Mr. William Randolph Hearst,
137 Riverside Drive,
New York, New York.

Dear Mr. Hearst:

I have taken the question of the "divan"
or "couch" for Mrs. Hearst's front room up
with the makers and am sending you with this
sketches as I do not want to risk it not be-
ing right.

As there is so much old gold tone in
the walls would Mrs. Hearst care to bring
out blues in coverings -- blue with a bit of
silver and old gold, perhaps.

Yours very truly,

JM-dem
