3. Naval Sea Cadets from CBC to pipe the Australian and U. S. dignitaries aboard from in front of the U. S. Coast Guard Station at 9:00 a.m., Saturday, August 4.

We understand that August 4 is the 183rd Birthday of the United States Coast Guard, so the festivities planned seem doubly fitting. Chief J. J. Tyler has been contacted and is anticipating the Navy vessel at the USCG dock. Rolls and coffee will be served by the USCG Station at 8:30 a.m.

Plans for the Harbor Celebration program are being coordinated by a representative of the Channel Islands Lessees Association, Ms. Beth Anderson. If you have any questions or desire additional information, please contact Ms. Anderson at 482-3008.

Sponsors of the Harbor Celebration program will appreciate any assistance which you might provide in preparing for this program.

Sincerely,

Jane M. Tolmach  
Mayor
