CONFIRMATION

NL Charge LA Examiner

Nov. 10, 1930

Julia Morgan,
Merchants Exchange Bldg,
San Francisco, Calif.

W.R. Hearst
Parks says lion pit should be completed as all material has been bought I agree to this stop Also that fence should run down until it meets existing fence I agree to that stop I think Adams should leave men to take care of planting already made These trees will need water so I agree to that stop We will also go ahead with windows for the new wing.

W.R.Hearst
