DEMOCRATIC
STATE CENTRAL
COMMITTEE
of
CALIFORNIA

January 25, 1968

Dear Democratic Legislator:

The tremendous success of the California Democratic State Central Committee Conference in Fresno, and the enthusiasm of those who participated, demonstrates the intentions of the Democratic Party to win in November.

Now we must get on with the work of the campaign. Our first objective towards the success we anticipate must be a registration drive. On this project all Democrats can agree and work together.

The Women's Division of the Democratic State Central Committee will hold an awards event soon after the close of registration in April, to honor the Democrats who worked in the registration drive. We are sure that greater activity will be generated if you will advise your people that their efforts will be recognized. We have designed an attractive award pin to be presented to each honoree attending this event.

Please keep a list of all the people in your district who are helping in any aspect of the registration drive. We will ask you to submit these names at a later date.

This is one way the State Central Committee can be of assistance in your campaign, so start your lists now.

Sincerely,

Jane Tolmach, Chairman
Women's Division South
