Mrs. Jane Tolmach  
Oxnard, California

Dear Jane:

Because of my background on the Ventura County Board of Supervisors and in the title business, I have been nominated before a Congressional committee to the post of FHA Director for the greater Los Angeles area.

I have taken the liberty of using you as a reference because of our past associations. Should you be approached for a recommendation and feel that you can give it, I will be most grateful.

Sincerely,

C.H. (Bob) Andrews
