

ADMISSION

POST-BACCALAUREATE APPLICATION PROCEDURES

All applicants for any type of post-baccalaureate status (e.g., master's degree applicants, those seeking credentials, and those interested in taking courses for personal or professional growth) must file a complete application within the appropriate filing period. A complete application for post-baccalaureate status includes all of the materials required for undergraduate applicants (Part A) plus the supplementary graduate admissions application. (Part B). Second baccalaureate degree candidates must complete Parts A and B. Post-baccalaureate applicants who completed undergraduate degree requirements and graduated the preceding term are also required to complete and submit an application and the \$30.00 nonrefundable application fee. Since applicants for post-baccalaureate programs may be limited to the choice of a single campus on each application, redirection to alternative campuses or later changes of campus choice will be minimal. In the event that a post-baccalaureate applicant wishes to be assured of initial consideration by more than one campus, it will be necessary to submit a separate application (including fee) to each. Applications may be obtained from the Graduate Studies Office of any California State University campus in addition to the sources noted for undergraduate applicants.

Graduate applicants are encouraged to submit applications during the initial filing period (November for fall admission; August for spring). For additional information, see the *Division of Graduate Studies and Research*.

APPLICATION FILING PERIODS

Terms in 1983-84	Applications First Accepted	Filing Period Duration	Student Notification Begins
Summer Qtr. 1983	Feb. 1, 1983	Each campus accepts applications until capacities are reached. Most campuses accept applications up to a month prior to the opening day of the term. Some campuses will close individual programs as they reach capacity.	March 1983
Fall Sem. or Qtr. 1983	Nov. 1, 1982		Dec. 1982
Winter Qtr. 1984	June 1, 1983		July 1983
Spring Sem. or Qtr. 1984	Aug. 1, 1983		Sept. 1983

All applications postmarked or received during the initial filing period will be given equal consideration within established enrollment categories and quotas. There is no advantage in filing before the initial filing period. Applications received before the initial filing period may be returned, causing a delay in processing. With the exception of the impacted undergraduate program areas applications will be accepted well into the extended filing periods until quotas are filled.

SPACE RESERVATION NOTICES

Normally you may expect to receive some form of space reservation notice from their first choice campus within two months of filing the application. A notice that space has been reserved is also a request for records necessary to make the final admission decision. It is an assurance of admission *only* if evaluation of the applicant's previous academic record indicates that admission requirements have been met. Such a notice is not transferable to another term or to another campus.
