

**RETAIN  
ATTORNEY GENERAL**

**TOM**

**LYNCH**

***A DISTINGUISHED RECORD!***

**VIGILANT PROTECTOR** The problems of youth are an important concern — the direction of youthful energies and enthusiasms toward constructive pursuits — the development of proper respect for the law in our future citizens.

Attorney General Lynch is a strong advocate of legislation to control the sale of firearms for unlawful use.

### **AGGRESSIVE FIGHTER**

**NARCOTICS** — Won new penalties on illegal sale of dangerous drugs and LSD; urged new action at the Federal level.

**PARA-MILITARY ORGANIZATIONS** — Applied rigid enforcement of laws prohibiting so-called "private armies" formed by fanatics to take the law into their own hands.

**MOTORCYCLE GROUPS** — Led action to stop lawless motorcycle bands from terrorizing communities.

Working closely with Law Enforcement Officers keeps the Attorney General in close touch with local problems.

### **DYNAMIC LEADER**

**LAW ENFORCEMENT** — Instituted electronic automated Tele-communications Network which will link all law enforcement agencies throughout California — the first state so equipped.

**CIVIL RIGHTS** — Appeared before U. S. Supreme Court in cases involving public accommodations, hiring practices and voting rights. Set up program to ease racial tensions at the local level.

With one son in the Far East and the other in New York, Attorney General and Mrs. Lynch divide their time between Los Angeles, Sacramento and their home in the Bay Area.

### **VIGOROUS DEFENDER**

**WATER** — Leader in protecting California's water rights, and in the fight to prevent pollution of our rivers and lakes.

**TAX ASSESSMENTS** — Working in the interest of home owners, has caused property taxes to be lowered.

**CONSUMER FRAUD** — Clamped down on unscrupulous practices resulting in sale of worthless or questionable products to unwary buyers.

The Attorney General is responsible for preserving the rule of law — the protection of lives and property — the rights and liberties of all of the people of California. To this end he must, while protecting the constitutional rights of each citizen, constantly move forward in the never ending battle against crime and its causes.

These are the concerns of all Californians. They transcend partisanship, calling instead for qualified, experienced leadership and the full support of all law-abiding citizens. I ask your help in forwarding our present administration of justice that the ideals of our society may be fully realized.
