My dear Sir

a Henry T. SMART (1813-78) composer.

I have been requested  
by Dr. Schilling in  
Hamburg who is editing  
a Beethoven Album to  
request a small contribution  
of your talent, and as  
no more than one  
page is required the  
object being, to unite  
the musical celebrities  
of all Nations in  
one book, perhaps

you may feel inclined  
to comply with his  
request, by which  
you would greatly  
oblige

My dear Sir

Yours very truly  
Julius Benedict
