Dear Jane:

I deeply appreciate all you did in behalf of all of us who sought office in 1958--and can never really express the gratitude I feel.

I count upon the help, advice, and guidance of people like you in the days ahead when the task is not to win an office but to use its great power to serve the principles of the Democratic Party.

My family joins me in wishing you and yours a happy holiday season.

Cordially,

  
Alan Cranston

*Congratulations to you on your new Chairmanship,  
Jane. as I am in Sacramento & have a  
staff of investigators, I warn you I  
will find out the true story on that  
reporter you introduced as your "husband."
