo así como remedio siempre viejo y siempre nuevo de la murria universal.

Allí en el circo, bajo sus carpas amplísimas y reberberante de luces, de lentesjuelas y de mil colores, a los sonos ruidosos de su música inconfundible, por un milagro que sabe renovarse y perpetuarse en la vida humana, resucita y cobra valor y renovada ebergia, la santa y retrospectiva alegría de la humanidad.

SAN JOSE CHAPTER

RUBEN AVELAR

Conventions and more conventions, everybody seems to be having their convention in June, July and August. The Mexican American Political Association just concluded their annual convention in Riverside on July 14 thru 16th. Registrations for the Convention numbered over 500. Just about every Mexican-American organization was represented at the convention. The MAPA Chairman graciously acknowledged their presence and invited them to share the head table with him. Newly elected State Chairman, Mario Vasquez, for the G. I. Forum was there as well as the outgoing State Chairman Dan Campos.

Indicative of the interest that the Federal Government is taking in the problems of the Mexican-Americans, was the large representation from practically all Federal agencies. Most were there as observers; although, some participated in the various workshops that were conducted in conjunction with the Convention.

One of the more interesting delegations was the one headed by the newly appointed Equal Employment Opportunity Commissioner and Chairman of the Inter-Agency Committee for Mexican-American Affairs, Vicente Ximenez. Mr. Ximenez was accompanied by some of his staff from the latter committee. In discussing the committee with some members of his staff, an inquiry was made as to how many "chicanos" or other latinos were on this key committee staff. To my surprise, the answer was that only one such person served on this committee. It is inconceivable to me how a committee that has been established to look at the problems of the Spanish surnamed could operate effectively to identify their needs when the staff which will do much of the work does not have the proper ethnic orientation and in all probability does not have the motivation that is so essential to do a thorough and meaningful job.

Another interesting observation from

members of this same staff was that one of their goals is to get more Spanish-surnamed into government jobs. This is great, it is about time the Feds went out looking for more Chicanos. How many of these Chicanos are going to be placed in policy making areas? This is where some of the needs are. We need key men that can direct programs to to meet the needs of all Spanish-surnamed. My guess is that few if any will be placed in such positions. There are many M/A's now in government that could be pushed to key positions. However, this is not going to happen because this is not the "policy", besides, they might find too many "chicanos" with the right background and they shouldn't be pushed "upstairs".....?

QUE SEA POR DIOS:

A large delegation of Puerto Ricans came to the Convention from New York. Did you know that there are about 1,000,000 Puerto Ricans in the U.S. with over two thirds of them in New York. Now if the Chicanos could unite with them and then with Indians what a vote block that would be. Indians and M/A's in Arizona, for insurance, could carry or turn the tide in any election. The Puerto Ricans have a slogan, it goes like this, "No quiero que den, sino que me pongan donde hay".

SINOPSIS

Imagine Eloisa's (MARGA LOPEZ) surprise when she sees Luis (LUIS AGUILAR) who is now a Colonel in the revolutionary army, riding through the town horseback and leading his regiment - inasmuch as she had been informed that he had died seven years ago.

There is a mystery about Eloisa and although she is overjoyed to know that Luis is alive, she orders her servant to get ready to leave town immediately, because she does not want to face Luis. She soon finds that leaving town is impossible without written permission from Colonel Moreno. She tries to get away from headquarters without Luis seeing her, but too late. Luis is over-joyed to see his sister-in-law and they embrace. In a flashback we see Luis as a federal soldier with the rank of Captain marrying Eloisa's sister Rosalia (OFELIA MONTESCO).

Luis wants to know everything that has happened during those seven years, however, he notices that Eloisa is evasive and won't give him direct answers. She won't let him into her home; she won't invite him to dinner; and she makes excuses to avoid seeing him.

When Luis finds out that Eloisa has been lying to him, he orders one of his men to find out where she lives and he finally faces her and asks the reason for her lies....Eloisa is trapped, however, when Luis confesses that he is in love with her -- she is overjoyed and after much persuasion on Luis' part, she agrees to meet him in another town where a military meeting is being held and Luis won't leave until he gets her firm promise to see him there.

Luis proposes marriage and Eloisa informs him that this is impossible and when Luis demands an explanation - in a flashback - Eloisa tells him that even when Luis married her sister - she already loved him and the night they left to go on their honeymoon around midnight she was awakened by her father because they were being attacked by a band of thieves, led by Nino Rangel (JOAQUIN CORDERO). She insulted Nino and he found her attractive and raped her. Eloisa's father shot Nino that same night and the bandits dispersed -- Luis doesn't care -- he loves her and still wants to marry her.

Eloisa still won't accept the engagement ring until they get back home and then he can decide if he still wants to marry her.

Once they are back, Luis finds out that she has two children and still insists that

~ ATRAS DE LAS NUBES ~

they must get married. This is when she tells him that one of the girls is his and Rosalia's child. Luis wants to know which girl is his daughter, but Eloisa informs him that she cannot tell him, because she doesn't know herself - in another flashback -- we see the ranch being attacked by federal soldiers and Rosalia dies in child birth....Her father takes the child...Eloisa then gives birth to another girl....Her father is the only one who knows which is which and believing that one of the babies has no mother or father -- he begs Eloisa not to ask him which is hers - because this way she will love them both the same and both will grow up having a mother. Eloisa accedes.

Luis, however, is another story -- he cannot accept not knowing which is his child and he demands that Eloisa tell him -- but she cannot...He goes to a doctor and is informed that all tests would be inconclusive and then he sees that one of the little girls has an identifying birth mark on her buttocks - so he sends a telegram to the doctor who delivered them both asking him to identify the one with the birth mark...He gets a reply, but realizes that he cannot read it, because he would be hurting everybody. It wouldn't have done any good because the doctor has been dead two years anyway.

He sends both children back to their mother and tells the soldier to ask her to forgive him. The soldier also informs Eloisa that the troop is leaving at that moment. Eloisa runs fast to catch up with Luis and calls to him. He halts the company and runs to embrace her.

Estimado Señor Saldaña:

Mis calurosas felicitaciones por haber Ud. empezado con toda energía a barrer lo que no estaba muy limpio en la organización de la cual ha sido nombrado Presidente.

Sírvase, Sr. Saldaña, darles duro y exigir se nombre si es preciso una comisión para que estudie la manera de reorganizar su institución a fin de que sea y continúe siendo una organización poderosa para defender las buenas causas y atacar las malas. Nuestros muchachos necesitan más educación y cultura y mas sitios de entretenimiento honesta que les eleve su nivel espiritual y económico.

Y que se rindan cuentas no solo de pasadas acciones sino también de los fondos que se han reunido. Palabras y mas palabras no llenan una bolsa como dijera el sabio Benjamín Franklin.

Pero Sr. Saldaña lo que el adagio predice: Escoba nueva empieza barriendo muy bien y al final deja todo como estaba. Que no ocurra tal cosa ahora.

En esta oportunidad todos hacemos votos por que Ud. siga adelante en su labor regeneradora y constructiva. Ud. es de espíritu joven y buen periodista en nuestra lengua y puede lograr desarraigar la mala hierba. Muchos padres y madres se lo van a agradecer con toda el alma.

*Club

HAROLD
MARTINEZ

Former Riviera member, Jim Herrera, returned this month from Vietnam after a year of duty in that desolate land. During his period in the war zone he was the victim of a grenade booby trap which injured another buddy. Jim spent two months in a Japanese hospital recovering from his wounds before being sent back to try again.

On the grim side of the picture, the son of our very good friend, Pat Vasquez, was killed in action and we would like to extend our condolences to the Vasquez family on the loss of a very fine person, Pat, Jr.

Closer to home, Frank Kawakami nearly met his destiny in a single car accident while coming home the other night. His Volkswagen Bus, oops! I mean Ford, was completely totalled out as he went into a ditch and hit a concrete abutment. The only thing that saved him was his safety belts. The details he gave me were kind of sketchy, pero lo que pasó es que andava pedo.

It seems that with all these problems at home and abroad you would think that our people would try to avoid trouble at all costs. That is not the case with Hillard Payer, however. In a ballgame last week, he gave the umpire such a hard time, that he was banished from the premises. The Satchel Paige of Club Riviera claims this was his first time ever, that he was kicked out of a game.

Speaking of softball, Riviera's team began the second half of their season by defeating the first half champions, Club Latin Barber Shop 1 to 0 as Mando Alvarez shut out the opponents on 4 hits. Little Ol' me scored the only run on a walk, a single by Guy Ripley and a sacrifice fly.

Two Riviera players, Richard Santos and myself again, helped Byington Steel capture the first half championship in the Santa Clara City Open Slowpitch league. Their only loss was avenged last week with an 11-10 victory over Texiera's Cafe.

The team has high hopes of capturing

the regional tournament in Sunnyvale beginning August 3. The meet will probably be over by the time you read this, but best of luck to our team in search of local and wishfully, National Honors.

Presenting Paul and Vivian Ramirez, two of the most active Riviera members. The Ramirez's reside in Milpitas by the Bay with their two boys and one girl. Paul, an inspector at the Ford Plant in that town, has been with the club since 1961. He has served as President, Vice President and now Club Historian. He has also served in other organizations as the Club Representative.

Mrs. Ramirez entered the club when the men decided to give their wives a voice in the club activities and make them members. She is active in the Milpitas Garden Club.

This is the fast rising band of the "So Whats!". They have been entertaining in local youth centers and private parties. They are awaiting word on their bid to compete with other bands at the Santa Clara County Fair Talent Contest and the Battle of the bands. From left to right are Jack Debar, Rhythm; Paul Gallegos, Drums; Manuel Martinez, Lead Guitar; Glen Locke, Organ; Val Gallegos, Bass; and kneeling Jay Miller, Lead Singer.

The band specializes in the new beat in popular songs. If you would like more information on the band dial 286-8913.
