## *About the Award*

The CSUSM Library Award for Undergraduate Research, Scholarship and Creative Activity recognizes undergraduate students who demonstrate sophistication and originality in research projects and creative works, and in-depth reflection upon the research/creation process.

Submissions by individuals and groups were considered in the categories of Creative Works, Empirical Research, and Interpretive Analysis. Winners will receive a certificate and a \$600 prize in recognition of their achievement.

More information about the award can be found on the library website: <http://bit.ly/1rcXfxe>

**Winning submissions have been archived and can be viewed on the University Library's website in ScholarWorks, the CSUSM Library's institutional repository.**
