Leaders, for a change.

October 6, 1976

To: 1976 Democratic National Convention Delegates

From: Steve Selig
Deputy Campaign Director

The Carter-Mondale campaign needs your help.

As a delegate to the 1976 Democratic National Convention, you played an important role in determining the future of our country. Your vote for Jimmy Carter last July was a vote for open, honest, competent leadership -- qualities sorely lacking during the Republican administrations of the past eight years.

However, we urgently need your continued input and support. Because you have had the experience of running your own delegate campaign, you know your community and your state. This special knowledge can be invaluable to our state campaign directors around the country.

Enclosed you will find a list of our state headquarters. If you haven't already done so, please contact the office in your state to offer your assistance.

You can make the difference in the crucial days ahead.

Steve Selig
