Dear Members of the Democratic Women's Forum:

A warm thank you for your generous contribution! It is exactly this kind of support that is so vitally needed at this time. We are in the throes of mailings, printing up brochures, purchasing newspaper ads and radio time.

So far our campaign has been very encouraging - primarily due to the thoughtful efforts of supporters like yourselves and outstanding endorsements.

Congratulations to the Democratic Women's Forum for putting dollars in support of electing women to office. I intend to be a strong force in Sacramento for the concerns of women.

Thank you for the boost you have given my campaign!

Sincerely,

Jane Tolmach
