Oklahoma by Rodgers and Hammerstein opened on Broadway fifty years ago with Celeste Holm as Ado Annie and Lee Dixon as Will Parker, above, and became the longest running musical in Broadway history. Productions to celebrate this anniversary are being held all over the country including at Cal State Hayward. Edgardo de la Cruz will direct a "traditional" version opening August 6. "Oklahoma is very American, very optimistic," says de la Cruz. The play's dates are August 6-7, 12-15. Call 881-4299 for information. Photo Courtesy of The Rodgers & Hammerstein Organization.

Appointments made in Library and School of Education

Noreen S. Alldredge will leave her post as dean of libraries and professor at Montana State University, Bozeman to become CSUH's director of the Library, effective September 1. She holds an M.S. in library science from Columbia University.

Stanley J. Clark, chair of KPE, has been named interim associate dean in the School of Education, effective August 1. Theorists gather to discuss changes in public administration

The Public Administration department will be hosting the sixth national Public Administration Theory Conference on campus from July 14 to 16.

The theme is "Prospective and Retrospective Visions of Public Administration Theory: a Time for Assessment; a Time for Change."

"We are very honored to have this conference here," said Jong Jun, professor of public administration. "Every year it is held at a different accredited school and this year we were chosen." This year's meeting precedes the National ASPA (American Society of Public Administration) Conference in San Francisco.

During the theory conference academics from around the world will hear colleagues give presentations on topics ranging from "Searching for the Best Structure for American Local Government" to "Madonna and Sex: Constitutional Stewardship vs. Administrative Fantasies."

Two CSUH faculty members will be presenting papers: Jun on "Understanding Hidden Dimensions of Administration: Japanese Culture and Its Impact," and Dvora Yanow on "Implementation As Interpretation."

Friend of campus dies

Milt Murdock, who chaired the Cal State Affiliates in 1988, died July 5. He was the former president and chief financial officer of Franklin Optical Company. Franklin Optical is a member of the Acacia Society for its contributions to the University.

"Milt was a spirited supporter of the University; both the campus and the community at large will miss his leadership," says Bob Trinchero, director of University Relations and Development.
