

to look up, and to find out more
about those vacation days.

The rains were late coming ^{this winter}
but we've had our share these
past several days. So far the
ground has taken the water
in but if it continues to
rain, we may have some
flooded areas in our county.
It's been cold up your way
hasn't it?

We enjoyed our holidays
with family and friends
here in Morro Bay. Thanks-
giving we made a trip to San
Diego to join my husband's sister
and her family; Pat's Mother
went with us. She ↑ even went,
to the Rose Parade on New Years
with her daughters.

Again, many thanks to
you for remembering me at
Christmas time. It was so nice
of you. You're quite an artist
Mrs. P - ^{Very} sincerely yours
Atsuko (Ann)
