

# The Puente Project

Presents this award to

# Michele Serros

The Puente Project is proud to acknowledge your contributions and hard work for the benefit of advancing educational opportunities for all students. Your life's dedication to positive change and education has truly inspired our community college students to follow in your footsteps. We are honored to be a part of your historic journey.

Puente Transfer Motivational Conference  
Sonoma State University, California  
October 13, 2012
