Honorable John Tunney

Sir:

The purpose of this letter is twofold.

First, I wish to thank you (profusely) for having introduced S. 3618, which would incorporate a number of different California areas into the National Wilderness Preservation System. I am especially pleased that you included the proposed San Joaquin Wilderness in your bill.

Secondly, I am asking you to please send me a copy of this bill. Because of my particular interest in the San Joaquin area, I would be especially gratified to receive any detailed maps, reports, or other supporting documents in connection with this particular area.

Thank you again.

Sincerely,

George W. Whitmore
