

Michele —

A formal thank you to follow - with  
some PHOTOS. But for now, ~~##~~ - and  
my thank you for your lovely note!

It is a big event to pull together,  
but such fun - my frustration is that  
when it finally arrives, I can only  
go to one dinner and even at the reception,  
it seems to be more of seeing authors I've  
been communicating with across a  
crowded room. You looked terrific!  
Wow! — Tia
