* **NOTE.** A nonresident student is any person who has not been a bona fide resident of the State of California for more than one year immediately preceding enrollment. The exact determination date may be ascertained by contacting the Admissions/Records Office.

** **NOTE.** The law governing The California State University provides that a student body fee may be established by student referendum with the approval of $\frac{2}{3}$ of those students voting. The Student Body Fee was established at CSU, Fresno by student referendum on May 12, 1959. The same fee can be abolished by a similar $\frac{2}{3}$ approval of students voting on a referendum called for by a petition signed by 10 percent of the regularly enrolled students. (*Education Code*, Section 89300). The level of the fee is set by the chancellor. An increase in the student body fee may be approved by the chancellor only following a referendum on the fee increase approved by a majority of students voting. Student body fees support a variety of cultural and recreational programs, child care centers and special student support programs.

Credit Cards:

VISA and MasterCard bank credit cards may be used for payment of Student Fees.
