E.S.O. Report

By Ken Wilson

LV residents soon will be asked by Emergency Services Organization volunteers about preparedness in their own homes. Village Coordinators will be inquiring in the spirit of neighborliness. We hope that residents accept this in the same spirit.

It would be well to compare the effort of preparation to a very cheap insurance policy with a big payoff as a long shot. One other consideration is the extent to which those unwilling to prepare may become a burden upon their neighbors.

In addition to stores, medications, tools etc., ESO will try to promote the "buddy" system wherein close neighbors develop a method of checking on one another and having pre-planned agreements to aid others in time of trouble.

Please help with this task by extending courtesy to your Village Coordinator and Assistants.

This popular, socializing event of the Village for 10 years, serving about 500 meals each breakfast, is being held this year on Saturday, June 24 from 8:00 - 11:00 a.m. in the AR. All residents and guests (including all grandkids) are invited to treat themselves to a delicious breakfast where "seconds" are offered to the more "ferocious" appetites.

INSIDE LEISURE VILLAGE

• OPINION •

Let's Talk About It Openly

INSIDE LEISURE VILLAGE perceives its role to be a watchdog over Village affairs. At the national and state levels, a system of checks and balances is provided, but county, city and Leisure Village governments are autonomous bodies. The local press helps provide checks and balances through its opinion columns and letters from citizens.

ILV editors express their *opinions* in editorials. The LVA Board expresses its opinions through the Village Voice, and by its actions at meetings and in the conduct of Village affairs.

Nobody really expects unanimity of opinions in the Village. It is perfectly acceptable to disagree with someone; it is a right of citizenship in a democracy. Opinions can change, and frequently do. Read the ups and downs reported in various national polls concerning political leaders of our country.

Leisure Village is an outstanding community. Here volunteers (the Board and committee members) perform tremendous tasks to keep us safe and happy. Some philosophical and personal differences cannot be avoided among people with such diverse backgrounds; those contrasts add to the richness of our experience.

Differences, though, should be discussed openly with more light and less heat. It is a gauge of maturity that debate can be maintained above street level hysterics.

Guest Editorial by Robert W. Atz

Each Board of Directors leaves its imprint on the life of the Village. Some boards are passive, being content to allow the Staff to conduct Village business. Other boards are activist in nature and participate more fully, such as in purchasing and personnel.

This unevenness in philosophy can make it difficult for the Staff since it has to adjust its activities to reflect changing board wishes.

The issue of checks and balances thus becomes significant in the continuous evolution of the Village. An overly active Board can be as difficult for the Staff to work with as an overly passive Board. The maintenance of reasonable checks and balances is the best way to promote and sustain the orderly development of Leisure Village.

INSIDE LEISURE VILLAGE Editorial Staff

Lois Atz - Betty Murray

Coordinator for this month: Betty Murray

Photographers Max Klapperman, A.D. Flowers
Staff Assistants: Jack Whalen and Doris Achterkirchen
Connie Kremnitzer, Gerry Levenfeld,
Herman Waltzer, Selma Lich, and Ben Perry

ABOUT NEXT MONTH

Coordinator for the next month will be Lois Atz. Please follow guidelines and be as brief as you can. Deadline for the June 30 issue will be Monday, June 12, 1995 at 5:00 p.m. To arrange for a photographer, call coordinator at least 3 days in advance.

Letters

ILV has obligated itself to publish Letters to the Editors that are not profane nor libelous. Views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the Staff of ILV. Letters should be brief. They must include your signature, address and telephone number. We reserve the right to edit and/or condense. Place in ILV box or give to the Coordinator for the month, as printed on page 2 of ILV.

"Calling the Shots"

Among the many wonderful things we enjoy in this great country of ours is the thing we call "freedom of the press". As one writer so aptly put it in the last issue of Inside Leisure Village, the editors of a free and independent publication such as ILV have the right to express opinions and editorialize on issues which they feel are important to their readers. We most certainly applaud them for their dedication and courage in targeting and highlighting many of the recent Board actions that affect us today, and for many tomorrows to come.

Along with a large number of other residents who have expressed a like opinion, I am confident that the editorial staff of our Inside Leisure Village will continue to take full advantage of our "freedom of the press" and keep calling the shots as they see them.

Robbie Karlin, V.38

"Anonymous Pen Pal"

It looks like I have been honored by our Leisure Village anonymous "pen pal". Although I was not on the "preferred distribution" list, a copy of the unsigned missive was left on a table in the Lobby of the Recreation Center and was graciously forwarded to me. Although many who read my article in The Voice either called me or wrote to say they appreciated the content, I will agree that the phrase in the article "leave the driving to us," could have been subject to misinterpretation. What was specifically intended, of course, was to continue to reassure ALL of the vil-

lagers that the Board, in doing the "driving" was, and is, following the direction provided by our hard-working committees and our homeowners. Those are the voices we listen to. Finally, as human beings, isn't it our nature to constantly ask ourselves the question, "Who Am I?" How do I define myself in terms of my beliefs, attitudes, actions? In short, what is my value system? So when someone consistently writes unsigned "letters", containing many false accusations and half truths, doesn't it seem that this person must have a pretty negative response to the question, "Who Am I?" A rather empty feeling of self-esteem? Whatever the letter's content, without a signature, it is virtually nothing. Maybe we should feel pity for the one who thinks so little of their name that they don't feel able to use it.

Bill Blauer, V.38

We villagers run our own village, so far. Our current Board of Directors were clever enough to reduce our monthly assessment fees just before election time. I guess they want us to re-elect them. But wouldn't they have to raise our fees again if they go ahead and farm out our landscaping to an outside profit-making firm? Hear that "profit making"? Isn't it cheaper to do it ourselves? We are not gullible idiots, are we? Let's vote new people in each time.

Josi Cuffari Markey, V.23

Reward Offered

I received an unsigned letter on April 17, 1995. The letter states: "Clary Morgan stopped by Security for Traffic Violation." I have lived in this village for more than ten years and I have never received a traffic citation. I have never been stopped by Security in this Village.

This letter also stated: "Clary uses profane language unbecoming a gentleman." I do not use profanity, I have never

used profanity and I prefer people to not use it in my presence.

I feel very fortunate and richly blessed to have many personal friends in this village.

I am offering a \$500.00 reward, until July 1, 1995, to any person who will testify in court and lead to the conviction of the person who wrote the letter.

Clary Morgan, V. 7

Political Dialogue

Historically, American political dialogue has never been gentle. From this perspective, the accusations currently afloat in our beloved Village are relatively mild.

If diatribe has any merit, it is the ability, through titillation, to focus attention upon real or perceived problems. Unfortunately, the damage which is done is severe. Anger is the enemy of logical conclusion based on fact. In a perfect world, there would be no prejudice based on emotion; decisions would be made after careful examination and evaluation of facts.

We may never achieve perfection in our lives but it would be sad if we stopped reaching for it.

Hunter Cohen, V.44

A thank you is due not only to Lts. Jim Moore and Javier Bazaldua, but to all our security personnel. On Monday April 17, in response to my call for two strong arms, Lts. Moore and Bazaldua responded in three minutes to help lift my husband off the floor and back into his chair.

If one has to be sick and in need of help I can't think of a better place to be than here in Leisure Village.

Thank you Lts. Jim Moore and Javier Bazaldua.

Miriam Natter, V.24

My heartfelt thanks to the many friends who expressed their love and sympathy at the passing of my dear husband, Hugh. Your cards and tributes

have given me great comfort.

Grace Gary, V.20

We wish to express our deepest gratitude to our many dear friends in the Village and the City of Hope for their warm support and sincere condolences following the death of our beloved brother.

Virginia Calihan, V.22
Marjorie Ramsey, V.22

To all my dear friends and neighbors, I want to thank you for all your calls, cards, and good wishes. I was deeply touched and your thoughtfulness was greatly appreciated.

Roz Feldman, V.28

I want to thank all my friends for the beautiful flowers, goodies and get-well cards.

Rose Sottile, V.7

Many thanks to all our friends and neighbors who sent cards and tributes and made so many cheering calls after my recent surgery. Believe me, it helped!

Sid Dinesfeld, V.37

This is to express appreciation to the Village Swingers, Round Dancers, and the members of the Bowling League for their concern and encouragement that helped ease my recent hospitalization. I am home now and well on the road to recovery from my hip surgery.

Arthur C Gregerson, V.13

I would like to thank so many people in the Village for their sympathy, cards, and donations at the loss of my husband Michael. Our life in the Village was the happiest.

Helen Scraba
and Family, V.42

My family and I want to thank the network of friends for all their kindness and caring.

Your support during my stay in the hospital and while at home have been one of the best supports in my recovery.

Marion Slutsky, V.41

THE GREEN GRASS GROWS ALL AROUND

If grass clippings were a commercial crop, Leisure Village could make a fortune! Village landscape crews worked frantically to clean up after the wind and rain storms of early March. Grass reached new highs. That fertilizing program shows really dramatic results.

Despite extensive storm damage to many areas in California, the L.V. enclave was relatively untouched. The bottom line is, L.V. is just beautiful! - And safe.

BEREAVEMENT GROUP

Have you lost a loved one, a sibling, spouse, child or friend? Whether recently or in the past, a safe place to share your feelings with others in similar situations is the bereavement group. This group meets weekly, on Thursdays at 11:00 a.m. in the Garden Room. All are welcome and no advance notice is necessary. The group is monitored by a trained Hospice counselor. The Village contact is Jean Aird, 482-6660.

Even if a loss is not presently an issue in your life, often a friend, neighbor or acquaintance might need your understanding. Some misconceptions about what constitutes normal bereavement can exacerbate the painful experiences of grieving.

One especially common practice is the belief that the bereaved will fare better if not reminded of their loss. Therefore the well

intentioned will avoid any mention of the name of the dead loved one, thinking to distract the griever is being kind. Quite the contrary is true. The bereaved is thinking of his loved one anyway, and will probably feel relieved if you reminisce about a favorite time spent with, or special quality of the one who died. The names of the dead are the symbols that remain of the people who were loved. Grievers often complain that acquaintances often behave as though their beloved person never lived.

The Rhythmettes are making music, along whatever theme suits their fancy, accompanied by Lily Baker at the piano. Director Piff De Simone is always up front, ready for the down beat.

With the catered dinner of May 12 out of the way, the hospitality chairmen, Claire Endelman and Bess Davis, have been looking

for ideas for the June 20 installation of officers program. The "ins" and "outs" of office will be: Jean Aird, pres. (second term); Marion Tavano, vice pres. (second term); Jeanette Ventura, secy., Bess Wideman, treas., Piff De Simone, music director. The non-elective position of pianist will be filled by Lily Baker.

Patriotic airs will fill the halls again as the Rhythmettes practice for their performance at the July 4th picnic.

LV ROUND DANCE

By Bob Vanicek

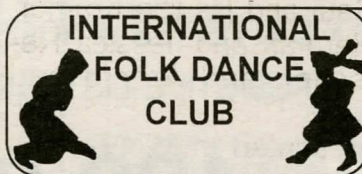

Round Dance Club's April fifth-Sunday-Of-The-Month Dance Party with a series of familiar Golden Classics augmented by stylish advanced dance numbers, demonstrated by Al and Ruth Siegel, Jerry and Barbara Stone and Kay and Betty Murray.

Although the Club is basically composed of Intermediate dancers who strive to embellish their talents each Sunday morning in the AR, they always ap-

preciate the finer points of the terpsichorean art.

The two hours of relaxed dancing were well rewarded by Refreshment Chairman Rawza Kramer, aided with generous contributions from Edna Hoffman, Elaine and Sig Jaffe, and Evelyn and Fred Morlock.

Our role model instructors, Al and Ruth Siegel, will continue to teach Sunday mornings in the AR. Why not embellish your "daily constitutional" and drop in before noon for a visit? You're always welcome. If you've round danced before, maybe you'd like to join the club.

The Leisure Village Orchestra played a concert in April for our friends over at the Oxnard Convalescent Hospital. As of now, our next concert will be at Club Camarillo on September 18. Several Leisure Villagers go to the Club, and we are pleased to see them in our audiences there.

If you have friends outside the Village, they are very welcome to come play with us. About half of the orchestra is from outside the Village now, and

we always welcome more musicians. We have started working on the Overture to "Orpheus," which is not an easy piece, but will be great when we do get it licked. "Play it, it won't hurt you," and the audiences will love it.

The next rehearsal will be Thursday, June 1, at 7:00 p.m. in the MPR. You are welcome to join us - and we have heard every excuse known to musicians why you can't play anymore. And if you gave your instrument to your grandkids, get it back. Two to one they aren't using it anyway.

VILLAGE SWINGERS SQUARE DANCE CLUB

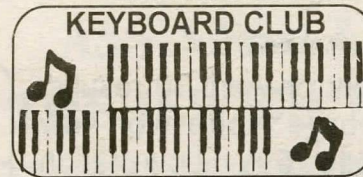

By Sig Jaffe

April's schedule of dances by the Swingers was again affected by the Med Fly. We were forced to enjoy ourselves for shorter periods with constantly changing program times and activities. Nevertheless, we managed to come out of it with improved cardiovascular systems and an optimistic outlook for the May dances.

During April, the club celebrated the birthdays of Lou Dektor, Herman Reischel, and Minna Hudson. We also celebrated the anniversaries of Max and Lillian Brownstein, Saul and Rawza Kramer, Herman and Jessica Reischel, and Arnold and Faye Rich. A plant was presented to Minna Hudson in recognition of her faithful service.

Bill Kramer continued to call invigorating and inspirational dances. Norman Fuller added to the evenings by playing our favorite round dance tapes.

We cordially invite everyone to come to our Tuesday evening dances in the AR to watch us and join us if you ever have danced Plus level.

KEYBOARD CLUB

By Mimi Kaufman

The Keyboard Club at the April meeting had 85 people. What a pleasant afternoon we all had!

As we walked into the AR, we heard the lovely grand piano played by Lou Mehle, who was the guest of Guy Moshier. She is the main pianist of Guy's church. It was very gracious of her to share her talent with us.

After a short meeting eight members played the organ, the keyboard and/or the piano. They were all great.

Please do come and

visit with us on the third Friday of each month. Join us for pleasant music and delicious refreshments.

Hope to see you next meeting, June 16 at 1:30 p.m. in the AR. Everyone is welcome.

The L.V. Shuffleboard Club once the "darling" of our Village back in the 70's and 80's, has now become

the "stepchild" of the Village and is facing extinction. The overhead netting and lights have been removed, the 12 courts have been reduced to 5 for shuffleboard use. There are still 8-10 stalwart shufflers playing on M-T-W at 9:30 a.m.

It wasn't too long ago when our own Louise Colbert captured the Gold Medal in the Summer Olympics. Interest in this skillful sport must be renewed. We are sending out an S.O.S. to all Villagers: Save Our Shuffleboard.

Joseph Ellenbogen, California Senior Legislator, accepts check from President Renee Greene.

By Eileen Cohen

Women's Club president Renee Greene presented a check for \$500 to Joe Ellenbogen for the California Senior Legislature at the May meeting. Joe, Camarillo's Senior Senator, briefly described the work of the legislature.

Dorothy Fencel reported that the workshop, which meets each Tuesday at 9:15 a.m. in the MPR, has between 40 and 50 workers, but would welcome anybody who would like to join. The workshop still needs cotton fabric. Dor-

othy displayed some of her own needlework, a counted cross-stitch pillow and picture which have won blue ribbons.

There will be no Trading Post on June 1, as June 10 is the date for the big Outdoor Trading Post. Besides all the usual bargains, there will also be hot dogs, soft drinks, cake and coffee available.

The June 1 meeting will feature the annual Salad Luncheon followed by Bingo. Lunch will start at 12:00 and admission is any kind of salad for six. Bring your own plate and fork. Each salad "buys" two Bingo cards.

President Greene urged

everyone to help prepare for the November Nostalgia Fashion Show. Have you a distinctive old outfit or item of clothing to wear or display? Blanche Follen will narrate the show while Dorothy Karlin, Renee Greene and Ruth Hart will sing appropriate parodies, accompanied by Bill Marvel.

An amendment to the by-laws to rescind the restriction on more than two consecutive terms on the board was vigorously discussed. The motion failed by three votes to win the approval of two-thirds of members present.

At last the beautiful tenor voice of Nathan Wine, superbly accompanied by Dorothy Weiss, was enjoyed. Particularly lovely was the final number, "Danny Boy."

Trading Post

By Irene Cunningham

The May sale was an excellent send-off for the summer special event which is an Outdoor Trading Post on Saturday, June 10. If all goes as planned, the sale will be located near the Pool area in the newly completed Cabana. This is in itself a celebration. Hot dogs, desserts and drinks will also be featured.

This is one time the Trading Post is able to display all its wares, large and small. Everyone is welcome.

If you have salable items to contribute, please call for pickup, Betty 484-5606 or Irene 987-2627.

Coordinated 1994 earthquake repairs for Board, other subcommittees, etc., etc

Member of Woodshop Committee, Architecture and Landscape Committee, Purchase Research Committee. Founder of Computer Club, member of Exercise Group, Bocce Club, Amateur Radio Club, Parliamentarian, Farmers Club.

How would your training, work or career experience be useful on the LVA Board of Directors?

As a doctor of Veterinary Medicine in both private and public service, I have had extensive training and practice in management and problem solving. My work history includes large animal practice and service in the U.S. Dept. of Agriculture with responsibility for over 300 employees. After govt. service, I was consultant to food companies both in the U.S. and in Japan. I designed management organizations, production facilities and established quality control systems.

My 25 years in civil service (to GS-12) in the areas of management, supervisory, budgetary, accounting, supply and administrative positions have been an asset and a background that greatly helps serving on any Board. My added experience in serving as an officer and chairperson in other community organizations has allowed me to show that I am a team player.

As Branch Manager for the Mallinckrodt, Inc. (Chemical Co.) Warehouse and Distribution Center in Vernon, Ca, it was my responsibility to maintain a good relationship with my peers and employees to achieve company goals. As problems surfaced, my immediate action was to identify the cause, gather facts, communicate with personnel involved, review with supervisors and then present my solution. I feel this approach to problems makes me an asset to the LVA Board.

If I should become a member of the Board, Leisure Village Association would benefit from my 44 years of experience in industry as a creative leader and manager of people and assets.

What do you consider to be the most challenging problem in Leisure Village?

We must find ways to utilize the untapped human resources with which our community is blessed. Keeping our Village safe, attractive and affordable requires a dedicated coalition of Staff and Villagers.

What do you suggest to improve the situation?

As a Board member, it would be my objective, through open, frank discussion, to end animosities among members of the Village family.

I pledge to you an unbiased search for the best information on both sides of an issue and a vote always in the best interest of our Village.

It would be a pleasure and an honor to serve on your Board of Directors.

Here are a few:

1. Fuel Spill: Obtain closure by removing contamination in manner approved in writing by Ventura County Environmental Health Division.

2. Flood Maps: Continue pressure on Ventura County Flood Control Office to complete repairs as required by FEMA. When completed, the Flood Map can be changed to eliminate need for flood insurance by homeowners and the Association.

3. Five Year Security Plan: Chief Moses has been requested to prepare a 5 year plan to address needs to protect our property, residents and employees. Board will establish requirements and the priority for them.

4. Master Insurance Policy, \$1,000 Deductible: Change CC&R's to stop the abuse of "double-dipping."

5. Maintenance-Long Term Planning: Although the external appearance of the Village has been maintained, other areas will require more attention during the next 20 years: aging or inappropriate trees and shrubs, streets, concrete driveways, exterior of the homes, outdated TV system, water and sewage lines, plus recreation facilities which must not be allowed to deteriorate. We must incorporate these needs into a long-term plan.

Due to the age of the Village (22 years), many areas and equipment will depreciate, and it is important that we maintain the visual appearance of the Village in A1 condition to enjoy and protect our investment.

Continue to have committees with experience and knowledgeable personnel remain active on the premises and communicate to the LVA Board the problems and areas that need attention.

The most challenging problem, in my opinion, is the need to control cost of operation, while maintaining the beauty of Leisure Village and enhancing the quality of life of its inhabitants.

To improve the situation I would use the Purchase Research Committee extensively, as it has generated great savings in the past. My small part on this committee has generated saving of at least \$10,000 per year by finding a new professional publisher for our Leisure Village Telephone Directory.

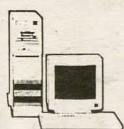

- Candidates' Night Thursday, June 8, 7:30 p.m. in AR will be telecast live on Channel 12.

- All votes are important because the By Laws require a quorum of homeowners in order to hold the Annual Meeting on Thursday, June 22 at 10:00 a.m. in AR.

- Registration and voting will start in the MPR at 8:30 - 10:00 a.m. (June 22)

- Ballot box for proxy votes will be in lobby of Rec Center and Association Office until June 22.

COMPUTER CLUB

By Ben Perry

Residents of Leisure Village have a new computer club established by Dick Travis, charter president, and Rudolf Regen, vice pres.

The interest was surprising, in-as-much as 31 persons attended the first meeting. It is anticipated that more residents will join in the coming months. The special interest by seniors lies in the use of computers for correspondence, home record keeping, home banking and other areas, including

packet radio which comes into play by amateur radio operators. The objective of the computer group is to share knowledge and experience and to effectively demonstrate the ease of application. Smaller groups may be formed, based on the type of computer in use and because of the large number of members.

Ian Bentley, who works for Advanced Network Solution in Thousand Oaks, gave a demonstration showing the ease of developing computer literacy and how to "Surf" on Internet, a communication network having a membership of many thousands of computer operators.

We have entered into the world of Cyberspace, so if you are interested in developing computer skills or knowledge contact Rudy Regen 445-9722 or Dick Travis 389-1352.

AMATEUR RADIO CLUB

By Benson Smithkin

The LV Amateur Radio Club, on the air every Thursday on 147.15 mhz, is powered by our new Honda generator and supported by the solar panels installed by Ed Vasquez (KC6UQO). No less than 17 hams responded, a new record.

Other than a few minor glitches, the DPX (disaster preparedness exercise) on April 28 was a resounding success. It worked as planned primarily due to the skill of net controller Marge May (KB6HAG), who handled the CB calls from the villages, recorded the white flag count, and dispatched the special teams to the disabled homes.

WRITERS ROUND TABLE

By Cele Porges

At its April 11 meeting, Irwin Porges discussed the purposes of the Writers Round table, and the anticipated goals of its members. He stressed the importance of evaluation in order to be able to criticize constructively, and he spoke briefly about correct grammatical usage. A prize-winning poem was read for interpretation and language.

Hilda Zelanko read a character study. The group read and discussed Ruth Carlson's interview for ILV to illustrate a third person viewpoint and a journalistic style. Brad

Thanks are also due to ESO chairman Ken Wilson, Club pres. Dick Travis (K06KU), and CB maven Jules Nayfack. Dick, Marge, Mina Maxfield (N6UHK), and Floyd Cook (AC6FG) also ran a City DPX the very next day at the Community Center.

The latest new call signs issued by the FCC are KE6SXX to Jack Myers who passed his Tech license exam, and KE6SWL for Leisure Village itself!

The May 2 club program featured retired Air Force Col. C.A. (Cam) McIntire (K06IB) who commanded U.S. military communications for Central and So. America operating out of Panama.

The next Club meeting will be on Tuesday, June 6 at 10:00 a.m. in the Sun room.

Hollingsworth read his depression years memoirs. Bernice Epstein ended the readings with a story.

Readers were Brad Hollingsworth, a story on "bears" he has actually known; Norma Jenkins, with a rewrite of a lovely poem. Jim Rogers wrote about the sand castles sculpted at the Thousand Oaks Mall. John Callas did a character study of a Navy superior, and Hilda Zelanko read a long poem and some riddles.

The Writers Round Table meets the second and fourth Tuesdays of each month in the Lanai Room at 1:30 p.m. A warm welcome is extended to anyone interested in any form of writing.

LOOKING AT CHANNEL 12

By Janet Hof

Our thanks to Louise Herbert, June Hirsh, Art Kaufman, Paul Kelwin, Ben Perry, Rita Poders, and Jerry Schneider.

The normal monthly schedule is: first Monday at 5:00 p.m. "Shared Experiences"; second Monday Lee Edwards' movie review; third Monday Lillian Hawthorne's book review or Kurt Godfrey's music appreciation; third Tuesday at 6:30 p.m. "Old Tyme Showcase."

Every Wednesday at 9:45 a.m. we air the Voice of the Village with volunteers who read the programs for the benefit of the vision impaired. Wednesdays and Saturdays at 10:00 a.m. we present programs put on by Village clubs. Any changes will be noted on Channel 12.

HAPPY HOOFERS

By Dorothy Karlin

The Happy Hoofers have been busy, as usual, doing many things. We went en masse to Palm Springs to see "The Palm Springs Follies." We loved the show done by seniors like ourselves.

The installation of new officers will be held June 15 at The Crazy Bull Restaurant. New officers are: Ida Zeller, pres; Shirley Law, vp; Kay Whitaker, secy; and Vi Cohen, treas. Sunshine chairman is Doris Siegel.

**THE
CERAMIC
PLUS
CLUB**

By Don Holmes

The April meeting of the Ceramic Plus Club centered mostly on the importance of housekeeping, and the sad fact that other users of the Ceramic Room do not always clean as well as they might. There was more demonstration of the new slab roller by Gil Chuck, showing that it mostly rolls end-wise, with very little side-wise spreading, and that it cannot hack a huge gob of clay. After all, it is only a machine and can be damaged by overloading, so take it easy. The slab roller will be used to make slabs for the pencil holders the group will make to be sold in the fall.

The Club viewed Shiela Shields' tape on her plate and bowl with the dragon handle on the lid.

PARKINSON'S SUPPORT GROUP UNDERWAY

By Bob Brackenbury

A Parkinson's Support Group has been organized and has held two informal meetings. Almost 30 people have been involved either as "care recipients" or "care givers." The group has now been officially recognized by the Association and will hold regular meetings the second Wednesday of each month at 10 a.m. in the Village room.

Some meetings will be devoted to the therapy provided by members sharing

their problems while others will involve guest speakers, audio-visual tapes, discussions of treatments, medications and their side effects, and consideration of latest treatments and experimental programs.

Parkinson's disease affects the entire family and all interested parties are welcome. Milton Nixon (388-1320) has accepted the presidency and Dorothy Dolman (987-2663) is serving as secretary. Call them for additional information. Watch for further announcements in Inside Leisure Village and on Channel 12.

BINGO GAMES

By Cy Maller

Wednesday evening Bingo continues its popularity with villagers. One hundred twenty players jammed the A.R. at a recent session and took home close to \$200. Regular games paid off \$4, a couple of specials paid \$8 and \$10, the paper games had the usual \$12, \$18 and \$30 payoffs.

Spend an evening full of camaraderie, that can also be very profitable. Come to the A.R. on Wednesday at 6:30 sharp and play B-I-N-G-O.

CAMERA CLUB

By Sam Weinstein

On April 20 the Camera Club took its first trip of the year to the State Poppy Preserve in Lancaster and the Gorman area to see the flower-covered hills. Field trip chairman Duane Waln Jr. planned and researched the trip and prepared the maps for the car pool drivers. The weather was much too cloudy and windy for optimum picture taking. Even though the flowers were not at their best, a good time was had by all.

Our May 3 competition assignment was "Transportation." Judge was new-comer Anita Thompson of Pacific Black & White, a photo service company which specializes in black and white processing. She chose the following winners: First

place to Sam Weinstein for "Coin Divers, Inc.," second place and Picture of the Month to Duane Waln Jr. for "Storm Abrewing" and third place to Edwin Pol-laine for "Canal Street."

The winners in the "Open" category were: first place and Picture of the Month to Sam Weinstein for "Pueblo Door," second place to Duane Waln Jr. for "Bainbridge, England" and third place to Jack Burden for "Stairway to the Sky."

The Camera Club meets every first and third Wednesday at 7:30 p.m. in the Village Room. Watch Channel 12 for our announcements and join us. You'll be glad you did.

SELF AWARENESS

By Maxine Fritz

The Self Awareness Group meets on Mondays in the Lanai from 7:00 to 9:00 p.m. A workshop with Joy Sanders of Kay's Nutrition, Simi Valley meets the second and fourth Tuesdays of the month in the Sun Room from 7:30 to 9:00 p.m. Her topic is Alternate Health. All are welcome.

As humans we have the unlimited power of choice: the choice of thought. We may not always be able to choose what happens in our lives but we can choose how we think about it. Thoughts establish our beliefs and attitudes. Beliefs and attitudes establish who we are and why we behave the way we do. Fearful and angry thoughts can make us a frightened and angry society. We each have the power to change that through self awareness.

MEET YOUR NEIGHBOR

By Carol Heyerick

Hildi Taylor, Chairman, will welcome newcomers as well as other residents to the next meeting of Meet Your Neighbor, on May 26 in the Garden Room at 1:30 p.m.

New residents will be introduced and welcomed.

Guest speaker will be Susan Rockwell, the new Manager of the Recreational Facilities. Come and meet this pleasant, well qualified, dynamic woman.

The second speaker will be Richard Griswold, member of the LVA Board of Directors, who is liaison to the Finance, Purchase Research, and Travel Committees.

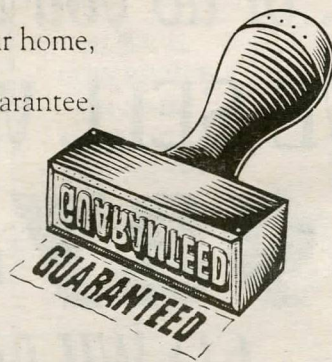

He attends about 20 meetings a month and says he enjoys attending all. His lovely wife Georgia is just as busy with the Garden Club, etc.

We look forward to seeing you on May 26.

BOWLING

By Jack Whalen

Hail the Bowling Champions! Team #18 comprised of Vern Brown, Edith Kremer, Stan Zeff and A.D. Flowers captured the top prize following some 32 weeks of bowling.

Team #18, winners of the second half of bowling, played Team #10, winners of the first half of play. That team, led by Charlie Bellante, had members Rae Sohr, Caroline Di Lallo and Ben Perry.

A gala picnic was held, awarding many cash prizes and trophies. With the lunch featuring Joe's world-famous bread, members and guests had a super time.

Due to space limitations, we'll wait until next month's issue for a listing of all the awards.

THE GEM AND MINERAL CLUB

Don Holmes

The April meeting of the Gem and Mineral Club was an unstructured meeting, consisting mostly of members reminiscing about past field trips the Club had made. The high point seemed to be the time when we chartered a bus to go to Point Conception, after which the driver volunteered to take us to Solvang for shopping. The first field trip the Club

made was right behind the Village, on Conejo Mountain. We drove to the park at the foot of the hill and then climbed up, all the time looking for gem-stones. No one complained, although we agreed we would not do it again. After all, that was nearly twenty years ago, and that hill has gotten older and steeper.

"Rock and Gem" magazine is in the Rock Shop library. Please return it promptly for others to read.

FARMERS CLUB

By Hunter Cohen

The LV Farmers are planning a real down-home country barbecue on August 25. "Farmer" Joe Kremer will be in charge of the food, which will include: salad from the garden, Joe's delicious bread, as well as a belly-full of food and drink. Be in the picnic area at 5:00 p.m. on August 25.

Watch *Inside Leisure Village* and Channel 12 for ticket availability.

Tomatoes, America's favorite vegetable, are also the most popular vegetable grown in our garden. It is important to

remember that in our climate vegetables can be grown all year round. Four healthy tomato plants will oversupply two people.

Gardeners should remember that plants grow best in loose soil.

Vegetables which may be transplanted now include broccoli, cabbage, lettuce, cauliflower, and summer squash. Beets, carrots, lettuce and spinach may also be planted as seed in the summer.

A key to continued enjoyment of your garden is to plan for a continuous supply of a variety of produce—as one crop is harvested, plant another!

SAWDUSTERS

By Martin Alfred

Sawdusters had a good turnout and a very good April meeting.

Ernie Ohmstedt, a newcomer to the club, and a long time village resident, gave an interesting demonstration on how he builds beautiful bird houses with his business partner grandson, age twelve. The bird houses are replicas of early Spanish missions and churches. It was a very inspirational presentation for all the grandpas in the club.

Joe Selden brought in the fleet of 21 toy trucks which club members produced for the Women's Club Trading Post.

Sawdusters club meets the third Thursday of the month at 2:30 p.m. in the Lanai Room. Call Phil Farber for details at 482-0973. Come join the fun!

RACQUET CLUB

By Shirley Law

The Leisure Village-Mission Viejo tennis tournament held in LV in April was exciting and hugely successful, with the LV Racquet Club taking back the tennis trophy which Mission Viejo had captured last year.

All eight matches of the tennis tournament were won by LV players with a score of 64 games to MV's 17. In the paddle tennis games, LV won 191 to 159. Thirty-six players on each side participated: 24 men and 12 women.

The dinner-dance on Saturday evening was a complete sell-out and featured a 4 piece live band.

The next tournament will be with the Seniors Paddle Tennis Club in Las Vegas sometime in September.

Winners of the April tennis tournament in LV were Harold Brodsky, Les Coombs, and Stan Feldman. Congratulations to all!

The next monthly meeting will be June 14 in the MPR at 7:30 p.m. Please attend. Refreshments will be served.

L. V. BILLIARD CLUB

By Irene Cunningham

Summer is coming which means vacations and outdoor activities. This probably accounts for the small attendance at Billiard Club general meetings. Support your club. We need your input.

A reminder to new play-

ers: make time for practicing your pool skills. There will be another tournament in the fall and possibly another instruction session.

The annual Billiard Club picnic is scheduled for Sunday, June 11, 3:00 p.m. If you do not have tickets, call 987-2954 for availability. Price is \$7.00.

Hearing
Impaired
SUPPORT GROUP

By Gabriel Barkley

In the March issue of ILV the Hearing Impaired Support Group announced a bus trip for April to the House Institute Ear Clinic in Los Angeles, and that

during the April meeting the participants in the tour would describe the operations of this clinic. Because the clinic found it necessary to cancel the tour, it arranged to send one of its hearing aid dogs and caretaker to present a demonstration.

Dr. John Edison, a specialist in ear, nose and

throat disorders, who was to speak at the May meeting, will appear instead at the meeting on Wednesday, June 28 at 1:00 p.m. in the MPR.
