Please consider the follow questions as you complete the survey form:

HAVE WE FRAMED THE PROBLEM CORRECTLY? ARE THE PRINCIPLES FRAMED CORRECTLY? ARE THE PROPOSED SOLUTIONS EFFECTIVE AND REALISTIC? ARE THERE OTHER SOLUTIONS YOU WOULD PROPOSE?

THE CONTEXT

Comments:

CRITICAL ISSUES AND AN EMERGING CONSENSUS

Comments:

PRINCIPLES

- 1. Revitalize and sustain existing communities by targeting public and private investments toward existing communities and ending subsidies and other policies that facilitate sprawl.**

Could you or your organization support the proposed principle? Comments:

Please return this survey form by August 14, 1998 to: California Futures Network, 2201 Broadway, Suite 815, Oakland, CA 94612, Fax: (510)238-9769. Questions? (510)238-9762

2. Provide a clear edge between urban and non-urban land uses.

Could you or your organization support the proposed principle? Comments:

3. Create Livable Communities

Could you or your organization support the proposed principle? Comments:

4. Make housing more available and affordable to all segments of the state's population, especially average, low, and very-low income families and individuals.

Could you or your organization support the proposed principle? Comments:

5. Ensure the long-term viability of the state's agricultural economy.

Could you or your organization support the proposed principle? Comments:

6. Promote economic prosperity based on reinvestment and revitalization.

Could you or your organization support the proposed principle? Comments:

7. Protect environmental quality, natural resources and human health by preserving ecological communities, conserving natural resources, protecting air, land and water from pollution and degradation, and remediating environmental hazards.

Could you or your organization support the proposed principle? Comments:

8. Reform the state/local land use planning and finance systems to encourage better planning and land use decisions.

Could you or your organization support the proposed principle? Comments:
