Dear Jane,

I would like to take this opportunity to thank you for all the support that has been given me and the entire administration during the past two and one half years.

Jane, I would consider it a personal favor if you would submit to me the names of some local people who would do a good job in my behalf during the coming campaign.

Many of the problems that will arise during the coming year will seem overwhelming, but if we continue to cooperate and to support our candidates I know that we will be successful.

Again thanking you for a job well done.

Sincerely

*Bert*

P.S. Please extend my regards and thanks to all the members of your committee.
